Sir,

I have the honour to forward herewith an indent for rubber stamps required for the use of this office, returned by the Superintendent of Government Press, Madras, for retransmission through the President, District Board, Chittoor, perhaps under the idea that this office is subordinate to the District Board's Office. In this connection I request that the Government will be pleased to include the name of "District Educational Councils" in Appendix III Volume II of the Madras Stationery Manual to avoid unnecessary correspondence with the Government on such matters in future.

The office of the D.E.C is a small one & their requirements in the matter of stationery may not be large. ~~It is~~ There appears, however, to be no objection to the adoption of the suggestion of the Chittoor President ^(It may be constructed). It is, however, for consideration whether any scale should be fixed as to the quantity of each articles to be indented for by each Council.
