Station Madras, Dated the 9th August 1921 191

From (Name) R. Littlehales Esq M.A.,

(Designation) Director of Public Instruction,
Madras.

To The Secretary to the Government of Madras,

Law(Education) Department.

Sir,

In supersession of letter R.C.No.4017/1920 dated --
18-3-1921 of the Director of Public Instruction, recommending
the grant of certain concessions to the children of soldiers
fallen or disabled in the war, I have the honour to submit
the following revised proposals:-

(a). that fee-remissions be granted to these children and
books etc provided at Government cost, under G.O.No.663 --
Home(Education) dated 23-5-1918, and

(b) that the Silver Wedding Fund be approached for the
grant of scholarships for maintenance alone.

2. With reference to (a) I shall instruct the Inspectors
of schools concerned to take necessary action in accordance
with the provisions of the G.O.quoted above. As regards

regards maintenance scholarships, it would appear from para 3 of the scheme communicated with Government's -- endorsement No. 347 A-1 dated 12-2-1919 that it relates --- primarily to higher education and that pupils in the primary stage are not eligible for scholarships from that fund. If the Government hold this view and if the Silver Wedding Fund cannot be approached for this purpose, then I would --- specially urge the desirability of Government granting the maintenance allowance out of their own funds.

3. In accordance with the above suggestions, I submit fresh statements in supersession of those appended to my -- letter of the 18th March last. Statement A contains only pupils who are in Secondary departments and who are eligible for maintenance scholarships from the Silver Wedding Fund. Statement B gives the names of pupils who are studying in primary classes and who may receive maintenance ^{allowance} from -- Government, if not from the Silver Wedding Fund. Statement C gives ^{the} names of prospective pupils who are willing to join schools, if maintenance scholarships are granted.

Scholarships Children of Indian Soldiers.

[N. 1269A] From the D.P.D., N. No. 4617/20, 21.8.32

⑤

Under G.O. No. 663, 23-5-18.
 children of deceased or incapacitated Indian
~~soldiers~~ soldiers can be admitted without payment
 of fees in all elementary and secondary
 schools and in addition the Govt. have
 authorized the ~~expending~~ incurring of
 expenditure in the provision of books etc.
 up to the limits specified in para 3 of
 the G.O. There is no provision for
 incurring any expenditure on the maintenance
 of the pupils.

H-267

2 Of the pupils ^{in Stk. A} for whom
 scholarships are now recommended by the D.P.D.
 only one is reading in the high school Form
~~fourth~~ ^{preparatory} and all the others are in ~~elementary~~
^{class of high schools and elementary}
 schools. Apparently the Director considers that
 the grant of scholarships to these pupils so as to
 cover the cost of food and clothing also
 is necessary. The ~~for~~ children whose
 names are included in Stk. B. will, ~~it is~~

H-267

reported, be sent to school only if they are granted free education and help towards books and slates and food and clothing.

3 It may be noted that all ~~the~~ the children, for whom the scholarships are now recommended, are entitled to free education and the supply of books etc. under G.O. No. 663, D.B. 5-18.

(V) It is for consideration whether they may not be ~~brought under~~ granted the concessions admissible under the above order and the Silver Wedding Fund approached for the grant of scholarships for maintenance alone. If so the D.D. may be requested to have the statements revised accordingly. He however ~~says~~ proposes to treat the whole case as coming under the Jubilee Fund, on the ground that it will cause delay in procuring the necessary certificates if the case is brought under the scheme embodied in G.O. No. 663, D.B. 5-18.

(V) 4 It is for orders whether the grant of the scholarships as proposed by the D.D. may be recommended to the Hon. Secy. of

The total amount of scholarships proposed to Rs. 828 + 402 or Rs. 1230 per annum.

of the Silver Wedding Fund. The drafts submitted are for consideration.

~~18/4/21~~

21
9/4/21

(V) The reason that it will entail delay in procuring certificates is not an adequate ground for not bringing these cases under the G.O. of 23.5.18 where necessary. It is not however clear whether the amounts proposed for each scholar is intended to cover fees as well. The amount is so small, generally Rs 30 & 42 per annum, that it may be taken as ^{representing} maintenance scholarships themselves. But in col. 5 of the sheet A, ~~however~~ in some cases it is stated that the students are paying fees. It is not known why effort was not given to the orders in the G.O. for exemption from fees in those cases already. Arrangements have been sanctioned even for paying compensation to aided schools for loss of fee income in respect of the admission of these boys as free scholars. We cannot well dispute with the concession already admissible under the Local Govt's orders simply

because that other charitable institutions are prepared to provide for them. We may ask for the revision of the state so as to include school fees.
