U.O. Reply No.

I hope to be able to submit my recommendations within the next few days.

I should like, however, to bring to the notice of Government that the posts of Principals of the Ceded Districts College, Anantapur, and the Government Muhammadan College, Madras, were outside the provincial and the Indian Educational Services. The posts are therefore not transferred from the Provincial as seems to be assumed by the Government of India.

No 2162

Received at 11 and
dealt with separately

In his recommendation roll
No. 2202 of 29.5.21, the P.O. has submitted
recommendations for posting Mr. E.W. Green
to be the Principal of the Muhammadan
College, Madras, and Mr. G.J. Condlrey
to be the Principal of the Ceded P.O. College,
Anantapur. These two officers are
already in the P.E.S. and the P.O.'s

proposals are mere postings. The proposals
for dealing up the remaining vacancies in the P.E.S. shall be submitted
2

The posts of Principals of the two
Colleges in question were hitherto temporarily
outside ^{the regular} ~~and~~ cadres and they were
held by Mr. Douglas already a member
of the P.E.S. and Mr. Arulanandam, a
member of the M.E.S.

3. With reference to the remarks
of the P.O. in para 2 of his note on
page 6 ante attention is invited
to paras 2 (iv), (v) of Melp. Ordinance
letter No. 1092 of 27-8-20. extracted
below:—

- a (iv) The posts transferred should consist
- " mainly of those in the P.E.S. But in
- " special cases the transfer will be
- " permitted of posts which are not included
- " in the cadre of any service and which
- " are of no less importance than those in
- " the P.E.S. Whether such posts will count

It would enable me to submit recommendations in accordance with the orders of the Government of India if the above quotation were expanded:

"It is stated that the future filling of the post should under the principles explained below should invariably be by an Indian"

What these principles are however has not been stated. I am unable to make recommendations in accordance with the principles explained by the Government of India, unless I am informed what these principles are.

I should be pleased if the Secretary will be good enough to inform me of these principles.

P.T.O.

by virtue of
the order of the
Govt. of India,

Might I be allowed, in the first place, to contest the presumption that the post of Principal of the Government Muhammadan College, Madras, should be filled by an Indian. The wording of the Government of India letter is as follows:--

"Should such a post be at present vacant, or should it be held by one whose qualifications manifestly unfit him for promotion to the Indian Educational Service, the future filling of the post should, under the principles explained below, invariably be by an Indian."

The presumption here is that the post is vacant, or that it is held by a person unfit for promotion to the Indian Educational Service. Now the Principalship of the Government Muhammadan College, Madras, has required an European member of the Indian Educational Service to fill it, ever since it was created, so that this post does not come--so it appears to me--under the posts which are contemplated by the Government of India in their remarks quoted above.

We have at present no ^{member} Principal of the Madras Educational Service, whom I should recommend to fill the post of ^{Principal of} the Government Muhammadan College, Madras. This post requires, for political and other reasons, either a European or a Muhammadan to fill it. We have none suitable in the Madras Educational Service. I recommend therefore that

21
(a) ?
the Government of India be requested to advise the Government of Madras whether they have any person suitable to fill the post, and if not, we might ask the Secretary of State to recruit a person for this post.

(b)
registrar (b)
↓
With regard to the Principalship of the Ceded Districts College, the person who held this post was Mr. Renganathan. He would have been retained there except for the fact that his services were required very urgently as Junior Professor of English in the Presidency College, and temporary and make-shift arrangements had to be made for filling the post of Principal of the Ceded Districts College. Mr. Arulanandam at present holds this post, but I do not consider that he should continue to hold the post permanently, for that he is suitable for promotion to the Indian Educational Service. In fact in this appointment also, I have no one whom I am prepared to recommend as fit for promotion ~~in~~ to the Indian Educational Service from the Madras Educational Service.

I have however a recommendation to make in this regard. It is that the Secretary of State be asked to recruit Mr. H. Parameswaran for appointment in the Indian Educational Service, in the vacancy created by the inclusion of the post of Principal of the Ceded Districts College in the Indian Educational Service.

Mr.

