From (Name) M.R.Ry. Rai Bahadur M. Venkataraghavalu Reddi Garu,
 (Designation) President, District Educational Council, Saidapet.

To The Secretary to the Government of Madras,
 Home (Education)...Department.
Fort St. George, Madras.

Sir,

I have the honour to state that the Government in their order No.516 Home (Education) dated 2nd April 21 have, in sanctioning the scale of establishment to be --- employed under the District Educational Council allowed - a pay of Rs 30/- per mensem for each of the two clerks. I have to point out that this sum is very low and will -- not attract suitable and capable men for the posts of the new office which has to be organised. It is also ---- stated that the Head clerk of the office should have ---- passed the accounts test. It is therefore evident that this post is a most responsible one especially as there are a number of registers to be maintained and several --

periodical returns and statements to be submitted to Government. Such being the case, the pay attached to the post of a head clerk should, in my opinion, - be made sufficiently attractive, so that useful men with previous experience of office routine, and with good knowledge of accounts may be drawn from the --- Revenue or preferably the Educational Department. Since it is proposed that grants to be sent to the - several institutions have to be remitted hereafter - by money-order, large sums of money have to pass through this clerk. Also the Secretary to the Council now appointed viz the Sub Assistant Inspector of schools, being an itinerary officer, cannot always be looked upon to manage the office of the Council. Further it has not also been definitely stated whether the - service is a temporary or permanent one with the --- prospect of pension or gratuity.

Under these circumstances it will be quite impossible to secure the right sort of man for so -- responsible a post as that of the Headclerk of the - Council's office, unless the pay attached to this -- post is increased and made attractive. If this is - not done, we shall have to rest content with the very inferior sort of men to be had for the rate of pay - now sanctioned. Therefore with a view to secure the services of an intelligent and competent clerk as -- Headclerk of the office, the District Educational -- Council has, at my instance, resolved to adopt an --

Present Scale.

Two peons on Rs. 13/- per mensem.--

altered scale (as noted in the margin) with the sanction of Government, without exceeding the total allotment ^{sanctioned} for the year. The excess cost of Rs. 7 only per mensem or Rs. 84 per annum will be met from the grant

under Furniture and Stamp and Stationery--please vide copy of Resolution enclosed. I therefore request ---

- (2) 2nd clerk & typist on Rs. 30 ...

that you will be so good as to obtain the sanction of Government to give effect to the above scale ---- at an early date.

I have the honour to be,

S i r,

Your most obedient servant,

M.K.V/8-7-1921.

~~The Honble the Minister~~ Attention
is solicited to page 2 of notes to
(u) go. No 516, dated 2nd April 1921, wherein
it was decided to fix the pay of the
two clerks allowed for the office
of the District ed^l Council for each
district at Rs 30 per mensem. The
President, D^l ed^l Council, Chingleput,
~~for the~~ considers that in order to attract
a suitable man for the post of head
clerk of the office the pay should be
raised to Rs 50 per mensem. It is
for order whether the proposal ~~one~~
of the President may be accepted.

The salary of Rs 30 has been
deliberately fixed by the
Honble the Minister. The
points now brought to notice
by the P. D.E.C. were already noted
on by the office in the notes with
go. No 516. D 2.4.21, in support of the

(W)

of the original proposal of the D.S. I to
 appoint a Sub Assistant Inspector for the
 head clerkship. The lower scale of pay
 was purposely fixed with a view to economy
 If we allow now the higher scale in
 one St. we must be prepared to allow a
 similar scale in other districts also, especially
 in the backward Sts. where it is hard to
 recruit for clerkships. May we not ask
 the President to get along with a ~~clerk~~ ^{clerk} ~~for~~
 clerk for some ~~short~~ time and to report
 if by actual experience he is unable
 to get this the required amount of
 work with him? He has not apparently
 entertained any clerk yet.

One thing seems certain viz: that
 the Council can get on with only one
 person. The President proposes the abolition
 of one of the two persons sanctioned to
 provide for the increased pay proposed
 for the clerk. The President may be
 asked not to employ the second person
 and keep the ~~clerkship~~ ^{clerkship} in abeyance
 Apparently as the President of the Council
 is also the President of the St. Board
 he will be able to manage with
 only one person.

As regards the tenure of appointment
 of the clerk, the clerk is a permanent

figure. He is not a good servant though the cost of his appointment is contemplated by Govt as grant. He is in the position of an employee of a municipality or a local board. The question of gratuity or pension or provident fund for him is for the Dr. Ed. Council to settle hereafter with the approval of Govt.

The President of D.E.C. does not want to exceed the total allotment. The D.E.C. have made out a good case to sanction the salary proposed. It is extra scale of pay that the Govt sanctioned. In the present Budget 400 is also provided for the D.E.C. but vacates his place & another not connected

into the order he appoints, he may then require two peers -

The establishment as sanctioned will be allowed to be retained until the distribution of salaries & the total allotment under salaries may be adjusted by the D.E.C. So long as the allotment does not exceed, sanction is accorded as a special case to raise the salary of the Clerk. This will not be so if two peers are appointed.

2. It is not quite clear whether

the President of the St. Educational Council can be given such enhanced powers in the matter of fixing the pay of individual posts. Perhaps

The present proposal that will cost Rs 7 per month more than the total sum allotted for clubs & peers. Under the order now to issue the Clerk will have to revise the scale he has proposed so as to bring the total cost within the allotted amount of Rs 80 p.m.
