No. 685-1

Station Madras, Dated the 28 July 1921.

From (Name) T.H. Cravely Esqr., D.Sc.,

(Designation) Superintendent, Government Museum

MADRAS.

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir,

I have the honour to request your sanction for the purchase of one gross of Kilner jars for the storing of the Museum specimens. Since the commencement of the war it has been almost impossible to get jars suitable for this purpose, and up to the present I have had to fall back on our reserve stock of good quality exhibition jars. This stock has already, however, been almost exhausted; and the jars are in any case much too good and too costly to be permanently used for this purpose.

The new Invertebrate Galleries cannot be supplied with specimens till these have been collected and identified. And the work of identification involves the building up of a reserve reference collection.

I have just heard from the Ag. Director of the Zoological Survey of India that he has now succeeded in obtaining Kilner jars suitable for storage purposes from a European or American firm whose address I am expecting daily ; and I therefore request that I may be permitted to order $\frac{1}{2}$ gross 1 lb. and $\frac{1}{2}$ gross 3 lb. jars immediately at a probable total cost of £9-3-0 (price £4-18-9, packing £1-5-5, freight £2-18-10).

in No. 95-8 (24-6-21) As pointed out in my letter No.669-1 dated the 8th June 1921, the present method of obtaining stores from Europe is extremely slow and unsatisfactory. Indents are sent in May based on a forecast submitted in August of the previous year and the supply reaches us by January of the next year at the earliest. Some of the items indented for in May 1920 are still remaining uncomplished for one reason or other in spite of the efforts of the Director-General of Stores to secure them in time. - Vide copy of letter from the Deputy Director-General of Stores, London, No.S.10552, dated the 16th June 1921, communicated with Law (Education) Endorsement No.2015 B-1 dated the 11th July 1921.

As the Zoological work of the Museum will be brought *almost* to a standstill ~~about~~ unless the necessary jars are obtained at once I hope that I may be permitted to order them direct as is always done by the Zoological Survey of India.

I have the honour to be,
Sir,
Your most obedient servant,

J. H. Grady.
Superintendent.
