SUBJECT: WAR CONCESSION TO SCHOOL BOYS

War Service - permission to study in  
the Intermediate Class.

[No. 3669A] From the Resident in Travancore Cochin

Re: P. No. 1458 of 25.7.31

no

The petitioner, who has not passed the S.S.L.C. examination, has petitioned the Gov. of India praying that he may be allowed to study in the Inter. class on the ground of his war service - vide his petition at pp 4-5 of 27. The only concessions that have been granted in this in favour of under graduates who joined the I.A. 7. - No. 1498 of 26.11.17. No such concessions have been extended to S.S.L.C. students and no exemption appears to have been made. The question of admission into the University of a student who has not completed his S.S.L.C. course is one for consideration by the University itself and it would not seem proper for Gov. to interfere. In 1918, one

requesting that he might be declared  
eligible for a University course on the  
fines of his I.D.I. training but  
~~will be seen from the note to~~  
~~Go. dated 22.11.18~~ The Gov. were  
not prepared to interfere as the  
University did not give any hope.  
In the circumstances it seems hardly  
likely that the University would  
accede to the request of the petitioner  
<sup>because</sup> as he has been field service,  
especially in view of the fact that  
para. 2 of his petition applies. The Public S.P.J. of the Travancore State  
has declined to consider his case.

∴ It is ordered whether the  
petition will be forwarded to the  
Gov. of India. It <sup>is doubtful whether it can</sup> ~~be~~ <sup>be</sup>

P.T.O.

U.O.Reply No.

The petition is of far too general a character. The applicant does not state either the college or the University to which he desires admission. So far as the Madras University is concerned the Syndicate has refused even to consider an application for admission to a University course of study unless that application is submitted by the head of a college affiliated to the University which is prepared to admit the applicant.

The case is covered by regulation 2 of Chapter XVI of the Regulations of the Madras University, vide University Calendar for 1921, Vol.I.

The University can admit only such candidates as are under its regulations and its powers of exemption eligible for admission to a University course of studies.

Sir,

[Petition from C. Chaudy - Sakinada -  
Clark of the Egyptian Expeditionary  
Force - Permission to Study in an  
Arts College]

I am directed to state that  
under the regulations issued by the  
University of Madras, applicants  
for admission into an Arts  
College must either be holders of  
Secondary School Leaving Certificates  
issued under the authority of the Govt. of  
Madras <sup>or Mercantile</sup> ~~and~~ accept by the Syndicate,  
or must have passed the Matriculation  
exam <sup>held by the University</sup> ~~or~~ have other exam.  
accept by the Syndicate as equivalent  
there to. The University can  
admit only such candidates as are  
under its regulations ~~and~~  
~~pass of exception~~ eligible for  
admission to a University Course  
of Study. So far, the Syndicate of the Local University  
has refused even to consider an  
application for admission to a University  
Course of Study unless that  
application is submitted by the  
head of a College affiliated  
to the University which is  
prepared

prepared to admit the  
applicant. It does not  
appear from the petition that  
the head of any College is willing  
to admit the petitioner into the  
Junior Intermediate Class and  
the University is <sup>therefore</sup> not likely to  
accede to his request.