Mr. Parameswaran is at present studying in Cambridge, and for easy reference I annex below an extract from the report on the work of State Scholars forwarded by the Government of India. The extract is taken from G.O.No.893, Law (Education) Department, dated 10th June 1921.---

"H.PARAMESWARAN, from Madras.--

Mr. Parameswaran arrived in September 1919 and proceeded to Cambridge where he secured admission to Christ's College. Dr.F.H.A.Marshall, the Tutor of the College, reports that he has made excellent progress in his Research Work during the year. He has read papers before the Cambridge Philosophical Society and the British Association, describing his Spectroscopic observations on Mercury and the rare gases and the Monatomic constituents of the Atmosphere. These papers have been published in the proceedings of the Philosophical Society and the Philosophical Magazine. Mr. Parameswaran has also made a Spectroscopic examination of the abnormal amount of Helium contained in Beryl. The Secretary of the Inter-Collegiate Indian Students' Committee reports that he is, perhaps, the ablest of all the Indians now doing Scientific work at Cambridge. Being whole-heartedly devoted to his Laboratory work, he does not take much share in the corporate life of his College, but being a man of great energy and ability and force of character, he is said to make himself felt in any circle which he touches."

While at home recently, Mr. Parameswaran's name was brought to my notice in conversation with Sir Murray Hammick, a Member of the India Council. We discussed also the recent appointment made by the Secretary of State of Mr. Savor as Professor of Physics in the Presidency College. Sir Murray Hammick was of opinion, and I agreed with him, that it would be desirable to appoint Mr. Savor as Professor of Applied Mathematics in the Presidency College and to appoint Mr. Parameswaran as Additional Professor of Physics in the Presidency College, Mr. Anantapadmanabha Rao being appointed Professor of Physics. In order that this may be

23
done, Mr. P.V.Seshu Ayyar, who is at present Professor of Applied Mathematics in the Presidency College, will have to be transferred to some other Indian Educational Service appointment. He might suitably be appointed Principal of a mofussil College.

Law (Education) Department

It is submitted that the extracts from the Govt of India letter at 'K' on p.11 ante ~~as to the case of~~ refers to the case of ~~two~~ Indian Officers considered unfit for promotion to the I.E.S. The orders of the Govt of India in regard to the filling of transferred posts held by Europeans are contained in the following extract:-

"In exceptional cases where the present incumbent of a transferred post, happens to be a European, the anomaly should be adjusted by the direct recruitment to the ranks of the I.E.S. apart from the transferred post, of one ^{presented} Indian, over and above the ~~5000~~ recruitment of Indians, for each transferred post which may be so held by a European. On the transfer or the retirement of the incumbent of such a transferred post, it would be filled by recruitment of an Indian."

Thus it will be seen that the Govt. of India contemplated the apptt of Indians to the I.E.S. in consequence of the inclusion ^{in that case} of the posts of Principals of the Govt. Muhammadan college and

and the Ceded Dts. College, Anantapur.

2 The D.P.I has already submitted proposals for the permanent filling of the two posts in question. The Govt. have approved the appt. of Mr. Green, Addl. Professor of English, Presidency College, as Principal, Govt. Muhammadan College, Madras, and the appt. of Mr. Couldrey as Principal, Ceded Dts. College, Anantapur, his place in the Rajahmundry College being taken by Mr. Douglas, Inspector of schools, Tanjore. In consequence of the above arrangement the follg. posts included in the I.E.S. are now permanently vacant:-

1. Addl. Professor of English, Presidency College, Madras.
2. Inspector of schools, Tanjore.

3 Mr. P. Raghavachari has long been acting as Inspector of schools, Tanjore vice Mr. Douglas and, with reference to the notes in G.O. No. 1563 dated 23-12-20, it is for consideration whether he may not be confirmed in his office appointment.

4 The Secretary of State has already been addressed to recruit a candidate in England for the post of Professor of English, Presidency College and, when he arrives, he may take the place of Mr. Green as addl. Professor of English.

5 The post of Principal, Kumbakonam College is now vacant. ~~or~~ If Mr. Seshu Aiyer's lien is transferred to that post, it will be possible to recruit Mr. Parameswaran to the I.E.S. as Addl. Professor of Physics in the Presiden

U.O. Reply No. 344
12.7.21

The above note of the Secretary dated 25-6-21 apparently written before the receipt of my U.O. No. dated 25-6-21 wherein I discussed the recruitment necessary for the Indian Educational Service. I should like that note of mine read in conjunction with the present Secretariat notes.

In view of the expression of opinion in my U.O. No. 315 dated 25-6-21 I regret that I am unable to recommend that Mr. Raghavachari be confirmed at present in the Indian Educational Service. We need a person who can give expert advice upon technical and vocational education and I know of no Indian in the Madras Educational Service or in the ^{Govt. of India} list of candidates for appointment to the Indian Educational Service who can suitably give that advice. Unless we can obtain expert advice of this nature it will not be possible satisfactorily to meet the demand---a demand which I think ought to be ^{met} made---for the introduction of vocational education in our secondary schools.

