Letter—from H. SHARP, Esq., C.S.I., C.I.E., Secretary to the Government of India, Department of Education (Education).

To—the Secretary to the Government of Madras, Home (Education) Department.

Dated—Simla, the 2nd June 1921.

No.—786.

In continuation of the correspondence ending with this Department letter No. 165, dated the 12th February 1919, regarding the grant of concessions to meet the education of the children of Indian soldiers who died or were permanently incapacitated in the war, I am directed to state that the Government of the Punjab have since extended the benefit of the scheme to the children of all Indian soldiers, whether combatant or non-combatant, who were on the active list between the 4th August 1914 and the 11th November 1919 and are not in affluent circumstances.

2. It has now been suggested that the scope of the scheme be further extended so as to include the children of all ranks of the Imperial Service Troops who are residents of British India and who were on the active list between the 4th August 1914 and the 11th November 1919 in all cases in which the parents or guardians of such children are not in affluent circumstances.

3. The Government of India have already approved of the action taken by the Punjab Government and further consider it desirable to extend the scope of the scheme as indicated in the preceding paragraph. I am however to say that as the matter is one primarily for the consideration of the Local Government, the Government of India have no intention of passing any orders but merely desire to place before the Local Government the policy which they would have been prepared to opt in the matter.

Order—No. 1334, Law (Education), dated 16th September 1921.

The Government are pleased to extend the concessions sanctioned in G.O. No. 663, Home (Education), dated 23rd May 1918, to the children of all Indian soldiers, whether combatant or non-combatant, who were on the active list between the 4th August 1914 and the 11th November 1919 and are not in affluent circumstances, and to the children of all ranks of the Imperial Service Troops who are residents of British India and who were on the active list between the abovementioned dates in all cases in which the parents or guardians of such children are not in affluent circumstances.

2. The Government hope that local bodies will meet from their own funds any expenditure falling directly on them in consequence of the grant of the concessions.

No. 1334, LAW (EDUCATION), 16TH SEPTEMBER 1921

3. The parent or guardian of every child claiming the concessions herein sanctioned should provide himself with a certificate as to the child's eligibility therefor signed by the Secretary to the District Soldiers' committee or by an officer of the Revenue Department of not lower rank than the Deputy Tahsildar.

The Govt of India desire that

The proposal of the Secretariat is apparently to confer ^{the} concessions in column 1 ^{12.4.21} all classes of soldiers referred to in paras 1 and 2 of the current file. I agree, but anticipate that difficulties will arise in defining 'affluent circumstances'. Probably a certificate from the Deputy Collector to the effect that a person is not in affluent circumstances may be necessary.
