Sir,

Ref: General Order of the Government of India.

No.1243, Simla, Dated 21-9-1915

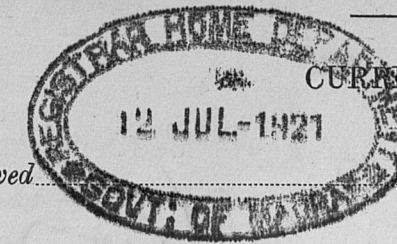

I have the honour to make application for an advance of Rs.700/- (Seven hundred) under the terms of the above to enable me to purchase a Motor Cycle to assist me in my work, as I am at present compelled to do the whole of my work with my ordinary cycle a method of progression which entails much time, and leaves me scarcely in a fit condition to do my work properly when I do arrive at the schools and I also feel that peddling an ordinary cycle all round Madras daily will greatly affect my health.

I should be glad if you would deal with this application at your earliest possible convenience, a gentleman who is about to leave the station has offered his Motor Cycle to me at a very reasonable figure and should the advance be sanctioned at an early date

I will be in a position to take advantage of the offer. The reason for the above application is, the Motor Cycle which I had has become unserviceable and had to be sold, continually costing me a lot of money for repairs.

I have the honour to be,
Sir,
Your most obedient servant,

J. Hart:
Instructor in Physical Training
for European Schools, Madras