We are now or have been in the past employing the following four persons in the Educational Department (Indian Educational Service or the Madras Educational Service) whose names are found in the Government of India list of candidates for appointment to the Indian Educational Service:-

(1) Dr. John Matthai

Sent to Government

1759-60

- (1) Dr. John Matthai
- (2) T. Surya Narayana
- (3) P. P. Subrahmanya Sastri
- (4) P. Raghavachari.

I have placed them in what I consider from the stand-point of efficiency should be the order of priority if any appointment has to be made to the Indian Educational Service from the above, over and above the persons whom I have been informed unofficially have been recommended for appointment to the Indian Educational Service, viz., Mr. Saunders, Mr. Stradling, Mr. Dhar and a new Professor of English.

I have not considered the names of Madras men whom we have not yet employed in the Educational Department. *I have not discussed above other persons (e.g.*

If another appointment has to be made immediately I think that appointment should go to Dr. Matthai. It would be easy to appoint him at once as Professor of Economics in the Presidency College by transferring Mr. Allen's lien to some vacant post in the Indian Educational Service. Mr. Allen is at present on leave preparatory to retirement. Alternatively Dr. Matthai could be appointed permanently to any vacant post in the Indian Educational Service and made to act for Mr. Allen as he is at present doing.

Regarding para 5 at the foot of page 15 of the Secretariat note supra if my memory serves me right, the Secretariat has already in another connection

out as Professor of English

Principal of the Government College, Kumbhakona

It would simplify my work considerably if the
Secretariat would be good enough either to give
me the file of papers in connection with the pro-
posals they have ~~made~~ made or would refrain from
making contradictory suggestions in successive
notes.

Regarding para 5 of the Secretary's note of
page 16 supra the suggestion that Mr. Savoor should
not remain Meteorological Reporter has not been
raised except by the Secretary himself. His
appointment as Professor of Applied Mathematics
in the Presidency College would not interfere with
his work as Meteorological Reporter and vice-versa
any more than his appointment in the Presidency
College as Professor of Physics would do. Mr. Savoor
is primarily a Mathematician and secondarily a
physicist. It is much more suitable that he be
appointed as Professor of Applied Mathematics
than ~~that~~ he should be appointed Professor of Physics

Mr. Anantapadmanabha Rao is a Professor of sci-
ence, standing and experience and is extremely well
thought of by all scientists in the south of India
who are competent to express an opinion upon his
work. Moreover he was an assistant in the

Presidency

Presidency College when Mr. Parameswara Ayyar was an under-graduate. It is from every point of view more suitable that Mr. Anantapadmanabha Rao should be appointed Professor of Physics than ^{that} Mr. Parameswara Ayyar should be so appointed.

The appointment of persons to ^{an} Imperial Service either directly or by transfer from a Provincial Service is a very important matter and before orders are passed on this file I should be pleased if His Excellency ^{and the Minister} will be good enough to grant me an interview with regard to both the subject of this file and its mode of treatment in the Secretariat.

The posts of Principals of the Government Muhammadan College and Ceded Districts College were or should have been, I submit, recommended for transfer from their position outside any cadre, not in order to provide for the promotion of officers from the Provincial Educational Service (now the Madras Educational Service) to the Indian Educational Service but because the posts were of such importance as to require their inclusion in the Indian Educational Service or Class I, using the terminology of the Report of the Public Services' Commission. So far as my information goes it never was intended even from the time when these colleges were first instituted that the

posts of Principals should be included in the Provincial Educational Service. It was intended from the outset that they should be Indian Educational Service appointments.

When this file was sent to me it contained no connected papers. Only the current file, 5 pages, note and the file which by this time contains 22 pages have been sent to me.

I pointed out in the first place that the Government of India was apparently in error when in their first telegram (c.f. page 1) they refer to the transfer of posts from Provincial. The posts of the Principals of the two Colleges concerned have not been transferred from the Provincial Educational Service.

The Secretariat then, (vide pages 7 to 8 of the note-file) quotes an extract from G.O. No. 1285 dated 3-11-20--a G.O. which has not been communicated to me-- wherein is stated the future filling of the post should under the principles explained below invariably be by an Indian. What these principles were was, however, not communicated to me. When I pointed out this to the Secretariat I was referred to a specific portion of a letter of the Government of India which was sent to me in April 1920. On having looked up this reference in my office I find that by virtue of the substance

in regard to the filling of transitionary posts by the appointment of Indians. As these principles are laid down in extenso in the letter from the Government of India No.371, dated 23rd March 1920, communicated to the D.P.I. with Endt.No.1254 A-2, dated 9th April 1920, his attention was particularly drawn to those instructions. It was thought that the D.P.I.'s office would have placed before the D.P.I. the letter from the Government of India No.1092, dated 27th August 1920 (also referred to in the office note, dated 14th June 1921.)

