through the Accountant General, Madras.

Sir,

With reference to para 3 of G.O. No. 1196 Home
(Education) dated 1st October 1919, I have the honour to
submit for the sanction of Government the following
proposals for the reorganisation of
the Government Girls' School, Madura, with a view to providing
the institution with a staff of teachers suitable for a
secondary school.

2. There are 178 girls in the school distributed
among

among the several classes as detailed in the margin. For the

* Class	Strength	nine sections in the school at least 9
Form III	2	teachers are necessary including the
.. II	3	Headmistress. In addition provision has also

Mayavaram and Vellore have been found to be inadequate for those institutions and they will be still more so in the case of Madura where the cost of living is comparatively high and houses are both scarce and dear. I therefore recommend that the following scales of pay be sanctioned for the school:-

	Rs.
Headmistress (B.A., L.T.)	150-5-175
1st Assistant	100-5-125
2nd Assistant	75-5-100
3rd Assistant	60-3-75
4th Assistant	50-2-60
5th Assistant	50-2-60
6th Assistant	40-2-50
7th Assistant	40-2-50
8th Assistant	40-2-50
Tamil Pandit	30-2/2-40
Clerk	20
Peon	8

3. The sanctioned scales of staff and pay for the school are as given hereunder:

	Rs.
Headmistress	40
Personal allowance	70
1 Assistant	30
1 Assistant	25
1 Assistant	20
1 Assistant	15
3 Assistants each on	13
1 Peon	8

The extra average expenditure involved by these proposals comes to Rs.515 1/3 per mensem or Rs.6184 per annum and the extra expenditure in the current year for 2 months from 1st January 1920 is Rs.832 which can be met from the anticipated savings out of the lump provision of Rs.34,000 for opening

opening additional secondary schools for girls etc. As for the amount required for next year, I request that it may be a charge on the Rs.58,000 entered in the Budget Estimate of that year for opening additional secondary schools for girls etc.

I have the honour to be,

Your most obedient servant,

For Director of Public Instruction

Subject Govt. Girls' School, Madurai
[C. no 256513] from the D.P.D. no 1366 W.B. 23-11-20

N Please see the notes on p. 6 of G.O. no 617 Sd. 15-5-19 which contains a list of places selected by the Inspectresses of Girls' Schools at their conference held in December 1915. Secondary schools for girls were to be established ^{gradually} in the order given in that list. Accordingly ^{already} in the Southern circle a school was opened at Mangalore. ^{So far as this circle is concerned} Madurai stands second in the list - next to Mangalore. The proposal to raise the girls' school at Madurai to the grade of a Secondary School may therefore be approved.

G.O. 1276
25-9-18

* A school has also been opened at Mayavaram-Vid.

G.O. 1074
17-9-20

2. The total strength of the school at present is 178 and the higher ^{classes} ~~standards~~ ^{Forms I & III} are poorly attended. The D.P.D. proposes nine teachers (including headmistress) plus a Tamil pandit for ^{the} nine sections into which the classes will be divided. In the Govt. Girls' School, Salem, 11 teachers were sanctioned for a total strength of 289 ~~and~~ pupils divided into 12 sections and in the school at Vellore 9 teachers were sanctioned for a total strength of 228 pupils divided into ten sections. There is no Tamil pandit sanctioned for either of

of these schools. In the circumstances it is for consideration whether it will not be sufficient to sanction for the present 8 teachers (including the headmistress) plus a taniel pandit for the proposed Madura Secondary School which is to have only nine sections with very poor strength in the higher forms.

p.2 C.F.

(A)

para 1 of S.O. 1074
17-9-20

3. The Govt. sanctioned a pay of Rs 100 for each of the Readmistresses in the three Secondary Schools recently started at Salem, Margwarum and Vellore, but they are allowed to draw Rs 125 p.m. each if they are B.A.L.T.s. In the circumstances explained in para 2 on p.2 C.F. it is for consideration whether the starting pay of the Readmistress for the Madura School may be fixed at Rs 150 if she is a B.A.L.T. and at Rs 100 if she is not so qualified. The D.P.D. recommends an incremental scale of pay ^(for headmistress) viz Rs 150-5-175. Pending reorganization of the S.E.S. (women's branch) the pay may be fixed at Rs 150 p.m. for the present.

Q 4. The assistants in the three schools sanctioned in G.O. no 1074 of 17-9-20 are divided into two grades one Rs 60 & the other at Rs 40 p.m. But in the circumstances explained in para 2 on p.2 C.F. it is for consideration whether pending revision of the S.E.S. (women's branch) the assistants may not be paid the minimum in the scale.

Scale recommended in para 2 ^{of the letter} ~~of the letter~~

(B) If only 7 assistants are sanctioned as suggested in para 2, ^{above} their pay may be fixed at Rs 1(100), 1(75), 1(60), 1(50) & 3(40)

5. The pay proposed for the Junior peon & Clerk - viz Rs 30- $\frac{2}{2}$ -40 & Rs 20 p.m respectively may be accepted. The retention of the peon on Rs 8 p.m. may be approved.

