Station M a d r a s, Dated the 26th January 1921.From (Name) R. G. Grieve, Esq., M. A.,(Designation) Ag. Director of Public Instruction,M a d r a s.

To The Secretary to the Government of Madras,

H o m e (Education) Department./Through/ The Accountant-General, M a d r a s.

Sir,

In their order No.199 Home(Education) dated 10th February 1920, Government sanctioned the further retention up to the end of February 1921 of the post of Peripatetic teacher of music for European Schools and for the Presidency Training School for mistresses, Egmore, on a consolidated salary of Rs.210/- per mensem under G.O.No.348 Home(Education) dated 10th March 1919. Miss E. Iles who was reengaged ^{with effect from the 28th January 1921} will continue to hold the post up to that period. I have the honour to recommend that the post be now permanently retained and included in the Provincial Educational Service for Women. In this office letter R.C.No.1800/20 W.B. dated 6th December 1920 I have recommended the payment of an allowance of ~~Rs.120/-~~ Rs.120/- per mensem to miss. Iles for teaching English sing-

singing in the Government Secondary and Training School for mistresses, Triplicane and in the Government Hobart Secondary and -- Training School for Muhammadan mistresses, Royapet, in addition to her present consolidated pay of Rs.210/- per mensem. I now recommend that her services may be retained permanently and that she may be given a starting salary of Rs.350/- per mensem in the Provincial Educational Service ~~scale~~ with effect from the 1st March 1921 in consideration of the additional work proposed below:-

At present her duties are (1) Supervision of the teaching of singing in the European Schools in Madras, (2) Holding a Teachers' class on Saturdays at the European Special Subjects Training Centre Egmore, for the benefit of European teachers, (3) Teaching singing in the Presidency Training School for mistresses, Egmore, the Government Hobart and Triplicane Secondary Schools.

If my proposals are approved by Government, I ^{propose} to assign the following additional work to Miss Iles.

1. To supervise the teaching of singing in the nine Indian Girls High Schools in the City of Madras.
 2. To hold a weekly class for the Indian teachers who are desirous of obtaining special certificates in singing.
2. In the Budget Estimates for ~~the~~ 1921-22 which is now before Government provision has been made for her present salary of Rs.210 / per mensem under "22-E-Government Schools-General-Secondary Schools for Girls". If my proposal to give her a starting ~~salary~~ pay of Rs.350/- in the Provincial Educational Service for Women with effect from the 1st March 1921 is sanctioned, I request that the necessary increased provision be made in the budget for 1921-22. In this event the amounts relating to the two posts of music mistresses on Rs.60/ each sanctioned in G.O.No.1274 Home(Education) dated 1st November 1920 which will not be required may also be taken as possible savings.

2. There is no audit objection to the proposal of the Director of Public Instructions being sanctioned by Government in the Finance Department under Rule III 10(2) on page 18 of the Book of Financial Powers. It is however observed that as the scale sanctioned for the Madras Educational Service, Women's Branch is Rs.200-20-400-25-500 a pay of Rs.350/- does not correspond to ~~an~~ a definite stage in the scale.

(V) No. 348-49 of 19.3.19. The pay of Miss Mrs. Peripatetic teacher of music, was fixed at Rs 240 p.m (Rs 150 for peripatetic ~~tea~~ work in European Schools in Madras, + Rs 30 for teaching singing to the students in the Training Section of the Presidency Training School for mistresses Egmore + another Rs 30 for similar work in the model section of the same school.)

Hobart Training School, Royapettah. In the circumstances stated in the current letter (pp 1-2) the D.P.D. recommends that Miss Mrs. should be employed for teaching music in these two schools as well and that she should be allowed to draw an additional sum of Rs 120 p.m for this increase in work. current file

The A.G. in his letter d 3-1-21 states that there is no audit objection to the proposal of the D.P.O. being sanctioned by Govt. under art 161 of the C.S.R. The effect of the application of this article would be that all the appointments which Miss Gles is now holding and may have to hold hereafter should be combined as a single charge and salary fixed for the combined appointment. If this is done, a consolidated salary of Rs 330 has to be sanctioned for all the charges. It seems however more appropriate to apply the provisions of art 162 of the C.S.R. to the present case, which restrict her salary to Rs 210 only + nothing more.

G 9 M 264 d 12 ⁴/₁₉ (R)

But under rule 2 to that article, the proviso in clause iii may be dispensed with by the L.G. for special recorded reasons, if it is considered that the salary to which an officer would be limited by this proviso is not enough.

As special reasons exist in this case, (vide D.O. 9's letter. C.F.), Miss Gles may be given under clause ii of art 162 the cost $\frac{1}{2}$ of Rs 60 for each of the two posts sanctioned in G.O. No 1274 d 1-11-20 bringing her emoluments to a total of Rs 210 + 30 + 30 = Rs 270 instead of Rs 330 as recommended by the D.O. 9.

