157. To ask the Hon'ble the Minister for
Education -

(a) to state the total number of elementary
schools proposed to be opened in the last
official year by the several local boards in
the Presidency and recommended by the educational
officers for Government sanction.

(b) whether it is a fact that no schools were
sanctioned in the last official year and how many
schools have been sanctioned out of them in the
current year.

Law (Edn) Dept.

The budget for 1920-21 contained a provision
of 3 lakhs for the opening of new ele-
mentary schools &c. The no. of schools
proposed to be opened by local bodies
was 755 for girls & 1,711 for boys. To
keep the cost within ~~their~~ limits, the
Director ^{at first} recommended the opening of 605
schools for ^{girls} and 107 for ^{boys}.

Coming to parity of funds however
the D.P. 2. was asked to send up
proposals which would ^{an expenditure of} involve ^{for} not
more than 2.80 lakhs. ^{for} ultimately
the Director proposed the opening
of 65 schools for boys & 383 for
girls. So far as last year was concerned
it was practicable only to distribute
about .33 lakh towards the equipment
needed for the above-mentioned schools.
The schools are to be opened only
in the current year. The file on
the subject had been sent to the
D.P. 2. w/o for furnishing information
as to the amount of subsidies that
should be placed at the disposal of
each taluk board and municipal
Council.

2 As regards the answer to
be given to that part of the question
which asks for the no. of schools
recommended by the educational
officers, it seems sufficient to mention
only the revised numbers (65 for boys &
383 for girls) and not those originally
proposed by the D.P. 2.

below

below is for appl: -

" The no. of new elementary schools

The file may be sent up to the D.P.O. for remarks on the above draft and sent.
