Letter—from H. SHARP, Esq., C.S.I., C.I.E. Secretary to the Government of India, Department of Education (Education).

To—the Secretary to the Government of Madras, Home (Education) Department.

Dated—Delhi, the 15th December 1920.

No.—1517.

I am directed to refer to this Department letter No. 853, dated the 6th July 1920, on the subject of the allotment of selection grade posts in the Indian Educational Service.

2. In paragraph 4 thereof it was stated that as new posts were added to the cadre, a report should be made to the Government of India showing the total number of posts (including such new posts) in order that the question might be considered whether the Presidency becomes entitled to a new selection grade post and, if so, in which grade.

3. In accordance with these instructions the Government of India have received requests from certain local Governments for an additional allotment of selection grade posts consequent on an increase in the strength of the provincial cadre. As the Secretary of State's orders were that the number of selection grade posts should be proportionate to the total cadre of this service, it was clear that recalculations of the number of such posts from time to time permissible would have to be made on a consideration of the numbers in the service as a whole. In order to avoid the inevitable confusion and delay entailed in such constant recalculations the Government of India have decided, with the approval of the Secretary of State, to empower each local Government and Administration to increase the number of its selection grade posts, both lower and higher, in proportion to its own cadre, with the proviso that no increase in the cadre of a province should be held to justify the creation of a new selection grade post until at least 0.7 of a new unit post is rendered permissible by such increase.

4. With reference to the question of the creation of new selection grade posts as a result of the transfer of appointments from the provincial and outside services to the Indian Educational Service sanctioned in this Department letter No. 1092, dated the 27th August 1920, I am to say that the Government of India consider that this increase constitutes a fortuitous windfall and that the immediate computation of selection grade posts thereon is likely to give undue promotion in certain cases. They are, therefore, of opinion that selection grade posts thus made permissible should not be created until the 1st April 1921, when it will be open to the local Government to create such posts on the calculation of their cadre as expanded by transfers. But it will not be incumbent on a local Government to create the full number so admissible if they consider that the seniority and merits of officers do not deserve this; nor will it be open to the officers concerned to claim the creation of any such posts.

5. I am to suggest that, with the permission of His Excellency the Governor in Council, the proposals made in your letters No. 940, dated the 17th August 1920, and No. 1286, dated the 3rd November 1920, paragraph 6, may be dealt with accordingly.

No. 1329, LAW (EDUCATION), 16TH SEPTEMBER 1921

Letter—from R. G. GRIEVE, Esq., M.A., Acting Director of Public Instruction,
Madras.

To—the Secretary to Government, Home (Education) Department.

Dated—the 15th February 1921.

No.—Cur. 1545.

I have the honour to recommend that the three posts to be added to the lower selection grade in the Indian Educational Service from 1st April 1921, consequent on the transfer of certain posts from the Madras Educational Service to the Indian Educational Service, be filled by the promotion of the three senior officers in that service, i.e., Messrs. W. E. Smith, C. L. Cartwright and W. S. Hadaway. Mr. Smith has been on military service since September 1915 and the fact that he was not able to join his appointment on demobilization should not count against his prospects of promotion in the service. His work before going on such service was good. This recommendation, however, must be subject to his return at a reasonable date and to the final decision to be arrived at on his case. Mr. Cartwright has done consistently satisfactory work. Mr. Hadaway's services have recently been transferred to the Department of Industries and it was definitely stated that such transfer was not to prejudice his prospects of promotion. If he is transferred to the Department of Industries permanently it will be for that Department to fix his pay but he should be considered in the present connexion.

Order—No. 1329, Law (Education), dated 16th September 1921.

Recorded.

2. The Government are pleased to create, with effect from the 1st April 1921, three posts in the lower selection grade of the Indian Educational Service (men's branch) and to promote thereto the undermentioned officers :—

Mr. W. E. Smith,

Mr. C. L. Cartwright,

Mr. W. S. Hadaway.

