At the last session of the Legislative Council Mr S. Srinivasa Ayyangar proposed to move a resolution similar to the one now brought forward by Mr K. Prabhakaram Tampam. Attention is solicited to the note on the former resolution (A). The resolution was not, however, moved in the Council by Mr Srinivasa Ayyangar. It may be noted also that Mr Ramalinga Chettiyar has given notice of a similar resolution ^(for the ensuing meeting) dealing with the question of ~~the~~ the reform of secondary education & the Constitution of a Board of Secondary & Intermediate education. The whole question has been noted on fully in that connection.

2. Orders are solicited as to whether the further information should be called for, whether the resolution should be discussed in the cabinet & as to who will be in charge of the resolution.

U.O.Reply No.

I have already noted elsewhere that I see no strong objection to Government now appointing a committee to consider the applicability to this presidency of the Calcutta University Commission Report in the light of the recommendations of the University of Madras. If Government accept such a suggestion there will be no need of the committee suggested by Mr.Prabhakaran Thampan.