2. The D.P.I. contends that as the posts of Principals of Government Colleges for Muhammadans and the Ceded Dts. College, Anantapur were outside the regular cadres prior to their inclusion in the I.E.S., it is not necessary that they should be filled by Indians. This contention has already been examined in the office note on pp 7 & 8 ante. Ordinarily, the inclusion of posts in the I.E.S. cadre requires the sanction of the Secretary of State. and, in fact, this Govt in para 5 of their letter No.1217, dated 19th - October 1920, requested the Govt. of India to obtain such sanction to the inclusion in the I.E.S. cadre of the two posts abovementioned. The Government of India however did not seek such sanction, but of their own accord, sanctioned the transfer of the two posts of Principals ^{in question} ~~Ceded Dts. College and Colleges for Muhammadans~~ to the I.E.S. cadre. This sanction was made under the ^{power} ~~authority~~ delegated to the Government of India in the telegram from the Secretary of State No.693, dated 17th August 1920, printed on

④
3
p.4 of G.O.No.1285 Home(Edn), dated 3rd Nov 1920. The Govt.of India were empowered by the Secretary of State to transfer to the cadre not only ~~the~~ ^{selected} posts included in the cadre but also posts kept outside the regular cadre. In communicating the correspondence with the Secretary of State, the Govt.of India laid down certain instructions in regard to the filling of ~~the~~ transferred posts. These instructions are contained in paragraphs ~~1, 2, 3, 4, 5, 6~~ ^{(i), (iv), (v) + (vi)} of the letter No.1092, dated 27th August 1920, which are again reproduced below for convenience of reference.

"(ii) The posts transferred should consist mainly of those in the Provincial Educational service. But in special cases the transfer will be permitted of posts which are not included in the cadre of any service and which are of no less importance than those in the Provincial Educational Service. Whether such posts will count towards the maximum of transfers permissible, is a matter for subsequent consideration. But, for the present, the aggregate of posts transferred, whether belonging to the Provincial Educational Service or outside posts, should not exceed, for the whole of India, one-third of the existing I.E.S posts.

(iv) In deciding what posts are suitable for transfer regard should ordinarily be had to the nature of the post and not to the qualifications of the person holding it. Should such a post be at present vacant or should it be held by one whose qualifications manifestly unfit him for promotion to the I.E.S, the future filling of the post should, under the principles explained below, invariably be by an Indian. ~~On the other hand, cases will occur in which posts are unsuitable~~

(v) In filling these posts, the intention of increasing the proportion of ~~the~~ Indians in the I.E.S is to be borne in mind and the instructions conveyed in this dept.letter No.371 dated the 23rd March 1920 (paragraph 12) should be carefully followed. That is to say, the incumbents of the posts now transferred from the Provincial to the I.E.S will ordinarily be Indians and whenever a vacancy occurs among these posts it will invariably be filled by the appointment of an Indian until the number of Indians in the aggregate service becomes equivalent to 50 percent of that service as a whole including these transferred posts.

(vi) In exceptional cases, where the present incumbent of a transferred post happens to be

a European the anomaly should be adjusted by direct recruitment to the ranks of the I.E.S. apart from the transferred posts, of or over and above the prescribed recruitment for Indians for each transferred post, which so be held by a European. On the transfer of the incumbent of the incumbent of such transferred post, it would be filled by an Indian."

It is submitted that ^{above} the ^{instr} ~~instr~~ applies to the filling ^{not only} of posts transferred to the I.E.S. from the M.E.S., but also of posts ^{which} prior to their inclusion in the I.E.S. ^{cadre} were kept outside the regular cadre. The D.P.I. however holds a different view. All orders of Govt. are solicited on the point.

3 In his u.o. note, dated 25th June 1934 (No. 315), the D.P.I. ^{has} suggested that ^{to fill} the vacancy in the I.E.S. cadre caused by the appointment of Messrs. Green and Couldrey to the Principals of the Muhammadan College and the Ceded District College, Anantapur, the Govt. of India may be requested to procure for employment in this presidency the services of a qualified Muhammadan candidate and ^{also} to address the Secretary of State in regard to the recruitment of Mr. H. Parameswaran as Addl. Professor of Physics in the Presidency College. He has also suggested that, in the vacancy caused by the appointment of Mr. Abdul Rahim ~~as~~ as Addl. Dy. Director, the Secretary of State may be moved to recruit an Inspector of vocational training in England. It is for consideration whether these suggestions will be approved.

