Resoln re Provincial School of
the Lawrence Memorial School.

Please set out the resolutions below
& please note. D.P. says that C,
wants one.

Secy.

The resolution regarding
the L.M. School runs as follows:-

Mr. P. Siva Rao

490

(b) That under the head 316
secondary (reserved) lump provision
of Rs. 2,92,000 for the provincial
isation of the L.M. School be
omitted (Budget page 126)

The amount of Rs. 2,92,000
is provided for expenditure on the
L.M. School during 1921-22. The
file dealing with the budget
estimates is submitted linked
for reference. The Govt. of India
have

have promised to sanction a recurring grant of Rs. 2,30,000 and contain both non-recurring grants on the provincialisation of the school and they ~~are~~ ^{are} addressing the Secy. of State in the matter.

(Intimation since recd. that S. of S. was addressed on 21/7/21)

2. Against this expenditure, there are the following items on the receipt side of the budget :-

XXI - B - Education - Secondary.

Fees, interest on endow-	}	Rs.
ments etc. of the L. M.		92,000
School		

XI - Miscellaneous Adjustments between the Central and Prov. Govts.

Assignments on account of the proposed provincialisation of the L. M. School

Recurring

(1) Annual contribution 1,50,000.

3. The contribution of Rs. 1,50,000 was entered with reference

reference to the first offer of the Govt. of India. Their final offer which has been accepted by this Govt. is Rs. 2.30 lakhs. It will thus be seen that against the proposed expenditure of Rs. 2,92,000, there is under receipts in the Est. budget an additional amount of Rs. (92,000 + 2,30,000) 3.22 lakhs. In other words, the expenditure will be more than counterbalanced by the receipts which are made up of Govt. of India grants and fees etc. of the School. As regards the detailed items of expenditure, they are dealt with in the linked file and ~~there~~^{it} does not appear to be possible to reduce them.

~~It~~^{He} ~~may~~^{if the above} be explained to the M.D.C., he may withdraw the Resolution. It may be clearly stated that as regards the expenditure during next year, there does not exist any necessity for assistance from

Provincial funds but it is more than set off by the fees and other income of the school and the Imperial Recurring grant.

5. The file may be submitted to C.
