With reference to part (b) of

to the answer to a somewhat
similar question which was
to have been asked at the
meeting of the Legislative Council
held in November 1919, from
which it will be observed that
~~when suitable men are available~~
~~it is not the practice to~~
appoint for more than three
years the same person as Chief
or Asst Examiner for Govt exam-

is appointed ex-officio.

U.O. Reply No. 9 dated the 25/7/21

I suggest the following reply:-

Government are informed that

(a) the main principles according to which examiners and assistant examiners are now selected for the Secondary School Leaving Certificate examination are:-

(1) that the persons selected are competent to examine;

(2) that in order to ensure continuity of work and invariability of standard, at least the majority of the chief examiners in any year should be retained for the succeeding year;

(3) that all secondary schools in the presidency are, so far as is possible, represented on the Board by members of their staff as Chief Examiners or as Assistant examiners;

(4) in order to give effect to (3) supra, assistant examiners are usually appointed for only one year at a time, and

(5) Chief examinerships should not ordinarily be held by the same person for more than three consecutive years.

(b) The appointments made are not prejudicial to a number of educationists, and

(c) A statement is laid on the table.
