*The Chief Secretary,
to the Government of Madras.*

Sir,

Under instructions from the Right Honble, the Secretary of State for India, I have the honour to forward my application to be allowed to retire on pension.

I have served in the Educational department for thirty years and I am now eligible for the pension under the ordinary rules.

My present request, however, is that you will kindly recommend me for an enhanced pension, which may be sanctioned in either of the ways.

(1). As Superintendent of the Reformatory, Chingleput, where I acted for the past five years, an allowance of Rs 100 p.m. which the Superintendent drew if he were a commissioned officer (attached to Government). As I performed the duties of the Superintendent during

during the strenuous period of the war my request is that this allowance may be considered as part of my substantive pay for the purpose of pension. I may mention that my predecessor who was not a medical officer once knew the allowance when he acted for a short period.

(2) For several years, I have been drawing an allowance of Rs 100 p.m. acting in a vacancy in the Indian Educational Service and this allowance may be considered pensionable in the calculation of my pension if the former request cannot be granted. Under existing rules, an acting appointment lasting over 3 years may be treated as substantive for pension purposes.

M

I make this appeal as one who is now at the head of the Provincial Educational Service and who has rendered loyal service to Government which has been appreciated and recognised by the award of the Karsen-i-Hind Decoration.

I forward a copy of my book "The making of men" which describes the work done by me in the school.

The prospects of the Service have been greatly improved since

not received.

I went on leave and if an enhanced pension be granted, it will to some extent compensate me for the loss of a benefit which I should have enjoyed.

I have the honour to be,
Sir

Your most obedient servant
