Sir,

In submitting herewith Resolution No. 7 of

the Proceedings of the meeting of the general body
held on 22nd May 1921, I beg to submit that in 1913
a resolution was moved by our representative in the
Imperial Council regarding the improvement of Arabic,
Persian and Urdu literature in India. A Committee
was formed under the Presidency of Mr. (Sir) Har Court
Butler, Educational Member of the Imperial Council.
The report of the Committee was placed in the -
Council and resolution approving the suggestion for
the improvement of Arabic, Persian and Urdu literature
was passed and it was forwarded to Local Government
for action. It seems that adequate action has not
been taken thereon.

In 1915 a similar proposal was brought for
the improvement of the Sanskrit literature and it is
surprising to note that Superintendents, Inspectors,
Assistant Inspectors and teachers in all secondary
schools have been appointed and grants bestowed for
its improvement.

It is therefore requested that a Muhammadan - Superintendent with his staff to supervise all the Arabic and Urdu Institutions throughout the Presidency be appointed and that all Sub-assistant Inspectors in the Presidency be brought direct under his control and that he may be empowered to submit all proposals of the Inspectors etc., direct to the Government.

I beg to remain,

Sir,

Your most obedient servant,

A. M. Hussain
Secretary.

Resolution of the Muhammadan Literary Society
Nellore - Appointment of a Supt. for Muh.
Schools.

[Cm. 2886A] From the Secretary, Muh. Lit. Society, Nellore,
M. 2886A No. 467, D. 20-6-21.

A draft letter acknowledging
the receipt of the resolution is submitted.

2. The Secretary of the Muhammadan
Literary Society refers to a resolution moved
in the Imperial Legth Council in 1913,
regarding the improvement of Arabic,
Persian and Urdu literature in India.

There appears to have been no such
resolution in the Imperial Council. In
1913 the Govt. of India issued a resolution
and referred the question of Muhammadan
education to local Govts. - Vide papers

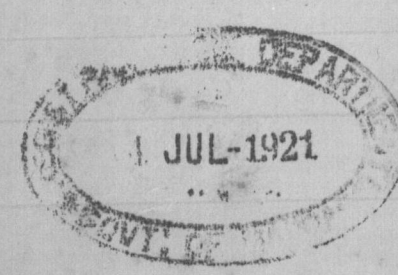

(B) in G.O. No. 557, Edn., D. 12-6-13.

3. The request of the Literary Society
is that ~~a~~ a Supt. of Muhammadan Schools
should be appointed under whose control
will be placed all Muh. Sub-Assistant
Inspectors and who will ~~be~~ be directly
subordinate to Govt. This request is not
a new one. The question of appointing
a Special Inspector or Assistant Inspector

 the Govt. did not entertain the
 proposal. - vide para 4 of G.O. No. 404, of

 connection invited to the D.P.D.'s note
 on the same subject (under Subject V)
 on pages 13-14 of G.O. No. 95, of 20-1-20.
 Attention is also invited to para 9 of
 the D.P.D.'s letter on page 3 of G.O. No. 467,
 of 9-12-20, wherein he has promised
 to consider the question whether the
 Quran Schools, or Arabic Muktabas or Madras
 as they are called, could be developed on
 the analogy of what has been done
 for private Sanskrit schools and to
 consult the same representative Muhammad
 gentlemen in the matter. The Govt. has
 approved of this suggestion - vide para 2 of
 G.O. No. 467, of 9-12-20.

 need be taken on the resolution in the c

U.O. Reply No.

The enquiries which I made with reference to para 2 of G.O.No.1467 Home (Education), dated 9th December 1920 have not been very fruitful. The Chief Kazi of Muhammadans in Madras agreed to the proposals of this Department but the committee of his college are not prepared to put the Madrasa under the authority of the University. The Secretary of the Majlisul Ulama, Trichinopoly, which is an influential association in the south has declined to offer any suggestions in the matter. Kurnool is more hopeful. The Arabic Madrasa there has applied to the University for affiliation with a view to prepare candidates for the Oriental Titles examinations. With the exception of the Madrasa at Kurnool there appears to be no institution ~~in~~ ready to work on the lines desired. In these circumstances it would be waste of public money to appoint immediately a special superintendent of Arabic Madrasas.

The suggestion to appoint a Muhammadan Superintendent of schools for the whole presidency has already been negatived in circumstances and under conditions similar to those pertaining at present.

I might mention to Government that I have now in my office as Additional Deputy Director of Public Instruction, Mr. Abdur Rahim, and all questions

In view of the fact that all questions relating to Muhammadan education receive adequate consideration in the aid of Muhammad by the Govt., the proposal of a Special Superintendent is unnecessary & will not serve any practical purpose.