2/ Further it is submitted that the two posts at Rs 60 each ^{are} sanctioned at the time, on the assumption that anything less ^{than} that sum would fail to attract competent teachers for the purpose and that the posts would be held by ^{different} ~~separate~~ individuals. As Miss Gles is now to undertake the duty in both the institutions in addition to her preparative work, it appears sufficient to grant her only Rs 30 for each of the two institutions, ~~at the same~~ at the same rate fixed for her odd work in the Training + model sections of the Orissa Training School, Bhubaneswar.

p to C.F.

In proposing to assign certain additional duties to Miss Dales, the D.P.D. recommends that she be included in the M.E.S (Women's branch) with a starting salary of Rs 350 p.m. She is now in receipt of ~~Rs 210 p.m.~~ Rs 210 p.m (Rs 150 for her work in the European Schools, Rs 30 for work in the Presidency Training School for mistresses, Egmore Training Section & Rs 30 for similar work in the model section of the same school) It is now proposed to entrust to her the work for which two posts of Rs 60 p.m. each were sanctioned in G.O. no. 1274 d/b 1.11.20 for the Triplicane and Royapettah Training Schools for mistresses. If article 162 C.S.R. is applied in this case she will not get anything more than what she now gets ^{viz} Rs 210 p.m. But under note 2 to that article, the proviso in clause iii may be dispensed with by the Govt for special recorded reasons, if it is considered that the salary to which an officer would be limited by this proviso, is not enough. As special reasons exist in this case (vide D.P.D. - C.F.) Miss Dales may be given under clause ii of article 162 C.S.R. half of Rs 60 for each of the two posts sanctioned in G.O. no 1274 d/b 1.11.20. which will ^{total} bring her emoluments to Rs 210 + 30 + 30 or Rs 270 p.m.

(J)

old article 162 - as amended by a correction slip.

Further it is submitted that two posts on Rs 60 p.m. each were sanctioned at the time, on the assumption that anything less than that sum would fail to attract competent teachers for the purpose and that the posts would be held by different individuals. As Miss Isles is now to undertake the duty in both the institutions at Triplicane & Roggpettal in addition to her peripatetic work it appears sufficient to grant her only Rs 30 for each of the two institutions.

p 10 CF

It is proposed to entrust her with other additional work such as supervision and teaching of singing in the Indian girls' high schools in the city of Madras, etc. Even taking this into consideration it would seem sufficient, in view of the prospects of a permanent job with further increments, to start her on Rs 280 p.m. in the scale of Rs 200 - 250 - 400 - 250 - 500. The D.P.D. may be requested to state if he has any objection to this proposal.

From enquiries which I have made I understand that Miss Iles will not accept anything less than Rs.60 for two hours work on two different days in the week in each case in the Hobart and Triplicane schools nor is she willing to give her full time to Government for the combined duties proposed on any smaller initial salary than Rs.340 per mensem. The alternatives, therefore, are either to continue the present arrangement whereby Miss Iles is a part time teacher on Rs.210 per mensem or to retain her services as a full time officer of Government on an initial pay of Rs.340 per mensem. I quite appreciate the points urged in the Secretariat notes but we are dealing with a professional woman whose teaching and work are greatly superior to what we could obtain from any substitute. Those who are competent to criticise her work have a great admiration for its quality and results. On educational grounds, therefore, I should like to retain her services as a full time officer of Government.

1/1-2 C.F. J
In my letter R.C.No.1800/20 W.B. dated 6th December 1920 I stated that Miss Iles had agreed to undertake the work in both the schools on a remuneration of Rs.60 each per mensem sanctioned in G.O.No.1274 Home (Education) dated 1-11-20. Miss Iles has been doing the work for the past four months and payment will have to be made for this time. She will, however, be informed that her work in the Triplicane and Hobart schools should cease

In the circumstances stated on p. 13 ante it is for orders whether Miss Sales will be employed as whole-time teacher on an initial salary of Rs. 340 p.m.

2. The D.P.D. now reports that she has been doing work for the past four months in the Triplicane and the Hobart (Royapettah) Training Schools also and that she will have to be paid for this work separately. In para 2 of G.O. 1274 of 1.11.20 sanction has been accorded for the employment of two teachers on Rs 60 p.m. each for the two schools.

The D.P.D.'s action in having employed Miss Sales for the work in both the schools for an ~~additional~~ remuneration of Rs 120 ^{p.m.} in addition to her pay of Rs 240 p.m., seems to be ~~an~~ irregular. ^{But as she} had already been engaged on Rs 60 ~~as to what remuneration should be offered for her~~

2. Miss Des is already teaching English music in Egmore School: surely M. I does not intend this to stop.

3. We have not been able to introduce ^{music} Henderson in Hobart's school: if this be not so, that school will have to do without any music whatever.

4. Further there is a great demand for English music in Madras City; the power of like accomplishments is the best movement for intercourse.