6. The remarks of Financial may be invited. uo.

Before the file is sent to Financial, it may be sent to the D.P.I for remarks with reference to (A) & (B) above.

In the circumstances stated by the D.P.D. in his note ^{on pags 3 & 4 ante} ~~on~~, 9 teachers (including the head mistress) and one paudit may be sanctioned.

The pay of the paudit may be fixed at Rs 40-2-50 the scale suggested by Mr Kuapp and accepted by the Governor in Council. The paudit will not then be eligible for temporary addition to pay.

As regards the pay of the ^{teachers} ~~teachers~~, attention is directed to para 12 of Mr Kuapp's note on Salaries No X - and para 7 of the order in Council thereon (received since writing paras 3 & 4 of the note on p. 2 ante). No definite orders were passed on the ^{revision of the} pay of mistresses in Secondary schools. Mr Kuapp suggested that he would ~~only~~ merely confirm the present temporary allowances and leave it to the D.P.D. to make proposals for the gradual standardization of the numerous rates now in force and the Govt. decided that these ^{mistresses} should be placed as far as possible in one or other of the grades recommended for other branches of the Ed. Dept.

It has been decided that ~~the~~ school assistants in the Sec's schools for boys, should be divided into two cadres - one for graduates and L.T.s teaching the higher forms, and the other for Secondary trained teachers; that the higher cadre should be classed with Sub-ass't. The D.P.I. may be asked u.o. to state whether he would accept the above scales and if so to revise his proposals for the Govt. girls' school at Madura in accordance with them.

Before asking the D.P.I. we should first ascertain from the Financial Deptt as to whether a ref. on the above lines may be made. It is no use ~~making~~ commencing a scale to the D.P.I. which will not eventually accept.

2/50 for as the addition to the existing staff is concerned, it is submitted that 1 school assistant and 1 clerk may be permanently sanctioned with effect from ~~1-3-21~~ ^{1-3-21A}. The present low strength of the school does not appear to admit of the necessity for a Tamil Pandit, as the Govt. Girls' Schools Salem & Vellore having a total strength of

289 + 228 respectively are managed without the services of Pandits. If, however, the proposal of the D O D to the employment of a Tamil Pandit is entertained, it is submitted that the app't may be sanctioned temporarily for a period of 1 year from 1-3-21, the question of permanent retention being dependent on the future strength of the school.

3/ Scale of Pay. The Home Deptt suggests vide pages 5 & 6 ante - the adoption of the scale proposed by Mr. Knapp to the following effect.

Secy Schools

- (i) School Mistress who are graduates and L.Ts teaching higher forms. } 100 - 5 - 150 - 10 - 25
- (ii) Secy grade Teachers teaching lower forms } 45 - 3 - 90

As the recommendations of Mr. Knapp relating to the general revision of Salaries are still under ~~sec~~ scrutiny in the Financial Deptt, it seems inopportune at the present moment to entertain any proposal relating to the revision of the scale of pay either in accordance with the scale proposed by Mr. Knapp or independently of it. Pending the question

of general revision, it is submitted that the scale of pay sanctioned in G.O. No. 1074 Home (Ed) d 17-9-20 for the Secondary girls' schools Salem, Vellore & Madurai be adopted for the Madurai girls' school as well. The staff will also be eligible for the temporary additions to pay. If this is accepted, the staff of the school will be on the following rates of pay.

1. Head Mistress Rs 100; if a B.A. & L. a pay of Rs 125 p.m. will be allowed.
2. Two assistants on Rs 60 each
3. Six assistants on Rs 40 each
4. 1 clerk on Rs 20
1 Peon on Rs 8
1 Tamil Pandit on Rs 30/m the 30-7/2-40 scale

4/. The sanction may, if approved, take effect from 1-3-21.

Has this been allowed for in the budget 1921-22?

Subject
Govt. Girls' School,
Madura - Reorganization

[C. no 2565 B] from the D.P.D. no 1366 W.B. 23.11.20

In Submitting proposals for the reorganization of the Govt. Girls' School, Madura, the D.P.D. states that the scales of pay sanctioned in G.O. no 1074 & 179-20 for the new Secondary Schools at Salem, Mayavaram and Villore, have been found to be inadequate for these institutions. But recently he has recommended, for the proposed middle schools at Kurnool and Berhampore, the same scales of pay with a slight modification as shown in the margin. These are separately under consideration. Besides, pending the question of general revision of the pay of teachers in the Ed. Dept., it does not seem desirable to sanction different scales of pay for different schools. ^{the reason adduced} In spite of ~~what is stated~~ in para 2 of his letter for enhanced rate of pay in Madura the D.P.D. may be requested to state whether pending the general revision, the following scale of pay may not, as a temporary measure, be sufficient for the Madura School: -

No
* Headmistress 125 p.m.
1 Asst. — 75 ..
1 Asst. — 60 ..
6 Assts. — 40 .. each
1 Deputy Pundit 30 2/2 40
1 Clerk — Rs 20
1 Peon — Rs 8

- 1) Headmistress - Rs 100 p.m. If a B.A.L.T. No 125 may be allowed
- 2) Two assistants on Rs 60 p.m. each
- 3) Six assistants on Rs 40 p.m. each
- 4) one clerk on Rs 20 p.m. & one peon on Rs 8 p.m.

