G. S. No. 253/18.

Station Palghat Dated the 16th December 1918.

From (Name) M.R. Ry. Rao Sahib R. Sekhara Menon Ayl.,
B.A.,
(Designation) Chairman, Municipal Council, Palghat
To The Secretary to the Government of Madras,
Local and Municipal Department.
Thro' the Director of Public Instruction, Madras.

I have the honour to state that the Principal, Victoria College, having reported that almost every cross beam in the verandah rooms of one of the College buildings on the western side of the long hall is very badly bent and one of them slightly cracked about the middle, the Council wanted me to obtain the professional opinion of the authorities as to whether the estimate prepared by the Municipal Supervisor for effecting the necessary repairs

2 M
is sufficient. Accordingly I requested the Executive Engineer to favour me with his opinion as to whether the rooms are in a safe condition, or, whether any substantial repairs are necessary to prevent any possible danger to the students. He has now remarked that the cross beams and the purlin over the strut are not safe and recommends that the beams and purlins should be replaced immediately. A revised estimate, in the light of his remarks, for the necessary repairs to the building amounting to Rs. 550 was prepared and placed before the Municipal Council at their meeting held on the 11th Instant and a copy of the resolution is hereunder given.

" 25. Read estimate for Rs. 550/- for improvements to "the Victoria College long hall."

Sanctioned. Government grant will be applied for."

As the Council are now in financial difficulties they are unable to execute the work without aid from Government.

I therefore request that Government may be pleased to sanction the payment of Rs. 550/- for effecting the necessary repairs to the College building at an early date. I am getting the work done as the same is urgently to be attended to.

I have the honour to be,

Sir,

Your most obedient servant,

Aswatharaman