3. The extra expenditure involved in the promotion of Messrs. Smith and Cartwright should be met by reappropriation within the budget grants for 1921-22 under the head 31. EDUCATION.

4. Orders in regard to the provision of funds for the additional expenditure on account of the promotion of Mr. Hadaway will issue in the Development Department.

LAW (EDUCATION) DEPARTMENT.
NOTES CONNECTED WITH G.O. No. 1329, LAW (EDUCATION),
DATED 16TH SEPTEMBER 1921

[SUBJECT.— Selection grade posts.]

From the Government of India, Department of Education, No. 1517, dated
28th October 1920.

The number of posts in the cadre of the Indian Educational Service (excluding those transferred from the Madras Educational Service to the Indian Educational Service) is 33. As pointed out in paragraph 2 of letter No. 940, dated 17th August 1920, the number of posts in the higher selection grade works out to $1\frac{13}{20}$ and that in the lower to $4\frac{19}{20}$. The number already allotted is two in the higher and four in the lower grade. With reference to the ruling now issued by the Government of India, the Accountant-General may, it is submitted, be asked u.o. whether the Government may create at once an additional post in the lower selection grade.

2. With reference to the recommendation made in paragraph 6 of letter No. 1286, dated 3rd November 1920, the Government of India state that any new posts in the selection grades, consequent on the transfer of posts from the Madras Educational Service to the Indian Educational Service, should be created only from the 1st April 1921. If the Accountant-General agrees to the immediate addition of one post to the lower selection grade, two new posts in that grade may be created from the 1st April 1921. The Director of Public Instruction may be asked whether he recommends such a course in the light of the observations of the Government of India. The file may, on return from the Accountant-General, be sent u.o. to the Director of Public Instruction.

A.V.S.—14-1-21. N.K.—17-1-21. C. RAMANUJA ACHARIYAR—18-1-21.
R. RAMACHANDRA RAO—19-1-21.

OFFICE OF THE ACCOUNTANT-GENERAL.

In the Government of India letter No. 1517 (Education), dated 15th December 1920, the Local Government is empowered to increase the number of its selection grade posts, both higher and lower, in proportion to its total cadre, only when at least 0.7 of a new unit post is admissible. For the purpose of this calculation, the number of selection grade posts admissible should first be determined by taking the number of the higher and the lower grade posts together, and the allocation between the higher and the lower should then be made. As the total number of selection posts that can be admitted is 20 per cent of 33 or 6.6 and as there are already 6 posts in existence, only 0.6 of a new unit post is rendered permissible, and no additional post can therefore be created at present.

W. D. WOOLLAM—4-2-21.

LAW (EDUCATION) DEPARTMENT.

According to the Accountant-General's interpretation, it is not permissible to create any additional selection grade post forthwith.

2. With reference to paragraph 4 of India's letter, it is open to us to create three posts in the lower selection grade, with effect from 1st April 1921. The Director of Public Instruction may be asked unofficially to submit his views in regard to the creation and filling of these posts.

2 NOTES to G.O. No. 1329, LAW (EDUCATION), 16TH SEPTEMBER 1921

DIRECTOR OF PUBLIC INSTRUCTION.

I shall submit proposals for the filling up of three posts in the selection grade. I see no reason why they should not all be created.

R. G. GRIEVE—12-2-21.

LAW (EDUCATION) DEPARTMENT.

May await receipt of formal proposals.

E.A.V.—14-2-21.

C. RAMANUJA ACHARIYAR—16-2-21.

From the Director of Public Instruction, C. No. 1545 21, dated 15th February 1921.

The Director's proposal, since received, to fill the three additional lower grade selection posts by the promotion thereto of the senior officers in the Indian Educational Service, viz., Messrs W. E. Smith, C. L. Cartwright and W. S. Hadaway is in order.