4 On page 18 ante, the D.P.I. recommends the immediate apptt. to the I.E.S. of Dr. John Mathai, as Mr. Allen is due to retire in October.

It is submitted that the question of Dr. permanent appointment may then be taken consideration.

5 The Govt. of India have again delayed asking for very early reply to their request.

2. In para 5 of letter No.487, regarding the transfer of certain P.E.S. to the I.E.S., the Government of India addressed on the question of inclusion of Principals of the Ceded Districts Anantapur and the Government of Madras, in the cadre of the I.E.S. The Government of India in reply asked that the inclusion of Principals of the I.E.S. of the Principalships of the Ceded Districts, which were not included in the list, should be separately justified. This was done in letter 1217, dated 19-10-20; and in letter No.416, dated 15-3-1921, the Government of India sanctioned it. In reply to a letter dated the 16th May 1921 asking him to submit his recommendations, the D.P.I. promised to do so within a few days and took the opportunity to point out that, as the posts in question were P.E.S. and the I.E.S., they could not be transferred from the P.E.S. as such to the I.E.S. of India.

Madras and Mr. Couldrey to the Ceded Districts College, Anantapur, were accepted. As these were mere postings, proposals for filling up the resulting vacancies in the I.E.S. were still awaited.

3. In the next stage, the D.P.I. wanted to be informed of the instructions and principles enunciated by the Government of India in the matter and referred to by the Secretariat. As these principles are laid down in extenso in the Government of India letter No. 371, dated 23-3-20, already communicated to the D.P.I., his attention was particularly drawn to those instructions. There were ~~then~~ two distinct questions - viz:

(i) what were the orders of the Government of India governing the recruitment to the two posts in questions included in the I.E.S.

(ii) what ~~was~~ ^{were} the two posts to which recruitment was required eventually.

As regards the first part, the D.P.I. again contended that the presumption that the posts should be filled by Indians was wrong, quoting a passage from the Government of India's letter. In regard to the other, he still assumed that the two posts to be filled were the principalships of the two colleges and recommended that enquiries might be made by the Government of India and if necessary, the Secretary of State also, for a suitable recruit for the Muhammadan college, suggesting the appointment of Mr. H. Parameswaran for the Ceded Districts college with consequential transfers and postings.

4. The Secretariat again pointed out that the extract relied ~~only~~ ^{on by} the D.P.I. was inappropriate and that the correct orders of India (quoting them) distinctly covered the case of outside posts transferred to the I.E.S. cadre. They also referred the

the D.P.I to the fact that the two principalships, having been permanently filled up, the recruitment to some other resulting vacancies should be suggested with a view to India being addressed. The D.P.I has now suggested certain alternative appointments and postings, still contesting the point that the two posts should be filled up by Indians.

Paragraph 2 of notes on pp 23-25 fully deals with the latter point. These proposals now satisfy the rules laid down by the Government of India and may be approved.

4. The following statement shows, ~~stage by stage~~, the proposals made by the D.P.I for filling up the two posts:-

D.P.I's proposals dated 22-6-21 (pp. 11-12 ante)	D.P.I's proposals dated 12-7-21. (pp. 17-22 ante)
(1) The Government of India or the Secretary of State to be addressed to recruit a principal for the Muhammadan college (pp. 11-12 ante)	(1) Dr. Mathai to be appointed (a) Professor of Economics in the Presidency college by transfer of Mr. Allen's lien to some vacant post in the I.E.S. or (b) Permanently to any vacant post in the I.E.S. and made to act for Mr. Allen. (pp. 13 ante)
(2) H. Parameswaran to be appointed in the I.E.S. as additional Professor of Physics - Consequent Postings (a) Mr. Seshu Ayyar to be transferred to principalship of a mufassal college (b) Mr. Savor, to be Professor of Applied Mathematics in the Presy. College vice (a) (c) Mr. Anantapadmanabha Rao to be Professor of Physics, Presy. College vice (b)	(2) Same as in col (1) (pp. 19-20 ante)

5. Beside the above two vacancies, there is a third one caused by the appointment of Mr. Abdur Rahim as Additional Deputy Director. The D.P.I. asks that, in this vacancy, the Secretary of State may be moved to recruit an Inspector of Vocational

(A+B+C+D+E+F+G+H+I+J+K+L+M+N+O+P+Q+R+S+T+U+V+W+X+Y+Z)

N.B:- Against the permanent postings of Mr. Green to the Muhammadan College, Madras and of Mr. Couldrey to the Ceded Districts college, Anantapur, on the 'European' side, there are the confirmation of Mr. Mathai and the appointment of Mr. Paramaswaran to the I.E.S. on the 'Indian' side.

