The Lawrence Memorial school, Ottaseamund, is now in receipt of an annual recurring grant of Rs. 1, 29, 233 ^(from the Govt. of India) of which Rs. 13,000 relates to repairs to the school buildings. The provincialisation of the school has been agreed to between the Madras Govt. and the Govt. of India on the understanding that the latter Govt. pay to the former

- (a) an annual recurring grant of Rs. 2.30 lakhs;
- (b) a non-recurring grant of Rs. 3.22 lakhs during a ^{from 1921-22} period of three years; and
- (c) an additional non-recurring grant of Rs. 45,000. (The last has been already paid - p. 21 cf. in g. 461 EP. of 16.3.21).

The whole scheme is now awaiting the approval of the Secy. of State who has been addressed ^(on the 21st July last) by the Govt. of India - g. 1147 of 9.8.21. Owing to the imminent provincialisation

of the school, a provision of Rs. 2.92 lakhs has been made for it in the C.B.E. for 1921-22, taking into account the increased grants promised by India and the urgent needs of the school.

A 2. It would seem from the D.O. on p. 1 ante that the Govt. of India have not this year paid to the committee even the ordinary grant of Rs. 1, 29, 233 which they have been giving till now. Apparently, it is the intention of that Govt. to pay the increased grant promised by them direct to the local Govt. after the Secy. of State's sanction is received. It is however clear that urgent relief should be given to the school the following two courses seem open :-

- (i) to sanction an immediate grant of, say, Rs. 1, 00, 000 from the provision in the C.B.E. and to ~~report the matter to~~ ^(for formal sanction) inform the Govt. of India;
- (ii) to ask the Govt. of India to sanction an immediate

grant

(of say Rs. 1,00,000)
grant, to be set off against
the recurring grant of Rs.
2.30 lakhs promised by
him.

Course (ii) might
cause delay and moreover there
is no guarantee that India would
pay the grant in advance: they
might say that they will pay the
full amount on receipt of say
of state orders. The course
indicated at (i) may therefore be
adopted.

2. A draft order is
submitted which may issue with
the concurrence of the Finance dept.

India pay ^(usually) ~~the Govt.~~ ^(of Rs 29233) grants direct to the school committee. This office has no ^{exact} information as to when ~~it is~~ ^{it is} paid; but, presumably it would be ^{paid at} the beginning of each ^(official) year, so that the amount will be available for expenditure during the course of the year.