2. The D.P.D. recommends the employment of

of a Pandit for the school. The present
* strength of the school does not appear to
admit of the necessity for a Pandit, as the
Govt. Girls' School at Salem and Vellore having
a total strength of 289 & 228 respectively are
managed without the services of Pandits. If
however a Pandit is considered necessary,
the D.P.D. may be requested to state whether it will
not be sufficient to sanction the appointment of
temporaries for one year the question of permanent
retention being dependent on the future strength
of the school.

I am afraid that it will not be possible to
staff the school adequately if the scales sugges-
ted on the previous page are adopted. As regards
the Headmistress I accept the proposal made but
otherwise would prefer that, if possible, the
scales suggested by me already in my U.O. 42/10 dated
24-12-20 may be approved so far as the Assistants
are concerned pending general reorganization.
As regards the Pandit, it is a fact that Salem and
Vellore have not got Pandits and I shall address
Government separately recommending their appoint-
ment.

The D.P.D. considers that the scale of pay suggested by the Financial Dept for the assistant teachers, is not adequate. He asks for one assistant on Rs 100 p.m., one on Rs 75 p.m., one on Rs 60 p.m., two on Rs 50 p.m. and 3 on Rs 40 p.m. each. as against 2 on Rs 60 p.m. each & 6 on Rs 40 p.m. each proposed by Financial.

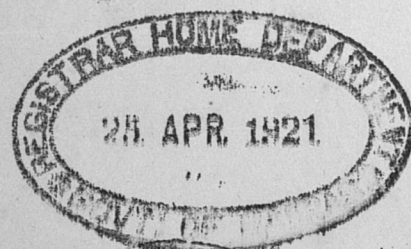

He is also not in favour of employing the Pundit temporarily as suggested by Fin.

The main ~~reasons~~ reasons adduced in support of the contention that the scale suggested in Finance is not sufficient ^{are} the comparative high cost of living in Madurai and the scarcity and dearness of houses there. It is also stated that it will not be possible to staff the school adequately if the Finance Dept scale is adopted. As already pointed out the lower scale follows that sanctioned for other similar schools at Vellore, Mayavaram and Salem. The circumstances referred to at X above

raise a larger issue and it seems doubtful whether they can be accepted for these teachers alone. Special treatment for these teachers by way of higher salaries can be agreed to only if and when it is decided that similar higher rates of remuneration should be granted to all subordinates of Govt. serving in Madras. Pending such decision and pending the introduction of revised scales of pay, it is for consideration whether Finance should not insist that the scale already accepted need alone be sanctioned.

3. Tamil pandit. In the circumstances stated on pages 13-14 ante, the permanent employment of a Tamil pandit may be agreed to. The pay may be fixed at Rs 30-2 1/2-40 plus temporary increase.

Station Madras, Dated the 22nd November 1920.

From (Name) The Hon'ble Mr. R. C. Grieve, M.A.,

(Designation) Ag. Director of Public Instruction,

To The Secretary to the Government of Madras,

Home (Education) Department.
through the Accountant General, Madras.

Sir,

I have the honour to submit for the sanction of
Government the following proposal for opening a weaving
class in connection with the Government Girls' School,
Namakkal.

2. There are 248 girls in the school distributed among
8 standards. The inspectress of Girls' Schools, Western
Circle, recommends the opening of a weaving class in --
connection with the school and states that 46 girls belonging
to

to the weaver caste will attend the class. She further reports that one of the teachers of the school knows weaving and -- recommends that she be appointed as instructor on Rs.20 per mensem.

3. The introduction of weaving will not only afford an elementary training in the hereditary occupation of the girls but also will be the means of keeping them much longer at school than would otherwise be the case. I accordingly recommend that sanction be accorded to the opening of the class. Until its success is assured, it may be worked with country looms and with a local instructor as recommended by the Inspectress. When the stability of the class is established, improved looms may be used and a technically qualified instructor appointed.

4. There is sufficient accommodation available in the school building for holding the class. The cost of initial equipment is estimated at Rs.100 and a sum of Rs.30 per mensem will have also to be sanctioned for purchasing raw materials.

5. The extra recurring expenditure involved by these proposals amounts to Rs.600 per annum and the extra expenditure in the current year for 2 months from 1st January next will be Rs.250 (instructor Rs.40 plus Local Allowance Rs.20 plus raw materials Rs.90 plus equipment Rs.100).

6. The class may in the first instance be sanctioned temporarily for one year.

7. The sanctioned scales of staff and pay for the school are as given hereunder:-

Headmistress	Rs. 40
1 Assistant	20
1 ..	14
6 Assistants each on	13

8. A reappropriation statement to meet the additional expenditure of Rs.250 involved by the proposal during the current year is submitted herewith. I request, however, that provision for the charge may be entered in the Budget Estimate for next year now before Government.

I have the honour to be,

Sir,

Your most obedient servant,

For Director of Public Instruction
