From (Name) R.G.Grieve Esq., M.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

Through the Accountant General, Madras

In continuation of my letter R.C.No. 7251/20 dated 5th January 1921, I have the honour to submit the following adinterim proposals for the formation of three additional Inspectors' Circles on a temporary footing.

- There are at present 16 circles on the whole. A statement showing particulars regarding area, population, institutions and scholars of the districts forming parts of the circles comprising more than one district is appended and with reference to these statistics I now propose to apply for sanction for the creation, with effect from the 1st May 1921, three additional circles by the separation of
 - Ganjam and Vizagapatam
 - Guntur and Nellore
 - Madura and Ramnad.

It

It is true that Nellore by itself will be relatively a light charge, but its extent is considerable and there is much room for development in that district. The headquarters of the new circles may be identical with the revenue headquarters of the respective districts and the numerical strength of the establishment and its scale of pay ^{the} same as that sanctioned in para 3 of G.O.No. 1426 Home (Education) dated 4th December 1920 until the revised scales of salaries now under the consideration of Government are introduced.

3. Now that there will be 19 circles, it seems to me desirable from the point of view of ~~the~~ convenience to designate all the Inspectors by the name of the District or Districts under their charge.

4. Agreeably to the policy hitherto adopted, it might be possible to hold in abeyance with effect from the date of constitution of the additional circles, three posts of Assistant Inspectors in the Madras Educational Service and the posts of clerks and peons in their offices. I, however, propose the temporary suspension of two posts as with a separate Agency Commissioner in charge of the Ganjam, Vizagapatam and Godavari Agencies, I consider it ~~expedient~~ expedient and desirable for the reasons given in my letter to Government R.C.No. 11871/20 dated 5th April 1921 to attach an Assistant Inspector in the Madras Educational Service with the necessary establishment to the above officer to advise him and co-ordinate the educational work in the Agency tracts.

5. From the date of introduction of the additional Inspectors' Circles, it will not also be necessary to keep in District charge ^{three} ~~these~~ of the Assistant Inspectors recruited from the ranks of Sub Assistant Inspectors and ^{to maintain} their entire establishment. To provide for these men and for the 18 additional appointments of Sub Assistant Inspectors about which sanction has been applied for in my letter R.C.No. 4266/20 dated 13th January 1920 read in Government Memorandum No. 3519 A-2 dated 31st January 1921 the existing ranges will be redistributed which, when actually formed, will enable us to attain very nearly

nearly our aim of having one Sub Assistant Inspector for each Revenue Taluk.

6. The financial aspect of the scheme will be as shown hereunder.

Subject. Appointment of three additional Inspectors of Schools.

There are at present ~~sixteen~~ sixteen Inspector circles. The D.P.S. proposes to add three more with effect from 1st May 1921 pending sanction to the main scheme for the strengthening of the superior inspecting agency. In that scheme it has been decided to appoint an Inspector for each district ⁱⁿ the Presidency. ~~at~~ The file on the subject is now in circulation.

2. The D.P.S. desires that the new circles may be created as a temporary measure to begin with. Toward the close of last year sanction was accorded to the ^(temporary) increase of inspectors' circles from thirteen to sixteen. The A.G. then stated that, as an ad interim measure, the proposals could be sanctioned by the local govt. The A.G.'s remarks on the Director's present communication have not yet been received.

It is understood that the S.P. 9 has forwarded a copy of his letter through that officer. His endorsement may be awaited.

The A.G. states that there is no and objection to the proposal being sanctioned by this Govt as an ad interim measure pending submission of the main scheme to the Secretary of State within the next two years.

As stated on page 1 Supra the file relating to the proposal to appoint a separate Director in the I. E. S. for each district in the Presidency is in circulation and it is very likely that that proposal will be submitted to the Govt of India soon. The present proposal of the Director to constitute three additional circles temporarily may, therefore, be sanctioned as an ad interim measure.

constituted, the D.P. I state that three Assistant Inspectors in the Madras ed. service & three in the Subordinate ed. service will be relieved from their present duties. He proposes to employ the three latter as ordinary sub assistant inspectors in charge of ranges. Of the three officers of the M.E.S one is to be employed as special inspecting officer for the agency tract & the ~~two~~ two remaining posts & their establishments ~~are to~~ ^{are to} be kept in abeyance. The question of the employment of an ~~inspect~~ inspecting officer for the agency is separately under consideration. Pending sanction to that proposal all the three posts ~~of~~ in the M.E.S may be ordered to be kept in abeyance. The proposal to employ the ~~off~~ three officers of the sub. ed. service as ordinary sub assistant inspectors may be approved, in view of the fact that the need for strengthening the subordinate inspecting establishment ~~has~~ ^{is} felt. There is a lump provision of Rs. 2000 in the current year's budget for the employment of additional inspectors.
