U.O. 224 d. 26.7.21

Office of the Accountant-General, Madras,
Fort St. George, dated the 26th July 1921

If it was the intention of Government that Mr. Ramanujam's family should get the compassionate allowance from the date of his death, there would be no audit objection to the grant of the said allowance taking effect from 27th April 1920 (the date following that of his death)

2 The compassionate allowance is debitable to "45 Superannuation allowances and Pensions-Compassionate allowances Provincial-Reserved-voted" and can be met out of the budget provision of Rs. 22,000 under that head.

FORT ST. GEORGE,

Dated the 14th of JUNE 1921

From

THE ACCOUNTANT-GENERAL, MADRAS,

To

THE SECRETARY TO THE GOVERNMENT OF MADRAS

HOME (Education) DEPARTMENT

SIR,

I have the honour to invite a reference to Madras Government Home (Education) Department letter No. 1073 dated the 17th September 1920 to the Secretary to the Government of India, Education Department, regarding the grant of compassionate allowances to the family of the late Mr. S. Ramanujam, F.R.S., and to state that the Government of India have in their Finance Department Endorsement No: 619 C.S.R. dated the 23rd March 1921, communicated to this office a copy of the Secretary of State for India's Despatch, Financial No. 22 dated the 24th February 1921 sanctioning the proposals made. As the names and addresses of the members of the family to whom compassionate allowances have been sanctioned are not known in this office I would request you to kindly communicate the same so that necessary arrangements may be made for payment to them. The exact date from which the allowances are to be paid may please

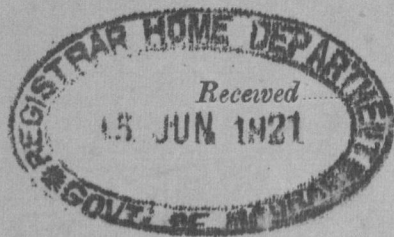

mother, Rs. 10 per mensem until they reach the age of 21. He also recommends, in addition, the grant of an annuity of Rs. 50 per mensem to the widow. The widow on the one hand and the parents on the other are not on such terms with each other as to enable them to live together and the case of each has therefore been considered separately.

4. I am to add that, on the recommendation of the Director of Public Instruction, the Government are sanctioning the grant of a suitable scholarship to the two brothers to enable them to continue their studies.

5. I am to express the hope that the proposal will receive the support of the Government of India and that the orders of the Secretary of State will be obtained and communicated to this Government at an early date.

6. A copy of the audit report of the Accountant General, Madras, as to the authority competent to sanction the proposal is enclosed.

Letter from the Secretary to the Government of Madras, Home
(Education) Department, to the Secretary to the Government of India,
Department of Education, No. 1073, dated 17th September 1920:-

I am directed to address the Government of India on the
subject of the grant of a compassionate allowance to the family of
the late Mr. S. Ramanujam, F.R.S.

2. Mr. Ramanujam needs no introduction. The depth of his
mathematical talent can be gauged from the first two enclosures. The
first is a copy of Mr. Hardy's report to the University of Madras
prepared in 1916 and the second is a copy of his obituary notice in
"Nature".

3. Mr. Ramanujam returned from England in 1919 with advanced
tuberculosis and died in April 1920 after considerable suffering.
When alive, he was drawing a scholarship of £.250 per annum from
Cambridge and of £. 250 per annum from the Madras University. Out of
this he was maintaining his family. His death has left his family
destitute as they were largely depending upon his scholarship for
their maintenance. He has left behind him a father, a mother, a
grand-mother, two younger brothers and a widow. The parents and the
grand-mother are reported to be old, infirm and very poor. The
brothers are studying, one in the V Form and the other in the Senior
Intermediate class, and the widow is about 22 years of age, like the
others, with no means of livelihood. Representations have been re-
ceived from the parents and the ~~destitute widow and two young brothers~~
widow for the grant of pecuniary help from Government for their
livelihood and for the grant of scholarships to the two brothers to
enable them to continue their studies. The Governor in Council has
satisfied himself that the case of this poor family is a very hard one
and considers that it would be a pity if the family of such a
distinguished man is left in its present deplorable condition. He is
of the opinion that the case is altogether an exceptional one and
demands a special and generous treatment on the part of the Government.
His Excellency therefore recommends that the Secretary of State be
moved to grant the parents an annuity of Rs. 50 per mensem payable to
the father, which, on his death, may be reduced to Rs. 25 per mensem for
the mother only, unless the brothers are still under the age of 21, in
which case each should be given, in addition to the Rs. 25 to the
mother

India Office, London,

No. 22.

To His Excellency the Right Honourable the Governor
General of India in Council.

MY LORD,

I have considered in Council Your Excellency's Despatch 21 (Education)

*Sanctioning the grant of com-
passionate allowance to certain
members of the family of the late
Mr. Srinivasa Ramunujan, F.R.S.*

dated 23rd December 1920, making
certain recommendations in connection
with the family of the late Mr. Srinivasa

Ramunujan, F.R.S.

2. Having regard to the exceptional features of this case and to the
circumstances of the family, as indicated by the Local Government's letter,
I am of opinion that their recommendations are suitable and I sanction
them.

3. I have followed with deep interest the career of this remarkable
young man, whose natural abilities were such that under more favourable
conditions he might have become the greatest mathematician of his
generation, and I learnt with sincere regret of his untimely death.

I have the honour to be,

My Lord,

Your Lordship's most obedient humble Servant,
