The resolution was discussed and it
was forcibly pointed out by the

honble Mr. Toshunter that financial
considerations prevented the acceptance of
the resolution which was eventually
withdrawn. The Govt. have already
declared in unmistakable terms

their attitude in relation to teachers in local Board to Municipal Service - para 9 of Sec. No. 499 Int. (d) 1.6.20.

2 Since The only progress made since the last resolution is an examination of the possibility of continuing ^{to local board} for the current year the Subscribers sanctioned last year towards the payment of Rs 4 allowance to elementary school teachers ^{in their employ}. The case has just gone to L. S. C. with a suggestion that the expense on this account might well come out of the assumptions ^{of balances} ~~made towards the close of last year~~ ~~made towards the close of last year~~.

For financial reasons the resolution will have to be opposed.

Aid to local boards for raising the pay of elementary school teachers.

P. 42
"64. That this Council recommends to the Government that the local boards be assisted from provincial revenue so as to enable them to raise the minimum pay of the elementary school teachers to Rs. 30 and Rs. 20, respectively, for the higher and lower grade trained teachers."

Sriman BISWANATH DAS :—"I beg to move this resolution. Before proceeding with my arguments regarding this resolution I would like to speak something regarding the elementary school teachers. There seems to have been some confusion in the mere expression 'elementary school teachers'. By elementary school teachers I never mean untrained elementary school teachers."

Hon'ble Mr. A. P. PATRO :—"I beg to rise to a point of order. A resolution with an identical request was moved in February by Mr. Sivasankaram Pillai."

Hon'ble the PRESIDENT :—"May I know what it is?"

Hon'ble Mr. A. P. PATRO :—"The resolution runs thus :—

"That this Council recommends to the Government that steps may be taken for the enhancement of subsidies paid to the local bodies towards expansion of elementary education so as to enable the said bodies to raise the salaries of the trained elementary school teachers of the higher and lower grades to Rs. 35 and Rs. 30 respectively with effect from 1st April 1921, refusing if necessary the allotment under furniture and school buildings to elementary schools."

"It was discussed and finally withdrawn."

Hon'ble the PRESIDENT to Sriman Biswanatha Das :—"Has the Honourable Member anything to say to that point?"

Sriman BISWANATHA DAS :—"Mine is a specific resolution asking for the minimum salaries of teachers to be raised to Rs. 30 and Rs. 20."

Hon'ble the PRESIDENT :—"Under the Standing Orders it must be disallowed. I may also point out in this connexion that when Government in any department finds that a particular resolution tabled on the agenda has already been disposed of they must bring it at once to the notice of the Legislative Council Office so that it may not go into the agenda. It is possible for the Government to know that a particular resolution has been debated upon. If they had brought this resolution to notice it would have been removed from the agenda. It would save the time, both of the Government and the Council. As it is, this resolution could not be discussed. We must remove it from the agenda."
