To

His Excellency

The Governor in Council,

Fort St. George,

Madras.

The humble appeal petition of A. Muthu Iyengar

teacher, Valaikulam Street, Srivilliputtur, against the order of Director of Public Instruction in His No. 2309 dated 23--3--20.

MOST RESPECTFULLY SHOWNTH:--

1. That the petitioner is an elementary Higher Grade trained teacher and is also a holder of a Completed S.S.L.C. Certificate for teachers with a service of about 14 years in the profession.

2. That he submitted the enclosed petition with the connected records to the Director of Public Instruction, Madras, praying to grant him a Secondary Grade Certificate under Rule 140 of the Madras Educational Rules and in reply thereto Director of Public Instruction has favoured him with an endorsement which is also submitted herewith for Your Honour's kind perusal.

3. That Rule 140 of the Madras Educational Rules makes an Elementary Higher Grade Trained teacher who afterwards passes S.S.L.C. Examination, eligible to gain a Secondary Grade Certificate without further training. This does not apply to Elementary teachers who afterwards pass S.S.L.C. Examination for teachers. It is a great hardship for upon these teachers. I do not know in what way the latter will be inferior to the former.

4. That the petitioner has already undergone training in the Elementary Higher grade in 1907 in Tamil in all the same subjects as are now taught in the Secondary Training Course as per new scheme of studies.

5. His age is now 40. He is a poor and family man. Being in this department for a long time he cannot seek an employment on a decent salary elsewhere. So he is to stick up to this -- department.

6. In consideration ^{of} age and service exemption is being granted in special cases to certain persons employed in all departments. So also in the educational department some years back teachers of about more than 5 years standing or so were granted Service Certificates tantamounting to qualified teachers Certificates. But this rule is now removed and teachers of my stamp who are -- advanced in age and who have putting a long service have to suffer good deal without encouragement at all in any way.

Under these circumstances the petitioner therefore most humbly and prays Your Honour to be graciously pleased to have a kind perusal of the petition with the connected records, consider his age and service and the fact he has already undergone training (Elementary Higher Grade) in the subjects that are now taught in the Upper Secondary Grade Training, and to order to issue a Secondary Grade Certificate to the petitioner making the rule 140 of the Educational Code applicable to him also.

Srivilliputtur, I
1st November 1920. I

He begs to remain,
Most Respected and Honoured Sir,
Your most obedient servant,

Pruthi Rajanagar

Srivilliputtur,
24th February 1920.

From

A. Muthu Iyengar,
Teacher,
Valaikulam Street,
Srivilliputtur.

To

The Director of Public Instruction,
M a d r a s.

Most respected and honoured sir,

I beg to appeal the following
fewlines to your honour's kind re-consideration and favourable
orders.

1. I am a holder of Trained Teacher's certificate of the
Elementary Higher Grade and keeping Teacher's profession. I
applied for the Matriculation Examination in 1906 but did not
succeed.

2. Scheme of Special Examination under the S.S.L.C
Board gave me some prospects to gain the Secondary Grade
Certificate. Accordingly I appeared for the Examination in
1916 and I was not favoured with a certificate as per notifi-
cation, so I addressed the Secretary for Government Examinations
on the subject. I was informed by him that the certificate
would be given to me in due course. Please vide Enc. 1. As
no reply was received I had to address him again on the subject.
In his reply vide Enc. 2, I was informed that the certificate
would be issued only to those who were declared eligible for
Secondary Grade Training and that the decision was not applicable
to candidates appearing for the year 1917, March. It was my
misfortune that two contradictory orders referred to above
had to be passed by the ~~same~~ ^{same} officer (Secretary for Govt. Exa-

Examination) within the period of six months.

3. I did not appear for the examination held in March 1917 as I thought that there would be no use in spending money for the examination without Secondary Grade Certificate at all. Subsequently the candidates appeared in March 1917 got certificates. So I also appeared for the Examination in March 1918 on the understanding I would also get a certificate. Accordingly I got the certificate.

4. On receipt of this certificate I addressed the Inspector of Schools, VI Circle (Tanjore) requesting him to grant me Secondary Grade Certificate as per revised rule 140 of the Madras Educational Rules. In his No. R.O.C. 472/10 dated 6-2-18 (vide enclosure 3) I was informed that I am not eligible for Secondary Grade Certificate without undergoing fresh training. In this connection I beg to submit that it was ¹⁴⁰ ~~stated~~ both in the Article of the Revised Madras Educational Rules ^{and} ~~nd~~ the Notification on the Special Examination for Teachers that Special Examination candidates with elementary higher grade certificates are not entitled to gain Secondary Grade Certificates without further training. Such being the case it was also my misfortune that the Inspector of Schools also ~~had~~ to pass such an order referred to above.

5. Afterwards I addressed the ~~the~~ Inspector of European and Training Schools, Madras on the subject. He replied in his endorsement N. Dis. on C. 324 T.C. of 19 dated 25-8-19 (vide enclosure 4) that the Special Examination makes a teacher eligible to undergo Secondary Grade training and is not eligible to gain Secondary Grade certificate under Article 140 of the Madras Educational Rules. He also favoured me with a copy of his Notification dated 19th Sept. 1917 vide enclosure No. 5. In this connection I beg to state that this Notification seems

to have been published by the Inspector of European and Training Schools while your honour's order revising Rule 140 of the Madras Educational Rules is still in force. I am at a loss to know which of the two orders is applicable for a candidate of my stamp.

6. I applied for the Special Examination for Teachers in March 1916. I was not favoured with a Special Examination Certificate as per Notification and Enclosure 1. So I had to appear again for the Examination in March 1918. If I had been favoured with a Special Examination certificate in 1916 as per Notification and Enclosure 1, I would have gained a Secondary Grade certificate as per revised rules 140 of the Madras Educational Rules in the ^{same year} ~~same way~~. So the order passed by the Inspector of European and Training Schools vide enc. 5, will not hold good in my case.

7. I also beg to add that the Head Masters of Secondary Schools do not give merits to the ~~xxxxxxx~~ Special Examination holders in any way but S+S L.C. Holders who are given the same question papers as are given to Special Examination candidates are preferred. So the securing of the Special Examination Certificate by spending much trouble and money seems to be of no avail.

8. I, therefore, beg to pray that your honour may be graciously pleased to re consider ^{my case} as a special one and order to issue a Secondary Grade Certificate under Rule 140 of the Madras Educational Rules since I appeared for the Examination in 1916 and the order passed by the Inspector of European of and Training Schools does not seem to have been approved by your honour.

Enclosures 1 to 5, Elementary Higher Grade Certificates
and the Special Examination Certificates are herewith submitted
for your honour's kind perusal and return.

I beg to remain,
Most respected and honoured sir,

Your most obedient servant,

Chakur Singh
