Station Madras, Dated the 14th January 1920

From (Name) R.G.Grieve Esq., M.A.
(Designation) Ag. Director of Public Instruction,
Madras.

To The Secretary to the Government of Madras,

Home (Education) Department.
through the Accountant General, Madras.

Sir,

In their order No.660 Home (Education) dated 19th
May 1917, Government approved the proposal to raise the
model school attached to the Government Hobart Secondary and
Training School, Madras, to the secondary grade as an
experimental measure, and also sanctioned the opening of a
fourth form and the revision of salaries of the establish-
ment temporarily for two years with effect from the 1st
July 1917. The continuance of the secondary school for a
further period of two years and the opening of a fifth form
with

with an additional temporary teacher on Rs150 per mensem were sanctioned in G.O.No. 278 Home (Education), dated the 5th March 1919. When the VI Form was opened in July 1920, an additional temporary teacher on Rs.150 per mensem was sanctioned for one year in G.O.No.480 Home (Education), dated the 22nd April 1920. The institution has thus developed into a complete high school, the present strength of the several classes being as detailed

in the margin. The secondary section which has been in existence for 3 years has met a real need of the Muhammadan community and I therefore strongly recommend that it be permanently retained with effect from the 1st March 1921. The strength of the higher forms, though rather low at present, will gradually increase, when this section is permanently retained and the

school is adequately staffed.

2. As the success of schemes for the advancement of the education of Muhammadan girls depends to a very large extent on an adequate supply of qualified Muhammadan women teachers of the secondary grade, I am of opinion that the time has come for attaching a secondary training class to the Hobart School, Royapettah, and request that Government may be pleased to accord sanction to my proposal from the 1st July 1921.

3. The permanent retention of the secondary school, and the opening of a secondary training class call for a reorganization of the staff and establishment to suit the changed conditions. In their Memorandum No.3260 A-2, dated the 2nd December 1920, Government approved my proposal to include the post of superintendent in the Indian Educational Service and that of the Headmistress of the secondary section in the Provincial Educational Service. As regards the rest of the staff, I

submit

submit the following proposals for favour of sanction.

4. Though according to rules 23, 28 and 69 of the Madras Educational Rules, 3 graduate teachers exclusive of the headmistress are necessary for Forms IV to VI, still, in view of the poor strength of these classes, I consider that two graduate teachers will suffice for the present and accordingly recommend that the two existing posts on Rs.150 each per mensem be placed on an incremental scale of Rs.150-5-175 each per mensem. A higher rate of pay has to be given to induce trained Indian graduates to continue to work in a Muhammadan school in which a knowledge of Hindustani is required and where gosha arrangements are enforced. For this reason, if Government are not disposed to sanction an incremental scale at present, it will be necessary to raise the minimum of Rs.150; otherwise the teachers who have been in receipt of this salary for the past 2 or 3 years may not be willing to continue to work in a gosha school.

5. There are 9 sections in class I to Form III for which at least 9 teachers are required. The lower classes of the institution are at present staffed mostly with elementary grade teachers whom I intend to replace by teachers of the secondary grade as they become available. The sanctioned scales of pay of the remaining part of the staff of this section are Rs.125-5-150, Rs.100-5-125, Rs.75-5-100, Rs.50-5-75, Rs.40-2-50, Rs.30-2-40 and 4 on Rs.20-1-25 each per mensem. As it is not possible to secure secondary grade women teachers possessing a knowledge of Urdu for a salary less than Rs.40 per mensem, I recommend that in lieu of the 4 posts on Rs.20-1-25 each per mensem, one on Rs.40-2-50 and 2 on Rs.30-2-40 each per mensem may be sanctioned. These three together with the remaining six posts mentioned above will then suffice for the 9 sections in class I to Form III.

6. The training department consists of 4 sections, with a strength

strength of 24 as noted in the margin. There will be six sections

* Class		Strength	
Elementary	Higher	(Senior)	4
		(Junior)	2
	Lower	(Senior)	11
		(Junior)	7

in July next with the opening of the secondary and preparatory training classes. The number of teachers sanctioned for this department is 3 on Rs.80-4-100, Rs.60-4-80 and Rs.40 per mensem respectively.

I propose the appointment of a graduate assistant on Rs.15-5-175 in view of the opening of the secondary training class next July. As the strength of this department is small, these 4 teachers together with the superintendent and the teachers of special subjects will suffice for the present.

