No. 1449 TB 0021

Station Sankaridrug. , Dated the 29th June 1921

From (Name) M.R.Ry.S.N.Prabalam Pillai Avergal,

(Designation) President Taluk Board,
Sankaridrug.

To The Secretary to the Government of Madras,

Law. Department.
Madras.

Sir,

I have the honour to make the following representa-
tions to Government on the subject of opening the fifth form in
the Board High School, Tiruchengode.

2. In accordance with the spirit of G.O.No 902 Home (Educa-
tion) , dated 10th August 1920, I gave orders to the Head
Master on 12-6-21 to declare the Vth form open this year from the
date of reopening (13-6-21) of the School after the summer,
vacation and he has acted accordingly.

3. But from the letter of the Head Master wherein he has
given a copy of the letter of the Director of Public Instruction
Madras, to the Presidents district Boards and chairmen Municipi-
pal Councils, I come to understand that the Director of Public
Instruction has not been pleased to recommend this School alone

(P.T.O.)

to Government for their sanction to open the Vth form this year. I am very sorry for this omission. (a copy of the Director's letter is herewith enclosed)

4. I am at a loss to understand on what considerations he has not been pleased to make., favourable recommendations on behalf of this Schoolalone .

5. The School is just now becoming popular . There are 15 pupils in the 1vth Form and 7 pupils in the vth form even now and there is every prospect of the School becoming stronger yet. Secondly this locality is a very backward in point of higher education , not to speak of the District as a whole . The strength quoted above in the higher forms ~~xxxxxx~~ even at the very beginning of the new educational year is very promising for such a backward locality ; and it should , therefore, be encouraged . Thirdly I am afraid that the postponement of the vth form to next year will tell upon the success of Secondary Education in these parts. fourthly the Public will lose confidence in the intentions of Government to bring Secondary education nearer the home of many pupils who wish for it. lastly I think the spirit of the G.O. is to try the experiment for three years successively and then gauge the needs of the locality and not allow the progress of these new Schools year after year to chance .

Under these circumstances I request that the Government may be pleased to sanction the opening of the vth form this year as the form has already been working in anticipation of sanction from Government.

I have the honour to be,

Sir,

Your most obedient Servant,

G.S.29-6-21.

Copy of letter from the Director of Public Instruction Madras to the Presidents of District Boards and chairmen of Municipal Councils, R.C.No.4442/18-6-21.

While sanctioning the Director's proposals for the opening of a higher form in some of the Incomplete Secondary schools under the management of Local bodies and the opening of a new Secondary school at Samalkot in Godavari District having classes 4 and 5 and Forms I to IV, Government observed in para 1 of their order No. 902 Home (Education) dated 10th August 1920 that this process would be repeated in succeeding years till the schools were raised to the grade of Complete Secondary schools. Agreeably to this G.O. I am now submitting proposals to Government for the opening of Form V in 19 out of the 20 schools in question (The Board Higher Elementary school at Tiruchengodu being excluded). And in anticipation of the sanction thereto I have the honour to request that you will be so good as to make necessary arrangements for the opening of Form V in the schools referred to above.

30. The view of the strong public feeling in these parts against the unexpected recommendations of the Inspector of schools and the Director of Public Instruction, Madras, not to sanction the opening, this year of the V Form in the Board's Tiruchengodu High school alone, out of the twenty high schools newly started last year, in spite of the local efforts so far successful in raising an endowment fund for the school, and also in view of the fact that, when once the public confidence is shaken in the intentions of the Government to give the benefits of Secondary education to backward localities like this there is the fear of the Secondary school becoming a failure by the people withdrawing their children to other centres of education and also in consideration of the fact that a Vth Form class has already been ^{opened} in anticipation of Government sanction and it is in a fair working order, the Board unanimously resolves to request the Government and the Director of Public Instruction, Madras, to include the Board high school Tiruchengodu, also, in the list of Secondary schools wherein the opening of the V Form this year is to be sanctioned, and

the Board trusts that, as the lower classes and forms have improved considerably in strength, there is every prospect of the higher forms also becoming strong very soon".

Proposed by M.R.Ry. S.R.Kandappa Mudaliar, seconded by Imam Sahib Bahadur and supported by M.R.Ry. C.K. Iyer and Mr. A. Vargal and carried unanimously.

Subject - Opening of the fifth form
in the Board Secondary School,
Dinichengode

The D.P.I. has separately submitted proposals for the opening of the fifth form in the Board & municipal Secondary Schools in which fourth form was opened last year at the cost of Govt. funds. In the case of the school at Dinichengode, he has stated that the Inspector thinks that it is too premature to open the fifth form in it. The President, Taluk Board, Santharidug, reports that states that fifth form has already been opened in virtue of the orders in para 10 of S.O. No 902, dated 10th August 1920, and requests that Govt. may approve his action. It is submitted that the D.P.I. may be consulted in the matter.

"The Tiruchengode Secondary School, Salem District, Deputation.

Prominent members of the Deputation:-

1.M.R.Ry.Kandappa Mudaliar, Avl.,
Sankari Taluk Board Member, and
Merchant, Tiruchengode.

2.M.R.Ry.T.S.Venkataraman, Avl.,
Ex-District Board Member and Banker,
Tiruchengode.

The Inspector (Mr.Venkataraman) and the
the President, District Board, (Mr.Foulkes)
were also present.

I saw the above two gentlemen who formed the
deputation to see me this after-noon. They pre-
sented me with a memorial, dated the 2nd of July
1921. It was pointed out that the accommodation
of the school was insufficient and that the pro-
mise to raise Rs.10,000/- made by the people of
Tiruchengode, when the school was originally
transformed into a Secondary School, had not been
carried out.

They informed me that the management of the
school had formerly been in the hands of the Pre-
sident of the Taluk Board and that it had been
unsatisfactory, but that the management had quite
recently been taken by the District Board and that
under the management of the District Board they
hoped that the school would be more successful.

They promised to place additional accommoda-
tion immediately at the disposal of the school.
When this is done, the Inspector will certify that
it is satisfactory. They further promised to pay
to the District Board immediately a sum of
Rs.5,000/-which is to be earmarked for expenditure
on the school, and within 3 months, to collect the
remaining sum of Rs.5,000/-which was originally
promised.

As soon as I hear from the Inspector of
schools that:

(1)the required accommodation has been pro-
vided; and

(1)Five thousand rupees has been paid to
the District Board, permission may be given to
open the fifth form with a view to subsequent
development of the school into a complete High
School.
