Why should an endeavor be made to provide his 6 men with further employment? The number is small + I think it will be a good policy to try & help him as far as possible to find other day bills as teachers.

There is no objection. Probably they will themselves feel no difficulty in securing employment in other schools. If they apply to the D.P.I., he will presumably give them preference. It may not obviously be advisable to make an anouncement to this effect with reference to an interpellation. D.P.I. may perhaps be consulted.

addressed to office by the w.s. The telegram had not then been issued by the Secy's office. There was however a doubt as to whether it might have been issued by M₃'s clerk under instructions from the Honble. the Minister. I thought it therefore desirable to ascertain definitely what the telegram had been issued by M₃'s clerk and so went to him. On ascertaining that the clerk had not turned up to office, I applied to the Council Secy: for information, ~~the~~ Secy showing him the file and telling him that the ship was a discretion to the office. The Council Secy: received the file from me and said that he would ascertain from the Honble. the Minister and sent back the file. It is not known how the case came to be placed before M₃.
