for District Public Instruction.							

in para 2 of my letter quoted above has been included in the present statement. The reason for its inclusion now is that when the distribution of subsidies to local bodies was first considered, Hindupur had not been constituted into a municipality and the schools now under its management were then maintained by the District Board, Ahantapur. When the Board received its share of the subsidy it found the amount hardly adequate to pay the allowance to teachers in its own schools and advised the new Hindupur municipality to make a separate application for the subsidy required for the schools transferred to the Council's management. The municipality has accordingly applied for a sum of Rs.528/- which has been included in the enclosed statement.

3. The total subsidy now recommended is Rs.1590/- and the expenditure can be met from the anticipated savings from the provision of Rs.3,00,000/- under the head 31-C-(b)-(iii)-Education-Primary Grants to local bodies for Primary Education"

If the above proposals are accepted, I request that the Accountant General, may be instructed to place the amounts noted in column 7 of the annexure, aggregating to Rs.1590/- at the disposal of the local bodies concerned, at a very early date.

I have the honour to be,

Sir,

Your most obedient servant.

for Director of Public Instruction.
