In January the Secretary of the  
Nagapattanam Viswa Brahma Samajam forwarded  
two resolutions passed at a mass  
meeting of the Community. One  
Resolution Congratulated the Honble,  
Ministers for their being nominated  
by His Excellency and the second  
second requested the Ministers  
to bestow particular attention  
to the improvement of indigenous  
industry belonging to that Community.  
M<sub>3</sub> stated that nothing need  
be done on it for the present. No  
other memorial seems to have been  
received in this Dept.

RSP S. The memorial refd to  
6.4.21. by the X Law Dept was from  
Bezboada to this one A copy of it was

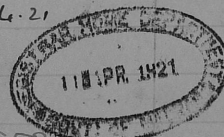

apparently sent to M<sub>3</sub> but it was not received in the Secretariat. The Negapatam memorial received in this dept. in January last contained no "grievances". The request contained in the Begwada memorial is too vague to take any action. The question of Confering special privileges on the Viswa Brahmama Community in the Industrial Schools to be started in the Presidency can be considered ~~at the~~ on its merits on receipt of any request for specific privilege or privileges. It is too general now to take any action. With these remarks the file may be passed back to Law (Eden)

U.O. Reply No.

I am referring to the District Educational Councils the question of revision of the list of backward classes. I suggest the following alternative answer:-

(a) The answer is in the affirmative;

(b) The request made in the memorial will be considered after receipt and consideration of the views of the District Educational Councils on the revision of backward classes.