It will thus be seen that if the proposals ultimately made by the D.P.I. are sanctioned, the proportions of Indians and Europeans laid down by India will not be disturbed.

7. Orders are now solicited whether the Government will approve the following proposals of the D.P.I. :-

(i) to confirm Dr. Mathai in I.E.S. ✓
(ii) to appoint Mr. Paramaswaran as additional Professor of Physics with consequential postings indicated on page 29 above.

(iii) to apply to the Secretary of State to recruit for an Inspector with the qualifications specified by him on page 8 ^{above} in linked file.

8. If approved, India will be informed by telegram that the two posts of Principals recently included in the I.E.S. have been filled by transfer

transfer of two European officers from the existing cadre, and that consequently the proposals above indicated are made for approval. They may at the same time be informed that, if the proposals are sanctioned along with those already made, the proportion of ~~the~~ Indians and Europeans in the service would be equal.

9. With reference to the D.P.I.'s note on page 20 supra, it is respectfully submitted that all the orders of the Government of India relating to the recruitment to the services were duly communicated to the D.P.I, and the subsequent reference back to him of the proposals in this file had to be made only with the sole object of bringing the proposals in accordance with those orders which had not apparently been brought to his notice by his office.

CA
16.7.21
S

Since writing the above note, the file regarding the appointment of Capt. Shadhip as Professor of Civil Engineering has been received back from circulation. It has been decided to apply for sanction to the appointment of Mr Chakko as Professor. Consequently the number on "European" side will be one less. It will be therefore necessary to drop for the present ~~the case~~ either the confirmation of Dr. Mathai, to be taken up at the next opportunity on the appointment of Mr. Bameswaran.

The appointments now proposed by the D.P.I may be approved.

Re the disturbance of the ratio on account of Captain Shadley's refusal to come out, the inequality maybe rectified later on.

2. Re A on p 20, I welcome the opportunity of discussing this file with the Hon^{ble} the Minister and His Excellency; because I for my own part would welcome their knowing the difficulties I have in dealing with this file. When the DPP says that the principles were not communicated to him, it either means that the Go did not read the G of India letters communicated to him or that his office did not serve him well in putting up the references th quoted by the Sect.

The S of State has issued clear orders and it is my business to see that papers submitted to the Hon^{ble} the Minister are in accordance therewith. And the best proof that I am right & the DPP is my is that his last

recommendations follow the
lines laid down in the Sect note.

Finally I can only add that
before the Honble the Minister
or H.E. is disposed to take an
adverse view of the Sect action
on the DP 26 representation,
it is only fair to me to
be heard

There seems to be good deal of
misunderstanding on both sides. The Secre-

quite full but I did seem to find that
he had no information about G.O., his

On the merits of the case it stands
as follows. I recommend that

1. The proposal to Commission Doctrinal in the I. E. S. is approved.
 2. The proposal to appoint Mr. meswaran, a raw recruit to the I. E. S. is not approved. His indications in para 13 are as good as any that a College proposed and fine to a fair ~~man~~ student in England.

Mr. Prulanaadam is at present holding the post of Cased Districts College and credit to himself and the College. He is in no way bound by any of his standing in efficiency or capacity to manage an institution.

His claims for promotion to I. E. S. are he considered & reported on.

U.O. Reply No. 462, dated 24.8.21

Mr. Allen's lien in the Presidency College may be moved to Principal and Additional Professor of English in the same college, Dr. Matthai being appointed permanently as Professor of Economics. Mr. Allen is due to retire about the 20th of October, two months hence.

Alternatively Dr. Matthai may be appointed as permanent Additional Professor of English in the Presidency College until Mr. Allen retires when he may be appointed as Professor of Economics in the same college.

2 Mr. Arulanandam was born on the 13th of March 1871. He was educated at the following institutions:-

St. John's Middle School, Nazareth up to 1884;
Caldwell High School, Tuticorin, 1885 and 1886;
American High School, Pasumalai, 1887;
Bishop's College, Calcutta and Presidency
College, Calcutta 1888 to 1892;
Non-Collegiate student, Oxford, 1893--1896.

He obtained the B.A degree of the Calcutta University with second-class honours in English Literature and a pass in Greek and Philosophy in 1892. He passed the preliminary examination in Oxford in 1893 and obtained in 1896 a fourth class in the final School of Modern History, Oxford.

