The attention of Govt has been drawn to the fact that the present scale of boarding grants for European Orphanages, Rs 8 in the mufassal and Rs 10 in the city of Madras was fixed as early as 1906 and it is suggested that it requires substantial enhancement because of the rise in prices. The DPI is requested to examine the point and favour Govt with his remarks at a very early date.

2. If any provision on this account is considered necessary to include in the budget for 1921–22 the approximate amount should be reported to Govt immediately.

From (Name) The Hon'ble Mr.R.G.Grieve, M.A.,

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

With reference to Memorandum No.2061 B-1, Home (Education) Department, dated 20th October 1920, I have the honour to state that the necessity of increasing the present scales of boarding grants for European Orphanages has already been brought to the Director's notice and in the budget estimate for 1921-22 a lump sum of Rs.70,000/- has been included by me to provide for an increase in the scale from Rs.10 to Rs.15 in Madras and from Rs.8 to Rs.12 in the mufassal. This increase was, I find, what Mr.Littlehailes considered suitable and I agree with him. I should add that I have also

proposed

-2-

proposed a lump allotment of Rs.30,000 to provide additional grants for the 'education of the poorer classes of the domiciled community' in the city of Madras. In other words I have proposed to double the estimate under this head. I consider that these increases are necessary in view of the difficulties with which Orphanages are faced in meeting the greatly increased cost of the price of food-stuffs, clothing, washing etc. Some correspondents have stated that their pecuniary difficulties are so serious that they will be unable to face the situation much longer without additional help from Government.

I have the honour to be,

Sir,

Your most obedient servant,

Ag.Director of Public Instruction.

Office Note.

The Reverend Brother Forde of the St.Joseph's Boarding High School, Coonoor, came to see me yesterday pressing for a grant of at least a lakh in aid of an extension to the premises expected to cost 1.30 lakhs. I advised him to put in an applicati at once to the Director of Public Instruction and ask that provision might be included in the budget for 1921-22..

2. He also drew my attention to the fact that the present scale of boarding grants for European orphanages, Rs.8 in the mufassal and Rs.10 in the city of Madras, was fixed many years ago, at least as early as 1906, that it requires substantial enhancement with reference to the rise in prices perhaps even as high as Rs.20. Please examine this point and issue a reference inviting the opinion of the Director of Public Instruction. It may be desirable that he should include some provision on this account in his budget proposals.

The Director has provided a lump sum of Rs 70000 in the budget estimate for 1921-22 on account of increase in the present scales of boarding grants (for European orphanages) from Rs 8 in the mufassal and Rs 10 in the Madras City to Rs 12 and Rs 15 respectively. The sanction of Govt. is required for the proposed increase in the scale of grants and in view of the fact that the proposal involves also an alteration in Article 40 of the Code of Regulations for European schools. In his remarks on the increased provision in the budget estimate, the Dir has stated that he will address the Govt separately on the subject. The Director's proposal may be awaited. Meanwhile the increased provision will be included in the budget
