No. 864

Government of India.
Department of Education.
(Education).

Simla, the 18th June 1921.

From

H. Sharp Esq., C.S.I., C.I.E.,

Secretary to the Government of India;

To

The Secretary to the Government of Bengal
the United Provinces.
Education Department.

Sir,

I am directed to refer to section 34 (4) of the Dacca
sections 34(4) and 32(4)

University Act
respectively of the Lucknow and Aligarh Muslim University Acts
on the subject of the admission of students to University
courses.

2. This section provides that "the university shall not,
These sections provide
save with the previous sanction of the Governor General in
Council, recognise (for the purpose of admission to a course of
study for a degree) as equivalent to its own degrees any degree
conferred by any other university, etc." The Government of India
understand that the words "save with the previous sanction of
the Governor General in Council" have given difficulty to the local Govt
In this connection I am to explain that the clause was
introduced in order to maintain a certain degree of uniformity
in the standards of examinations of the different Indian
universities. It was not intended to restrict the powers of the
University in framing regulations affecting its own internal
examinations. It was intended to fix the equivalence of
examinations held by different universities and to frame lists of
those examinations which are regarded as suitable for qualifying
students to enter different universities! These lists, etc.,
would be binding only upon those universities in the case of

(1) To
U.P. only.

which such regulations are enforceable by statutory power; but they might reasonably serve as useful guides in the case of other universities. I am to request—that a list of external or outside examinations which the Dacca University

Universities consider(s) may be recognised as qualifying for admission to its own examinations may be submitted by the University to the Government of India through the local Universities Government. (In the case of the Aligarh Muslim University the ordinances to be framed (which will require the previous approval of the Governor General in Council) will provide for the admission of students to the university and will doubtless contain a list of examinations to be recognised as qualifying for admission on the analogy of the Benares Hindu University regulations.)

3. It is anticipated that the cases in which the Governor General in Council will exercise this power to withhold recognition are likely to be very few.

I have the honour to be,

Sir,

Your most obedient servant,

Sd. H. Sharp,

Secretary to the Government of India.