7. The teachers of special subjects now in the school include a Drawing mistress on Rs.40-2-50 two needlework mistresses on Rs.25 and Rs.20 per mensem respectively and a teacher of English singing on Rs.60 per mensem. The pay of the Drawing teacher was fixed at Rs.40-2-50 when the school was of the elementary grade and when the work of the teacher was mostly confined to the training department. The transformation of the model school into a complete high school has increased the work considerably and I therefore recommend that the pay of this post be raised to Rs.50-2-60.

As regards the Needlework section, the Inspectress of Girls' Schools, Central Circle, reports that there is distinct taste for handwork among the women of the Muhammadan community and that the subject will have educative value if taught as an art, and recommends the appointment of an expert teacher of fine needlework with a Muhammadan woman assistant. The recommendation commends itself to me and I accordingly request that a senior instructor on Rs.50-2-60 with an assistant on Rs.30-2-40 per mensem may be sanctioned in lieu of the two posts on Rs.25 and Rs.20 per mensem respectively.

Provision has also to be made for imparting satisfactory instruction

instruction in Urdu (Hindustani) in the high school classes and I therefore recommend that sanction may be accorded to the employment of a Hindustani munshi (woman) on Rs.50-2-60 per mensem.

8. The establishment of the school consists of a clerk on Rs.25-1-30 per mensem and two peons on Rs.9 each per mensem. As the institution is one attended by gosha girls, the clerk must of necessity be a woman. The Inspectress has not found it possible to secure the services of a suitable woman clerk on the present salary, with the result that frequent changes occur and the office work suffers. I therefore recommend that the pay of the post be fixed at Rs.40 per mensem.

9. I enclose herewith two statements (enclosures A and B) showing respectively the scales of staff and pay as they are at present and as they will be when these proposals are sanctioned.

10. The extra average expenditure involved by these proposals amounts to Rs.352 11/12 per mensem or Rs.4235 per annum excluding the extra cost on account of the inclusion of the posts of superintendent and headmistress in the Indian Educational Service and Provincial Educational Service respectively.

11. Provision has also to be made for stipends for 6 students under training in the secondary grade at Rs.14 per mensem plus a guardian allowance of Rs.5 per mensem. The extra expenditure in 1921-22 will amount to Rs.3612 as detailed hereunder and this may be a charge against the Rs.58000 entered in the Budget Estimates for 1921-22 on account of additional secondary schools for girls etc:-

Govt Hobart Secondary and

Women, Rongpettah.

[C. no 282B] from the D.P.D. no 1893/W.B. 14.1.21

In the circumstances explained in paras
1 & 2 the proposals of the D.P.D. to retain permanently
the Secondary section attached to the Hobart School,
with effect from 1.3.21 and to ^{open} ~~attach~~ a Secondary
Training class from 1st July 1921, may be accepted

2. In para 4 ^(- page 3) Cf. the D.P.D. proposes to raise
the pay of the two temporary posts on Rs 150 p.m. to
Rs 150-5-175. Mr Kuapp has not suggested any
definite scale of pay for teachers in Training
Schools for women, but seeing that for graduate
male teachers he has recommended Rs 100-5-150-10-
250, the scale of Rs 150-5-175 for graduate women
^(with a knowledge of Hindustani)
teachers already on Rs 150, does not seem to be
excessive & may be accepted. ~~with pay ranging from 20-1-25 to 125-5-150~~

3. There are at present ten teachers for
Class I to ~~Class III~~ ^{Class IV}. The D.P.D. proposes to retain
nine teachers. ~~It is ^{the} only 8 teachers (not~~
~~nine as reported in the C.P.D.) 8 teachers will be 2 of~~
~~present~~ The Director suggests the retention of
the first six ~~teacher~~ posts on their present pay and
the conversion of the four remaining appointments
all

all on 20-1-25 each, into one on 40-2-50 & 2 on 30-2-40.
~~of the school to be situated in the~~
~~and the school to be situated in the~~
~~the school to be situated in the~~
This may be submitted.

4. The ^{employment of} ~~proposed~~ an additional graduate assistant on 150-5-175 for the Training Section may be ^{accepted} ~~accepted~~ - ^{Para 6-} ~~Para 6-~~ ^{pp 3-4} Cf.