He was a lecturer in Bishop's College, Calcutta 1896--1898 and was subsequently a lecturer in St. John's College, Agra. In April 1900 he was appointed sixth Assistant in the Teachers' College, Saidapet on a salary of Rs.75 per mensem and he was confirmed in Government service from the 23rd of September 1902. In March 1910 he was appointed to the Provincial Educational Service in the ninth grade and he has received his promotions in that service in due course.

His record at Oxford was not good. A fourth class in the Final School of Modern History is about the lowest qualification that any serious student can be guilty of and I do not consider him fit for permanent ^{-not as} appointment ~~as~~ Principal of a first-grade college and at his age--50 years--he is neither suited nor qualified by experience for inspecting work.

He is not qualified for the post of Professor in any subject. His name might be considered for appointment to the Indian Educational Service if, and only if, Government sanction the transfer of heads of second-grade colleges from the Madras Educational Service to the Indian Educational Service. He might make a fair Principal of a second-grade college but he has no originality and he can do little more than carry on.

Done (to M) Dap M.

\$-38 note

Of the two alternatives proposed by the Director viz. Dr. Mathur, it seems better to confirm him as Prof. of Economics since he has not got the necessary qualifications for the English Professorship in the Presidency College. Mr. Allen's ~~name~~ ^{addition} may be transferred to the post of ^{addition} Prof. of English in the Presidency College. It is within the competence of his Govt. to do it. ~~It is not within the competence of his Govt. to do it.~~

\$.39 note

2. The D.P.D. is ~~not~~ ^{unable to recommend} ~~the appointment of~~ ^{Mrs. Anubhramandarni to the} ~~post of principal~~ ^{out of the vacancies now in construction} D. & S. in ~~connection~~ ^{With} refer. to the Director's suggestion to consider his name for promotion in connection with the transfer of the four principalships of second grade colleges to the D. & S.; it may be noted that the G. of D. orders sanctioning such transfers have since been ~~forwarded~~ ^{received} & the D.P.D. has been asked to send up proposals for filling the transferred posts. It is asked whether Mr. Anubhramandarni's promotion may await receipt of proposals for filling 2nd grade college principalships. If so, the G. of D. may be told in continuation of the telegram in linked file that one of the two posts with he filled by the appt. of Dr. Mathai & that the other will be left vacant for the time being.

Sir,

Filling of vacancies in the Indian Educational Service—
correspondence ending with my telegram No. 2184, dated the 19th
August 1921.

I am directed to state that the posts of Principals
of the Ceded Districts College, Anantapur and the College for
Muhammadans, Madras, which were newly included in the cadre of the
the Indian Educational Service have been filled by the posting
of officers already in that cadre. As a result of such postings,
two other posts in the cadre viz. of additional Professor of
English, Presidency College, Madras, and Inspector of Schools,
Tanjore, have fallen vacant. This Government have decided to
transfer the lien of Mr. H. J. Allen, Professor of Economics,
Presidency College, Madras (now on leave preparatory to retire-
ment) to the vacant post of Additional Professor of English in
the same College. Dr. John Mathai who is now officiating as
Professor of Economics, Presidency College, has given entire
satisfaction in the discharge of his duties and the Government
in the Ministry of Education are of the opinion that he should
be confirmed in his present appointment. Dr. Mathai's qualifica-
tions will be found set out fully in my letter No. 1073, dated the

2 So far as can be ascertained at present ~~the~~ the following posts in the D. & S. will have to be filled up almost immediately

(i) Post of the Adl. Deputy Director. This has just been ~~added~~ included in the D. & S. Cadre. Mr. N. R. Dattacharya is holding the post temporarily.

(ii) The two posts of Principalship of the Ceded Dist. College and the College for Muhammadans.

The G. of D. have recently sanctioned the transfer of these two posts to the D. & S. and the D. P. D. has been separately asked to send up his recommendations for filling them (Ed. No. 2184/A-1, d/29.6)

U.O. Reply No. 288 Dated 26-5-21

I propose to submit shortly to Government a proposal for filling the post of Additional Deputy Director of Public Instruction by the appointment of Mr. Abdur Rahim, who is now an Inspector of Schools.

I am also submitting to Government proposals to fill the post of Principal of the College for Muhammadans by the appointment of Mr. Green who is returning from leave about the second week in June.

the transfer of Mr. Douglas as Principal of the Arts College, Rajahmundry and the transfer of Mr. Couldrey as Principal of the Ceded Districts College.

