 as the present Vice-Chancellor is

 the resolutions of the Senate ~~those~~

 the discussions in the Senate in
 a manner which may not be
 conducive to the smooth working
 of the University. It is submitted
 that the resolutions of the Senate have
 to be approved by the Minister for
 Education and not by ~~any~~
 any member of the Executive Council.
 It is not therefore clear how the
 fact that the Vice-Chancellor is a
 member of the Executive Council
 will affect the "smooth administra-
 tive working of the University." The
 following draft answer is for approval

 the Ministry of Education does not agree
 with the Vice Chancellor who is a member

 simply say "yes" in answer to this question.