5. Under these circumstances, may I request a reconsideration of the order? At any rate, this aunt has been promised in anticipation of S. & Mrs. Des has been already doing the additional work. So for the date of her doing so till her additional services are discontinued, we had better pay the additional salary?

C.No. 1472 B- from the D.P.I. no 1465 & 26.1.21

With reference to his letter read above, the

Director of Public Instruction may be informed that it is

proposed to disallow his proposal for ^{engaging the services} of Miss Iles for teaching music in ^{Triplacane} ~~Indian~~ girls' schools.

This information is given to enable the Director of Public

Instruction, if he thinks fit, to lay his views personally

before the Minister ^{in charge} or His Excellency the Governor.

Before final orders are passed I should be grateful if the Minister in charge and His Excellency the Governor will be good enough to peruse the following note on this subject:- If after perusal it is still decided to disallow the proposal of the D.P.I to engage the services of Miss Iles for teaching English Music in the Triplicane and Hobart Girls' schools, I do not ^{propose} ~~propose~~ for an interview to lay my views personally before the Minister in charge or His Excellency the Governor:-

Government have already sanctioned the appointment of a teacher of Indian music in the Triplicane girls' school.

G.O. 1274 (J)

school. In November 1920 sanction was also accorded by Government to the employment of a music teacher on Rs.60 per mensem for the purpose of teaching English singing to the pupils and students of the Triplicane school. Prior to November of last year the girls attending the Triplicane school were so anxious to have English music taught to them that they were subscribing from their own pockets, or rather from the pockets of their parents, for the employment of a teacher of English music. The girls themselves, or their parents, demanded that English music should be taught to them.

The Hobart school is attended by Muhammadan girls. Muhammadans are generally opposed to instruction in Indian music being given to their girls. There is thus no instruction in Indian music given in the Government Hobart school. The pupils, however, desired instruction in ~~Indian~~ music and Government sanctioned in November 1920 the employment of a music teacher on Rs.60 per mensem for the purpose of teaching English singing to the pupils and students of the Government Hobart school. If the services of Miss Iles are not to be obtained for teaching music in the Hobart school it will be necessary for the Director to search for some other person to teach music in this school or to do away with the teaching of ~~English~~ music altogether in the school.

I am not

I am not acquainted with the reasons which led Government to propose to disallow the Direct proposal for engaging the services of Miss Iles teaching music in the Triplicane and Hobart Girls schools but it is common knowledge that there is no other person in Madras so well qualified for the teaching of English music as Miss Iles. She is an associate of the Royal College of Music and an associate of the Trinity College of Music. The only person in Madras who was available for teaching music and who held good qualifications was Miss Rozario but she has now left Madras, I understand. If then Miss Iles' services are not obtained we shall have to employ some person of inferior musical abilities to give instruction in our largest secondary and training schools in this presidency for Indians and Muhammadans respectively, or English music will have to be abolished from the school course.

After receipt of the Government Order sanctioning the employment of a Music teacher on Rs.60 per mensem in the Triplicane and the Hobart schools Miss Iles was employed and has been giving instruction in these schools for some time. She has not, however, drawn the salary which was sanctioned by Government for the teaching. Whether or no she has a legal claim for this salary I am not in a position to state but I am inclined ^{to think} that she has. Even if

Government is not prepared to sanction the further employment of Miss Iles as music teacher in the Triplicane and Hobart schools it is desirable that Government sanction her employment from November 1920 up to the present time.

(was prior to November 1920 and still is)
Miss Iles ~~is~~ employed as a part

time teacher and receives Rs.150 per mensem for instruction in European schools and Rs.60 per mensem for instruction to the students under training and to the pupils of the Presidency Training school Egmore. The salary of Miss Iles has been included in the Civil Budget Estimates for 1921-22, which have been communicated to me, under Indian Education. This appears to me to be wrong and my office does not appear to have been consulted when the classification was made. The major portion of her salary should be included under European Education and only the minor portion under Indian Education.

P. T. Q.

After carefully considering all the points raised by the D.P.I. in pages 21 and 22 ^{ante} C.F., I am unable to concur in the views expressed by him. As far as I am able to ascertain, the opinion of some M.L.Cs. is against teaching of English music in Hindu Girls' Schools. It has been very strongly put to me, "Is the culture of Hindu Music to be neglected to give preference to foreign music". It is open to individual pupils to cultivate English music also. It is difficult for -- Indian girls generally to appreciate English music just as English girls feel about Hindu music. I do not by any means minimise the proficiency of the teacher whose services are sought to be made permanent. She holds a temporary post and is a part-timed one and was primarily intended to teach in European Schools. On principle, I am unable to support the D.P.I., and the public opinion is strongly opposed to it. The provision made in Triplicane High School and in the Hobart School separately on Rs.60 each for Indian music and the inclusion of the other girls' schools within the range of the English music tutor is very extraordinary.
