The writer of this letter is the son of a retired Sub Magistrate who served under me in the Tinnevely district. He showed me an excellent certificate from Father Bertram of the St. Joseph's College, Trichinopoly which incidentally mentions that he took the first place on the list at the Honours Examination for B.A., in History, Economics and Politics this year. He is 21 years of age and would like to be considered as a candidate for any Government scholarships to England or for direct appointment to the higher grades in any department of Government service, particularly the Revenue Department.

In testimony of his social status he added that his first cousin was the Chief Judge of the Cochin High Court.

2. I told him that I would ~~ascertain~~ arrange that he should receive information as to

(1) the proper method of prosecuting candidature for a Government scholarship to England, and

(2) similar particulars for entry into the higher grades of the Revenue Department.

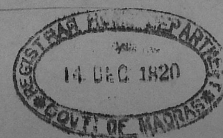

3. In the case of the Revenue Department I believe direct appointments are now made at the grade of Deputy Tahsildar on the recommendation of a Selection Committee.

4. I shall be obliged if Home (Education) and Revenue respectively will put up brief notes indicating the correct procedure in each case drafted in such form as to admit of their being transmitted directly to this young man.

Rev. depl.

To Under Secretary

In the Rev. depl.

direct appointments are made by Govt. at the grade of deputy tahsildar on the recommendation of a Selection Committee, & also by Coltrs. at the grade of revenue inspector. Candidates desirous of entering service as prob. revenue inspector should apply to the Coltrs. of the districts in which they wish to be employed. In the case of prob. dy. tahs. appointments, the Govt. call for applications year after year by a notification which is published in the Fort St. George Gazette. Persons desirous of joining service as prob. dy. tahs. should watch for this notification & submit their applications in due course. Next notification in this respect will issue about August next. The question of direct recruitment to the grade of dy. coltr. is yet undecided. With the above remarks the file may, it is submitted, be returned to Home Secy.

10th January 1921.

Dear Sir,

With reference to our conversation on or about the 13th December last I enclose a pamphlet giving particulars of the only State Scholarships to England for which you seem eligible to apply. Please refer to pages 1 and 3 to 5. The last occasion on which a scholarship was awarded by the University of Madras was in 1919 and the next one falls due in 1922.

2. In the matter of service in the Revenue Department there is at present no direct appointment to the grade of Deputy Collector, but direct appointments are made -

(1) by Collectors at the grade of Revenue Inspector and
(2) by the Government on the recommendation of a Selection Committee at the grade of Deputy Tahsildar.

If you wish to enter service as a probationary Revenue Inspector you should apply to the Collector of any district in which you would like to be employed. If on the other hand your ambition is to begin as a probationary Deputy Tahsildar you will have to wait for the annual notification published in the Fort St. George Gazette by which the Government invite applications. The next notification is, I understand, likely to be published about August next.

Yours sincerely,

M.R.Ry. B.S. Narayanaswami Avl., B.A. (Hons.)
