Item (i) (a) (b) & (c)

The information required is given in para 1 of the D.P.'s letter of the 7th July 1920 on pp 1-2 of G.O. 297 of 1.3.21. The figures given there do not ~~include~~ take into consideration the 15% Compensation for compulsory acquisition.

Item (ii)

Besides the correspondence in G.O. No. 659 of 4.6.20 and no 297 of 1.3.21 there is a good deal of semi-official correspondence in the notes and the matter was largely settled in the letter G.O. If it is considered that the correspondence should be placed on the table it is for orders whether it will not be sufficient to publish only the letters printed in G.O. 297 of 1.3.21. That will not be considered.

A draft answer will be put up after orders are passed as sufficient. In order.

It may be noted that the estimate

is also referred to in Mr Tottenham's
 D.O. of 27th March 1921 to the Honble
 Sir Lionel Davidson, but this has
 been treated as 'confidential'. The
 additional member (M.L.C.) cannot
 therefore have access to this. For order
 whether the papers may be simply
recorded.
