Sir,

In para 2 of G.O.No. 595 Home (Education) dated 15th May 1920, Government directed that recognition and aid be continued to the hostile alien mission schools belonging to the Schleswig Holstein Evangelical Lutheran Mission, Hermannsburg Evangelical Lutheran Mission and the Leipzig Evangelical Lutheran Mission for such further time not exceeding a year with effect from 31st March 1920 as they may remain under the missionary Educational Council. I am asking the Secretary to the Missionary Educational Council of Southern India whether the Council is willing to continue the provisional management of these schools for another year from 1st April 1921 or for such shorter period as may be found actually necessary on the same

same condition as those in force at present. But I have the honour to request that I may be informed when the question is to be finally settled since permanent arrangement would appear to be more satisfactory.

Sir,
I have the honour to state that the Rev. S.C. Burger who was appointed as a member of the Committee for the management of the H.E.L.M. A.W. Wilch may be appointed as a member of the Committee Vice the Rev. S.C. Burger. Mr. Wilch is reported to be of American birth to have arrived in India about 8 months ago and to have been sent from America to take over the work of the former H.E.L.M.
