It is observed from the  
general report on the estimates  
that the work will be completed  
in six months from date of  
receipt of sanction. As it is  
likely therefore that the grant  
might have to be paid during  
the current year, the D.P.J. may  
be consulted no whether it could  
be met from the provision of  
Rs. 1, 13, 500 <sup>for</sup> under building grants  
under 31(B)(b)(ii) — Education —  
Secondary — Direct grants to non-  
govt. Secondary Schools.

The balance available out of the current year's budget is Rs.50,662/-.

It is customary to pay grants, all of which are sanctioned as payable only when funds are available first to those institutions which have their work first completed, and if the current year's budget does not suffice for all demands and if money cannot be found by reappropriation to meet the demands the cost is met from next year's allotment. It is probable that if this grant is sanctioned payment of this or of some other grant will have to be made from next year's allotment.

The grant may be sanctioned on the understanding that the current year's budget provision is not needed.
