clause (a) of the question -

The number of temporary Sub assistant inspectors sanctioned ^(for temporary ranges) since 1912 is noted below: -

<u>year</u>	<u>No. of temps Sub ass't inspectors sanctioned</u>
Sp. 8318 11.9.12. 1912	46 (including two promotions for temporary ranges)
Sp. 9248 7.8.14. 1914	1
Sp. 3788 1.17. 1917.	5
Sp. 4488 9.4.19 1919.	33.

2. clause (b) of the question -

Of the above, all but the 33 temporary posts sanctioned in 1919 were made permanent in 1918 - Vide Sp. No 1293,

(M) dated 27th September 1918. ~~It is not clear~~

There is no information as to when the Sub assistant inspectors appointed to the temporary ranges were actually confirmed. The D.O. may be requested to furnish the information.

It is not clear what is meant by the expression "with what effect occurring in clause (b) of the question. Apparently, the Additional member decided to know whether the confirm

was with retrospective effect from the date on which the sub assistant inspectors in question were first employed in their temporary posts.

It is submitted that the permanent retention of the post ^(themselves) ~~was~~ not sanctioned with retrospective effect in view of the provision in art. 201 + 370 of the C.S. R for the reckoning of temporary service towards leave + pension.

3. clause (c) of the question -

There is no proposal before Govt that the time scale sanctioned for sub assistant inspectors (Rs. 100-5-150-10-250) should take effect from date of confirmation. The Govt have laid down a different method for the application of the new time scale to existing incumbents. Please see para 3 of memo at ④.

4. The D.P.I may be requested to suggest a suitable answer to the question.

U.O. Reply No.

I suggest the following reply :-

(a) The number of temporary ranges of Sub Assistant Inspectors which were sanctioned, in addition to those already in existence prior to these dates, was 46, 1, 5 and 33 in the years 1912, 1914, 1917 and 1919 respectively;

(b) Several persons appointed to these newly created ranges already held appointments in Government service and their confirmation dated from sometime prior to the institution of the new temporary ranges. There was no ^{uniform} specific date for the confirmation of all these persons appointed to these temporary posts but reference to the issues of the ^{of the Education Department} Quarterly List of Officers will indicate the dates of confirmation;

(c) Government is not prepared to answer hypothetical questions
