HOME (EDUCATION) Department.

Sir,

In submitting herewith a copy of letter R.C. No. 3/1920 of the 10th instant of Mr. Champion, Inspector of the Coimbatore-Nilgiris Circle, I have the honour to recommend, in view of the circumstances detailed therein, that he be allowed, as a purely temporary measure, to live in Coonoor and discharge his official duties from there and that he be instructed to secure a bungalow for himself at Coimbatore as early as possible. I recommend that the office should however continue to be in Coimbatore.

I request the favour of very early orders on

Copy of letter from Mr. H. Champion, Inspector of Schools,
Coimbatore-Nilgiris Circle, R.O. No. 3 of 1920, dated 10th
December 1920.

With reference to my appointment as Inspector of Schools
of this Circle, I have the honour to report that I have not been
able to find a house in Coimbatore suitable for my residence.
I have made all possible enquiries in this direction and am
given to understand that there is no probability of any house
becoming available for my use.

As my wife and two children are with me, it is necessary
that I should find some sort of permanent house immediately.
I therefore request that you will be good enough to permit me
to make my headquarters in some place on the Nilgiri Hills
where suitable houses are available. Coonoor is perhaps most
suitable for the purpose being situated on the railway.

I learn that the scarcity of house accommodation in
Coimbatore is well known, and that as a consequence the local
Conservator of Forests and the Deputy-Inspector General of
Police have been permitted to make their headquarters at
Ootacamund and Coonoor respectively.

Further I have not yet secured a building for my office.
I beg to suggest that the office might suitably be located
in Coonoor as in Coimbatore. And as it is but newly formed
its location in Coonoor will mean no additional expense to
the state.

It is with regret that I submit these proposals. I should
have preferred Coimbatore as headquarters. It is hardly neces-
sary to state that my work will not suffer in any degree by the
location of my headquarters on the Nilgiris.

The favour of early orders is respectfully solicited.

No. 1426. Home Secy of the Inspector of Schools, Coimbatore
4.12.20 (1) Coimbatore is the headquarters
Nilgiris circle, but as Coonoor is
within the limits of his jurisdiction
there appears to be no objection
to permitting the Inspector to
live in Coonoor as a purely
temporary measure. For precedents
please see Govt Nos 973 Rev (sp) of
22.5.20 and 2924 Home Secy of
23.11.20 in which the D.P.O., Coimbatore
and the D.P.O. of Police, Western
range respectively have been permitted
to live at Palghat and Coonoor
respectively as a temporary
measure. As regards the
Conservator of Forests, Coimbatore,
referred to by Mr. Chapman,
it is understood that, on account
of the scarcity of accommodation

at Coimbatore, the Conservator of
Forests has been living at Cothamam
for some time past and with the
question of permitting him to live
there is under consideration.

There is no official residence for the Inspector in Coimbatore. This has been brought to the notice of the Collector who has been requested to include quarters for that officer in his scheme for providing accommodation for Government officials. I suggest that the question of a clerk need not be raised at the present time. It is not certain that the Inspector will require a clerk at Coonoor. If he raises the point the question of allowances may be separately considered. It seems hardly correct to hold that the Inspector benefits by not having to find as usual a hill residence during the hot weather. If he goes to the Nilgiris for 6 weeks during the hot weather he would very likely go to a hotel rather than being put to the expense of taking a house for the season.
