That portion of the file which has been
sent to me does not contain letter No. 413
dated 16th March 1921 nor can I find any grounds
for the presumption of the Deputy Secretary to
the Government of India that the Principalship
of the College of Engineering, Madras would often
be filled by an officer of the Public Works
Department. ^{Am} More considered opinion ^{might} be
expressed by me if I were in possession of further
papers. ~~which may be found in the file~~ On what
I have before me I see no reason for suggesting
any pay to an officer of the Public Works Depart-
ment

which is outside that which is calculated on the
general rules of Government which are laid down
with reference to the pay of an officer who is
transferred from one department to another.

U.O. Reply.

I am still unable to find any grounds for the presumption of (the Deputy Secretary to) the Government of India that the Principalship of the College of Engineering would often be filled by an officer of the Public Works Department. If, however, such an officer were appointed as Principal I suggest that his salary be Rs.150 per mensem more than he would be drawing ~~he~~ if he were retained in the Public Works Department.

 As pointed out by the D.P.D. in his notes
 on pages 1 and 3 Supra there seem to be
 no grounds for the presumption of the
 Govt. of India that the principalship
 of the College would often be filled by
 an officer of the P.W.D. If however,
 such an officer were appointed as
 Principal, the D.P.D. suggests that his
 salary be Rs. 150/- more than what
 he would draw in the P.W.D. ~~It may~~

Please see the D.P.D.'s telephonic
 reply on page 3 et. He
 recommends a duty allowance
 of Rs. 150/- in addition to the
 pay, but without any other
 allowance such as teaching
 allowance.

It is not clear whether the
 D.P.D. proposes a duty allowance of
 Rs. 150/- ^{in addition to teaching or the allowance that may be granted to P.W.D. officers employed in the College} per mensem or merely an
 addition of Rs. 150/- to the officer's salary
 in the P.W.D. The Govt. of India
 may perhaps be informed that a
 duty allowance of Rs. 150/- per mensem
 may be granted to such an officer.
 A draft letter is submitted for
 consideration. If approved, it may be
 sent to the P.W.D. and Finance for
 acceptance.

during the last 25 years, P.W.D officers acted as Principal, college of Engineering, madras, only on four occasions as will be seen from the following statement. It cannot therefore be said that the Principalship ^{will} ~~was~~ ^{be} often filled in the past by a P.W.D. officer :-

Name of officer who acted as Principal	Year	Remarks.
Mr J. P. Davidson	1898-99	Mr Davidson was entitled to more salary in the P.W.D. than as A.G. Principal. He was therefore permitted to have the privileges he would have had if he had remained in the P.W.D. during the period - vide G.O. No. 515 Edl 8-8-99 & G.O. No. 616 Edl 14-9-99. I U
Mr H. T. Keeling	1904-05	The pay of Messrs Keeling & Morgan during the periods in question was less than Rs 1,000, the minimum pay of the post of Principal (in the scale of Rs 1,000 - 50 - 1,250). So they appear to have drawn acting allow in accordance with the rules in the C.S.R.
Mr F. E. Morgan	1909-10	
Mr M. Brown	1912	His pay in the P.W.D. at the time was Rs 1,100 against Rs 1,000, the minimum pay of the Principal's post. He would not therefore have drawn any acting allow, but would have drawn his P.W.D. pay during the period.

2/ The post of Principal has now been included in the cadre of the Indian Educational Service

service. If, in future, an officer of the P.W.D. is appointed to act as Principal, his salary during the period he so acts will be fixed as laid down in para 8 of the G.O. letter on page 2 of G.O. No. 1452 Home (Edl) 8-12-20, i.e., at ~~the~~ a stage in the scale of pay for Indian Educational Service officers above his pay in the P.W.D.

3. The G.O. have also sanctioned the grant of duty allowances at Rs 250 or Rs 150 p.m. to Principals of Govt colleges including the College of Engineering, subject to the condition that any one of the Principals may be given ^{the} ~~an~~ allowance of Rs 250 at the discretion of the local Govt and the rest at Rs 150 p.m. only. For the present this Govt have allowed the Principal, College of Engg, a duty allowance of Rs 150 only. The grant of the allowance is conditional upon the Principal being a member of the Indian Educational Service. The G.O. now enquire what rate of duty allowance this Govt would recommend to an officer of the P.W.D. who may in future be appointed to act as Principal. The D.P.J. suggests an allowance of Rs 150, i.e., the same rate as that now allowed to the present Principal who is a member of the Indian Educational Service. In the draft letter to the Govt of India, this rate is proposed. It is for consideration whether it