It is my intention to submit to Government the name of Dr. John Matthai for confirmation in the post of Professor of Economics in the Presidency College on the retirement of Mr. Allen, unless circumstances intervene which may prevent the carrying out of this intention.

Recruitment from England will probably be necessary in the case of every other vacancy which occurs. We have now only 21 Europeans out of the sanctioned cadre of 46 so that we have already exceeded the 50 per cent Indians which the Government consider might be worked up to in the Indian Educational Service in this Presidency. I hope to submit to Government very shortly any further proposals which I have to make regarding recruitment to the Indian Educational Service.

Law (Ed. M) DapH

The Stat. at 'A' above seems to require elucidation. The sanctioned strength of the I. E. S. cadre is 46 of which 21 are at present held by Europeans and 21 by Indians, the

The undermentioned four posts being permanently vacant:—

- ① Principal, Govt. College, Kumbhakurni
- ② Inspct. of Schools, XI circle. ✓
- ③ Prof. of Civil Engg., College of Engineering
- ④ Prof. of Technical Chemistry, Do.

For the first three, proposals have been subm. for recruitment of Europeans and for the fourth Mr. Superintendent Dhor has been recommended so that eventually there will be 24 Europeans & 22 Indians.

2 With the three ^① addl. posts recently transferred to the D. & S., the cadre will be 49 strong; ~~but now, just before the selection of these appointments, it is necessary to have been in connection with the filling of the posts in the D. & S. file, that the cadre of the three new posts viz the Principalships of the Govt. Muhammadan College & the addl. Govt. College, with ⁴ ~~to~~ ^{has been} ~~to~~ ^{posited and that} ~~has followed a day~~ ^{Indians will have to be} ~~to the cadre of the D. & S.~~ ^{appointed} ~~of~~ ^{that is done,} the distribution will be 24 Europeans and 24 Indians, leaving still one appointment, the Addl. Deputy Directorship to be filled. The question ^{arises whether} ~~is to be~~ ^a~~

A candidate to be recruited to the English Professorship to Presidency College will be to be appd. to this. Mr. Lawrence has been recommended for confirmation. Captain Strachling — recommended for the post.

Addl. Dy. D. & S.

It is suggested that K. R. is appointed addl. Dy. Director

~~a European or Indian should be appointed as District Officer in the place of the present District Officer.~~ If a European, the no. of Europeans and Indians will be 25 and 24 respectively.

2 From the above, it will be seen that there is room for at least two more Indians to be appointed afresh to the D. & S. The S. of D. will have to be told about these three vacancies, specifying the names of candidates considered suitable in the two cases in which it seems necessary to appoint Indians. For the third, the D. P. D. will have to suggest whether a European or an Indian should be recruited. If the former, full particulars as to qualities demanded of the candidate will have to be sent up in the prescribed form.

U.O. No. 315 dated 25.6.21

My remarks on page 3 above with regard to the number of Europeans on the sanctioned cadre were made without having before me the information that Government proposed to recruit three Europeans for vacant posts in the Indian Educational Service.

In connection with the number of sanctioned posts in the Indian Educational Service, I do not think it should be left out of mind that the post of the Superintendent of the School of Arts, Madras, is still an appointment in the Indian Educational Service, held by an European, although the School of Arts and the incumbent of the post of Superintendent are no longer connected with the Educational Department. It is for consideration whether this post should not be ignored in all calculations with reference to the number of appointments in the Indian Educational Service.

I have already submitted my remarks to Government with regard to the filling of the posts of Principals of the Government Muhammadan College and of the Ceded Districts College. If the Government of India is able to supply us with a suitable - Principal for the Government Muhammadan College, who is a Muhammadan, and if Government accept my recommendation that the Secretary of State be

60 60 8

asked to recruit Mr. Parameswara Ayyar to the Indian Educational Service, and if we ignore the post of the Superintendent of the School of Arts, Madras, and if the post which will be rendered vacant by the transfer of Mr. Abdur Rahim to the post of Additional Deputy Director, is filled by the appointment of an European, the service will then contain 24 Europeans and 24 Indians.

After October, however, when Mr. Allen is due to retire and when I propose that Mr. Mathai be appointed in his stead, there will be an excess of Indians over Europeans in the Department.

I suggest, therefore, that the Secretary of State be requested to recruit an European as Inspector of Schools, and in view of the need which at present exists for expert advice on technical and vocational training in order that we may modify our courses and curricula so as to give them where possible a vocational bias, I suggest that the Secretary of State be requested to recruit a graduate of similar qualifications and experience to those recruited by the Board of Education in Great Britain as Inspectors of Technical Schools.