2. The papers regarding return of Mr. Erlam Smith to India are in G.Os. Nos. 53, Education, dated 10th January 1921 and 301, dated 2nd March 1921. According to the latest intimation from the India Office Mr. Smith should have left London on the 11th February.

3. Attention is also solicited to the Hon'ble the Minister's note at page 28 of the note file in the linked case in regard to the promotion of Mr. K. Ramunni Menon of the Presidency College to the selection grade. The Government of India have again declined to grant him a personal allowance.

4. As regards Mr. Hadaway, it has been distinctly laid down that while, in the Department of Industries, he is to continue to draw his personal pay as member of the Indian Educational Service—paragraph 1 of G.O. No. 1078, Education, dated 17th September 1920.

DEVELOPMENT DEPARTMENT.

The proposal to promote Mr. Hadaway to the lower selection grade on Rs. 1,250—50—1,500/overseas allowance Rs. 250/ May be accepted in this department and the file returned to Law (Education) department.

U.S.P.—24-3-21.

C. J. PAUL—23-3-21.

Provided it is not going to cost this department anything more. Is it?

J. M. TURING—30-3-21.

The extra expenditure necessitated by Mr. Hadaway's promotion to the lower selection grade will have to be met from the Industries Budget. As there is no provision made for this promotion in the budget for 1921-22 the cost will have to be met by reappropriation.

U.S.P.—31-3-21.

C.J.P.—1-4-21.

Apparently there is no way out of this and we shall have to find funds during this year by reappropriation. The extra cost will be about Rs. 6,000. The School of Arts was transferred along with the services of Mr. Hadaway to this department in October last. This department has no reason to object to the promotion of Hadaway to the selection grade, since it is considered desirable by the Education department under which he worked until the date noted above. We had no information about this when our budget was prepared. I should be glad however if Home would send the file to M-3, before final orders are passed.

J.M.T.—2-4-21.

LAW (EDUCATION) DEPARTMENT.

Submitted for approval of the Director of Public Instruction's recommendations (pages 3 and 4, current file). Attention is invited to the Honourable the Minister's note dated 21st January 1921, at page 28 of G.O. No. 434, Education, dated 21st March 1921 regarding Mr. Ramunni Menon.

FINANCE DEPARTMENT.

The creation of three lower grade selection posts in the Indian Educational Service proposed in the draft is apparently justified on the present strength of the service (46) after the addition of the 13 posts sanctioned in G.O. No. 1285, Education, dated 3rd November 1920. It is however observed that out of these 13 posts, four posts are temporary. Law (Education) may be requested to consider (and if necessary to consult the Accountant-General) whether the number of selection grade posts can be fixed after taking into account temporary posts. Subject to this remark, the draft may be accepted.

T.R.N.N.—27-8-21.

V. GOPALAKRISHNA AYYAR—28-8-21.

P. L. MOORE—29-8-21.

LAW (EDUCATION) DEPARTMENT.

Of the 13 posts transferred from the Provincial to the Indian Educational Service last year, four were no doubt temporary. In passing orders on the subject of the promotion of thirteen officers for these posts the Government of India stated that 'these officers will be considered to have been *substantively* appointed to the Indian Educational Service with effect from 23rd February 1921' (the date of receipt by the Government of India of the Secretary of State's orders). It will appear from this that that Government have treated these posts as permanent and there appears to be no objection to treating them so, for the purpose of the calculation of the number of selection grade posts. It may be pointed out that the Accountant-General has not asked that the sanction of higher authority should be obtained to the continued retention of the four posts in question.

2. Besides the Government of India have sanctioned the transfer of six additional posts to the Indian Educational Service with effect from 1st September 1920. The post of Additional Deputy Director has also been made permanent. This has the effect of raising the total cadre from 46 to 53 and the number of selection grade posts admissible, to ten in all. The creation of only three posts in the lower selection grade as proposed in the draft can be made without any fear of audit objection as the total number of selection grade posts will be only nine (two higher and seven lower selection grade posts.)
