Subject Buildings grant; Bishop Corrie High School, Madras.

[C no 1803 B] from the D.P.D. no 11705 d 7-6-21

Under article 50 (b) of the Code of Regulations for European Schools, grants may be given for executing extensive repairs to school buildings but the manager of the school concerned shall, under ^{Article} ~~Rule~~ 55 of the Code, be required to show that the necessity for such a grant has not arisen from the neglect of current repairs in previous years.

A perusal of the first two items on page 1 of ^{of the} ~~the~~ O + D Estimates A₁ below indicate, that even whitewash or colour washing and painting were not done for some years. ^{Further it is proposed to dismantle the old plaster and re-plaster the exterior walls with cement. The necessity for such proposals} It was ^{therefore} ~~clearly~~ doubtful whether grants should be sanctioned for all the items in the estimates.

The D.P.D. may perhaps be requested to reconsider his ^{present} recommendation with reference to ^{Article} ~~Rule~~ 55 of the Code.

Please see the list of Commitments at L.
There is a provision of Rs 1,30,000 in the current
year's budget while the commitments already
made amount to Rs 1,13,890. There is thus a
balance of only Rs 16,110 while applications have
been received till now for grants amounting to
Rs 1,06,379 including the Rs 3,013 ^{the grant over proposed} ~~in question~~
as of 21/6/21 the grant now under consideration.

U.O. Reply No.

I regret that this application has been submitted
to Government. The file was not brought to my notice,
my office having worked on the order of Mr. Grieve who
was acting as D.P.I. who ordered the submission of the
application to Government on receipt of revised esti-
mates.

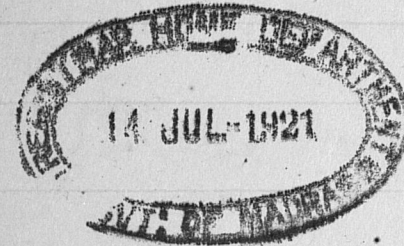

On looking through my office file I find that
Mr. Jackson, the Architect who drew up a report on the
proposed special repairs for the Bishop Corrie's High
School, Madras, states explicitly that the buildings
are old and owing to lack of funds have many years
suffered from insufficient annual repairs. It is thus
quite clear that the conditions antecedent to the

sanctioning

sanctioning of grant for repairs have not been complied with.

The estimates may now be returned to the D.P.D. A draft order is submitted. ^{formally} It is proposed to decline to sanction a grant towards the cost of repairs to the school, as the D.P.D. says in his note that the conditions for grant have not been complied with.
