From (Name) R. Littlehailes Esq., M.A.,

(Designation) Director of Public Instruction,

Madras.

To The Secretary to the Government of Madras,

L a w (Education) Department.

Sir,

(E)

In their order No. 1276 Home (Education) dated 1st November 1920 Government sanctioned the continuance of the Elementary School for Muhammadan girls at Perambur for another year from 1st July 1921 and also the employment therein of an additional teacher on Rs. 13 per mensem. As the above sanction expires by the 30th June 1921 and as the Inspectress of Girls' Schools, Central Circle reports that the school is needed in the locality, I have the honour to recommend the continuance of the school for a further period of one year

from

from 1st July 1921 with its present staff of 3 teachers.

2. The necessary provision has been made in the Civil Budget Estimate of the current year.

I have the honour to be,

Sir,

Your most obedient servant,

Subject Govt Muhamadan Elementary
School for girls, Perambur
[C no 2000] from the D.P.D. no 846 W.B. & 306-21.

When in September 1920 the D.P.D. submitted proposals for the permanent retention of the school, it was pointed out that the total average strength for the three years 1917, 1918 & 1919, showed a steady decline. The Govt. therefore sanctioned only the continuance of the school only for one year and the D.P.D. was asked to submit proposals for the permanent retention in the following year i.e. 1921. He however now asks for its retention only for a further period of one year apparently because the present strength will not justify its permanent retention. The Director has not furnished particulars as to the present strength and it is not known whether it is sufficiently high to require the continuance of the third teacher sanctioned temporarily last year. The D.P.D. may be requested to furnish this information.

The present strength of the school is as

follows:-

I standard	23	Strength in 1919
II ..	13	22
III ..	9	17
IV ..	7	10
V ..	5	5
Total	57	57

In view of my suggestions made sometime ago in a

D.O. letter to the Secretary to Government that with the passing of the Elementary Education Act of 1920 it would seem proper that Government should withdraw from the direct control of elementary schools I do not propose to recommend the permanent retention of any more ordinary elementary schools under the direct control of Government.

The total strength of the school remains almost the same as it was

p. 4 Geo No 1276 in 1919. The temporary teacher sanctioned

in Geo No 1276 Home (Edu) of 1.11.20 may therefore be continued for another year.

A draft order sanctioning the continuance of the school for another year is submitted for approval. It may be sent to Finance for acceptance.
