The D.P.D.'s recommendations regarding the posting of two Mechanical Engineer Students for practical Course outside the P.W.D may be supported in this Department. Attention is, however, invited to G.O. no. 1222, Educational D, 20.12.1913 from which it will be seen that the Engineering College Electrical Laboratory and the Tiruvannamalai Generating Station have not been included in the list of workshops and works approved by Govt for purposes of the practical Course of Mechanical Engineer Students. The D.P.D.'s recommendations in this file would therefore require the sanction of Govt., in the Educational Department, ~~which has been applied for.~~

The file may now be sent u.o. to the Law (Educational) Dept. for approving the proposals.
