In Geo N^o 894 Home (Govt) 2/6/07
the D. P. I. has been empowered to
relax in the case of girls the
rule fixing at 15 the minimum
age of a pupil for admission
to the S. S. L. C. public examination
and in Geo N^o 672 Law (Govt) 2
27. 4. 21 the Govt. have ordered that,
while ordinarily the minimum age of
a pupil for admission to the S. S. L. C.
public examination should continue
to be 15, there should be a provision
for the grant of exemption by the
D. P. I. for a period not exceeding
one year in favour of pupils
whose applications for exemption
are supported by the headmasters
of the ^{respective} institutions, provided
they are invariably accompanied by
certificates of physical fitness
from registered medical practitioners
Thus both in the case of boys and
of girls the rule has only been
modified and there is now no
proposal to abrogate it. It
may be noted in this connection
that, even in the case of the Matriculation

The Age-Limit

We publish elsewhere the details of the new Government Order regarding the age of candidates for the S.S.L.C. Examination in Madras. While the limit will be 15 as hitherto, exemptions will be granted in cases recommended by Headmasters and accompanied by certificates of physical fitness so long as there is only one year or less to be made up. We understand that such exemptions were granted in respect of the examination held this year, and to that extent the concession is welcome. But we fail to see altogether the need for the restriction and we hope that the Local Council will see that it is removed at a very early date.