5. In the circumstances explained in para 7 on p. 4 Cf. the D.P.D. recommends an increase in the pay of the Drawing Mistress from 40-2-50 to 50-2-60. In the Presidency Training School for Women, Egmore and the Secs and Training School for Women, Triplicane, the Drawing mistresses are paid Rs 40-4-60 p.m each. For order whether the same scale of pay may be fixed for the Hobart School also.

6. In the Egmore School there is an industrial mistress on Rs 50 p.m and in the Triplicane School there is a combined drawing and needlework teacher on Rs 100-5-125. Considering the ^{special} ~~special~~ nature of the Hobart School the D.P.D.'s proposal to employ an expert teacher ^{for} of fine needlework on Rs 50-2-60 with a muhammadan assk on 30-2-40 in lieu of the two existing posts on Rs 25 & 20 p.m. may be accepted.

7. A Hinduastani (woman) munshi on 50-2-60 and a woman clerk on Rs 40 in lieu of the existing post

post on 25/1/21 may also be sanctioned.

4 Training section - Para 6 of D.P.'s

letter on pages 3-4 cf. and para 4 of Edth note on page 2 ante. In view of the scale allowed to the Training section of the the Govt. Secondary and Training School, Triplicane, the appointment of another graduate assistant & in the Hobart school may be accepted. As regards rate of pay, the D.P.I. proposes a scale of Rs 150-5-175 for the reasons stated by him in regard to the graduate assistants in the Secondary school - para 4 of D.P.'s letter on page 3 cf. It is not clear whether the D.P.I. proposes to allow temporary increase of pay to this assistant in addition to the pay of Rs 150-5-175. Pending final decision as to the standard scales to be adopted for Women L.T. Teachers, (which will be settled shortly), it does not appear that an incremental scale should be laid down for the new post proposed. Recently in connection with the employment of an additional teacher for ~~the~~ the Cannanore girls' high school, the D.P.I. stated that Women L.T.'s could be got for Rs 125. On the other hand, considering the scale allowed in the Triplicane school, a pay of Rs 150 will be admissible for the new teacher asked for the Hobart school. For orders whether it will not suffice if a pay of Rs 150 with temporary increase is sanctioned for the present for the new teacher.

5 Secondary school - Paras 4 and 5 of D.P.'s

letter on page 3 cf. and paras 2 and 3 of the Edth note

on pages 1-2 ante. The proposals here can be classified under the following heads:-

(i) Raising the pay of the two graduate assistants from Rs 150 to Rs 150-5-175; and

(ii) Conversion of the posts on Rs 20-1-25 into 3 posts - one on Rs 40-2-50 and 2 on Rs 30-2-40.

There does not appear to be any immediate necessity for ~~the abolition of one of the posts on Rs 20-1-25~~ sanctioning the rates of pay proposed by the D.P.S. ~~as proposed at once~~ For the reasons stated in

para 4 above, item (i) need not perhaps be sanctioned until standard scales are fixed. Item (ii) also may be postponed for the present except the abolition of a post on Rs 20-1-25 which may be sanctioned at once.

6 Common Section - Paras 7 and 8 of D.P.S.

letter on page 4 ⁵ and paras 5-7 of Ed's note on pages 2-3 ante. The proposals here relate to the employment of a hindustani munshi on Rs 50-2-60 and the revision of pay of the drawing mistress,

needlework instructors, and the clerk. The employment of a hindustani munshi may be accepted. The pay of the post may for the present be fixed at Rs 50. The revisions proposed in the case of the

drawing mistress ^{(and the} needlework instructors ~~and the~~ ~~posts~~ should, it seems, follow standard scales which will be fixed shortly. For orders whether

Ed's may be ~~fixed at~~ requested to defer consideration of the question for the present. The pay of the clerk ~~may be fixed at Rs 30-0-0 or Rs 30-0-0 or Rs 30-0-0 or Rs 30-0-0~~

will in due course be fixed at the lowest scale that will be allowed for clerks in the City.

7. The D.P.S. proposes to meet the extra expenditure

p. 5. CF.

in 1921-22 from the provision made in the next year's budget for additional secondary schools for girls etc.

The provision made in the budget was Rs 10,000 and of Rs 58,000 made by the D.P.S. has been reduced by Govt. to Rs 18,000. If the extra expenditure on account of the present proposals cannot be met out of the sum provided by the Govt., the additional sum required will have to be found by the D.P.S. by reappropriation.

