To,

H.E. the Rt. Honourable Sir Freeman Thomas,

Baron Willingdon of Ratton,

G.C.S.I., G.C.I.E., G.B.E.

The humble memorial of Mohd. Ali

Raza Khan, son of the late Honorary Captain

Abdul Azeez Khan, Sardar Bahadur of the 21st

Madras Pioneers, residing at Bowenpally

Pension Lines, Secunderabad.

Most Respectfully Sheweth,

That he has after successfully going through the course of Bachelor of Arts of the Madras University with History and Economics as optional subject, appeared for the Degree examination held in April last and he expects a favourable result.

Your excellency's memorialist begs respectfully to mention that he comes of a respectable family. An ancestor of his was Commander in Chief of the armies of Nawab Saadatullah Khan and Anwaruddin Khan of Arcot, his great grandfather was a commandant of Hill Fort of Kilasgarh and Husainabad near Vellore under Nawab Mohammed Ali Khan walajah ruler of the Carnatic an ally of the British and hold out that fort against Hyder Ali Khan of Mysore during his invasion of the Carnatic, his grand father was Subedar Major in the late 52nd Regiment. M.N.I. His late father, Honorary Captain, Abdul Azeez Khan Sardar Bahadur had had a distinguished and meritorious service of 32 years when he retired on a superior rate of pension in April 1895 and particularly after the operation of the Upper Burma field force in 1885-1887, where he saved the lives of few Europeans, he was recommended for the "Order of Merit" and was personally thanked by the late field Marshal Lord Roberts for his gallantry. After his transfer to the pension establishment his father was appointed a SPECIAL MAGISTRATE, MUNICIPAL COUNCILLER and TALUK AND DISTRICT BOARD MEMBER of the town of Vellore and District, where also he rendered good service and was awarded the COMBATANT CERTIFICATE. His services were placed on record

U 3
by various Officers of the Madras Government.

In spite of the distinguished and meritorious services rendered by the father of your excellency's memorialist, he was not lucky enough to get from the Government a Jagir, which is the reward for all Indian Officers holding Honorary Commissions, although he was strongly recommended for one by his Commanding Officer.

After the demise of your excellency's memorialist's father, whatever money could be spared has been spent towards the education of your excellency's memorialist and towards the support of the surviving family members, a widow who is now dead, your excellency's memorialist, an unmarried daughter who is also now dead and another infant son. Your excellency's memorialist is now the sole guardian of a brother.

In consideration of the long military record of his family, of his deceased father's distinguished and meritorious services of the present condition of his survivors and in consideration of your excellency's humble memorialist educational qualifications, he prays that he may be granted a Scholarship to proceed to England to qualify himself as a Chartered accountant.

For which act of kindness, your excellency's humble memorialist and the family members depended on him will ever feel grateful.

Mohd Ali Razakhan

(C.No.2961-A)

Subject:- Application from Muhummad Ali Raza Khan for a scholarship to proceed to England to qualify as a chartered Accountant.

I doubt whether the Government will be prepared to undertake the scholarship in the current year, even should the application be considered favourably on its merits. The Financial Member and H.E recently vetoed the proposal to send Mr. Subramania Chettiyar on deputation to England on grounds of financial stress. In any case, the application may be examined on its merits pending better days.

Is there not another Muhummadan graduate whom we are subsidising for local study with a view to his being sent eventually to ^{England} ~~Government~~ for this same study.

I doubt the necessity of subsidizing
two Muhammed pupils for training as
an Accountant

There is absolutely no
need to send two Muhammeds and for
sting of the same sort. It
is from a bad precedent. The
financial officers will not permit of
subsidizing the applicant - Even
the other one was subsidized & local
sting for training as an Accountant
is difficult to support on public
funds -
