FROM

University of Madras.

TO

The Secretary to Government,

Law (Education) Department.

Sir,

With their letter dated the 28th July last, the S.P.C.K. Press, the former agents for the sale of University Publications, have forwarded a copy of the list of Government Officers and Institutions to whom they had been supplying the Volumes of the University Calendar on payment. They state that they do not possess the original Government orders received by them; and there is no record in this office to show that the Government has placed any standing order with the firm for the supply of these publications. A copy of the list furnished by the S.P.C.K. Press is enclosed herewith, and I have to request that the Government will be pleased to return the list duly verified and corrected up to date together with copies of the G.O.'s authorising the supply in each case annually on payment.

In this connection, I have to inform you that ^{The} Syndicate has appointed Messrs. Higginbothams Ltd., Mount Road, Madras, as sole agents for the sale of all University publications and, if you prefer to do so, you may send the order for the supply on payment of the volumes direct to the firm, sending a copy thereof to this office for information. Volume I. of the Calendar, 1921, is now ready.

The favour of an early reply is requested.

I have the honour to be,
Sir,
Your most obedient servant,
K. R. Srinivasan, Registrar

This will be done when the supply is received.

Subject list of officers and
institutions to whom
the University Calendar
is supplied

The list ^{on pages 2-3 of} sent by the
Syndicate, University of Madras,
has been checked with reference
to the Statement of Periodicals and
the orders issued from time to
time and the necessary corrections
have been made. The Superin-
tendent of Stationery may
be requested to have the list
verified and make any further
corrections if necessary. The
list on p. 4 of relates to subscribers
to the Madras University Calendar
and cannot be checked in this office

2. From the list at bottom
of page 45 of the Statement of
Periodicals it will be observed
that a large number of the orders
authorising

authorising the supply of copies of
the calendar are in the Routine
series or memos which would
have been destroyed. Copies of
all the Bro's cannot + therefore
be furnished to the University.
It seems unnecessary to
send copies of such of
the Bro's as are available, since
the list will not be complete.

3 The Govt have no
direct dealings with the firms
which sell the publications
of the University. Necessary
action with reference to
para 2 of the Registrar's letter
will have to be taken by
the Superintendent of Stationery.

4 The file may be sent
to the Superintendent of Stationery
