To

THE RIGHT HONOURABLE EDWIN MONTAGU,

His Majesty's Secretary of State for India.

Delhi, the 24th February 1921.

SIR,

WE have the honour to forward for your consideration a copy of a letter from the Government of Madras, no. 1526, dated the 17th December 1920, on the subject of the deputation of Miss Teresa Joseph, Assistant Professor of History, Queen Mary's College for Women, Madras, for a period of three years to undergo training at a British University to fit her for the professorship of Economics at that College.

2. The local Government propose that the period of deputation should count towards pension, promotion and leave and that, in addition to a free second class passage to and from England, Miss Joseph should be granted a scholarship of £300 a year with any war bonus that may be admissible. As the scholar- will be held on the same terms as the Government of India State scholarships, Miss Joseph will herself bear the charges for University and college fees, for private tuition, for books, instruments, hotel bills, medical attendance and travelling expenses incurred by her while in England.

3. We consider Miss Joseph fitted to benefit from the course of study proposed for her and agree with the local Government that her British training will be distinctly in the interests of female education in the Madras Presidency. We therefore recommend the proposal for your sanction.

2
Should it meet with your approval we would ask you to be so good as to arrange the desired course of study for Miss Joseph.

4. The expenditure which will be incurred by this proposal will be met from Provincial Revenues.
