From (Name) R.Littlehailes Esq., M.A.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

L a w (Education) Department.

Sir,

I have the honour to state that in G.O.No.1162 Home (Education) dated 5th October 1920, Government sanctioned the proposal to open preparatory classes in certain selected Elementary Training Schools for mistress-es for the benefit of such of the Hindu women, as are by reason of their low educational qualifications ineligible for admission into the Elementary Training Class. An

instance of a Moplah woman who does not possess the requisite qualifications for admission into the Elementary Training Class is brought to my notice for favourable consideration. I consider that the privilege sanctioned for Hindu women should be extended to Moplah and other Muhammadan women, the number of such being very few. I therefore request that Government may be pleased to declare the preparatory classes open to all Muhammadan women.

I have the honour to be,

Sir,

Your most obedient servant,

M. A. Shereef

For Director of Public Instruction.

The Dir states that the privilege sanctioned for Hindu Women may be "extended to Moplah and other Muhammadan women, the number of such being very few." It was understood by the office that the number being few ~~and~~ ~~and~~ the stipends to be awarded to them can easily be met from the 109 stipends at the rate of Rs 10-8-0 each p.m. sanctioned in G.O. No. 462 Home Ed. 5th Oct 1910. If the Dir means otherwise, he ~~should~~ have applied for the sanction of more stipends in his current letter. It is in this view that the remark that "the presumption is A is correct," was made by the office. If this view is not accepted, the draft no. note to the D.P.I. is subd for approval.

We need not make a reference. We may sanction the proposal subject to the proviso of Rs 10-8-0 p.m. & addl 82 stipends ⁸⁰⁹ ~~are~~ needed, they may come up for sanction. Draft as awarded by office. A 8/9/11 4/11

What is your authority? I don't believe
 the Director means this. He says that
 the no. of Hindu women is "very few" & presumably
 means that the cost is comparatively not much.