If the cost cannot be met from the Rs 18000, the proper alternative I think would be to postpone & make specific provision in the budget for 1922-23

2. Pending ^{all} general revision of pay of all women teachers, the suggestions of Financial may perhaps be accepted except in regard to II (1) ~~on p. 8~~ and regarding the revision of pay of the two graduate assistants already of Rs 150 p.m. In the circumstances stated at A on p 3 C.F. it is submitted that the revision of the pay of these assistants cannot be postponed ^{as the teachers would not be willing to continue in the school.} If Financial cannot accept the circumstantial scale of Rs 150.5.175 they may be requested to consider whether they will be prepared to raise the minimum of Rs 150 as suggested by the D.P.D. in para 4 on page 3 C.F.

A. We can say that the question of revision is under consideration and will come shortly. I accept final rules for the present.

But what about funds?

W 7/4/21

The D.P.D. proposed to meet the expenditure from the sum of Rs 58,000 which he entered in the Budget estimates for 1921-22 on account of additional

additional Secondary Schools for girls etc.
 This provision however has reduced by the
 financial dept. to Rs 18,000. If he cannot
 meet the extra cost involved from this reduced
 provision of Rs 18,000 he may be able to find
 the money by reappropriation of funds. He may
 be asked not to incur any expenditure on this
 account before obtaining specific sanction
 for such reappropriation. Presumably Finance will
 have no objection to this arrangement.

2. A draft order is submitted for approval.

It may be sent to Financial for
 acceptance & for giving a sanction no.

Finance Dept.

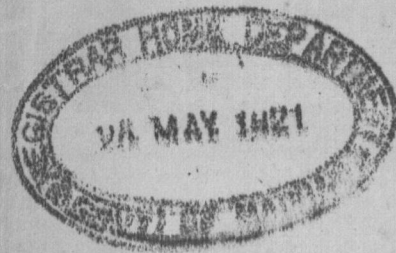

Please see notes from page 3 ante. With
 reference to the notes on page 7 ante, Law (Ed)
 may be requested to ascertain from the D.P.D.
 (before ^{the revision} ~~the revision~~ is sanctioned) whether the additional
 cost involved in the proposals now to be sanctioned
 can be met from the provision of Rs 18,000
 made in the budget for additional secondary
 schools for girls etc. and if not whether the scheme
 cannot be postponed till 1922-23.

2. In para 4 of the Finance Dept note

on page 5 ¹¹ ante, it has been suggested that
an extra graduate teacher on Rs 150 plus
temporary increase may be sanctioned for
the training section on the presumption
that the D.P.D. has suggested the scale of
Rs 150-5-175 exclusive of the temporary
addition. Submitted that Ed^y may be
requested to make sure that the presumption
of ^{Finance Dept} is correct before the teacher is declared
eligible for the temporary increase. The
D.P.D. may also be asked whether the hindustani
Woman munshi should be given the temporary
~~addition~~ increase in addition to a pay
of Rs 50.

3. The post of Supt^t of the Hobart school
is temporary at present. In suggesting that
the post should be included in the J.E.S., the
Govt. have stated that ^{it} ~~the post~~ will remain
temporary even after inclusion in the J.E.S.
O - para 6 of letter 1415 Ed^y 3-12-20. The
permanent retention of the post in the J.E.S.
will require a further reference to the Govt.
of India.

4. The present temporary post of
head mistress has been included in the
Madras Ed^y service (Women's branch). This
not clear whether Ed^y intend to sanction
this post permanently. If so, the point may

be brought out in the draft. The ¹² other posts, which are now to be retained permanently may also be specified in the draft.

The additional cost involved cannot be met from the provision of Rs.18,000 made in the current year's budget for additional secondary schools for girls. It may, however, be met from the provision of Rs. One lakh for opening additional training schools for masters and mistresses.

I do not press for the temporary increase of pay sanctioned for higher prices being granted to the additional graduate assistant on Rs.150-5-175 per mensem for the Training section. It is necessary, however, that the temporary increase of pay should be granted to the Hindustani/Munshi ^{woman} as it is doubtful whether we shall be able to obtain a suitable and qualified person even on Rs.50-2-60 per mensem plus temporary increase of pay.
