Station Madras, Dated the 13th May 1921.

From (Name) R. Littlehales Esq, M. A.,

(Designation) Director of Public Instruction,

To The Secretary to the Government of Madras,

Law (Education) Department.
through the Accountant General, Madras.

Sir,

I have the honour to submit for the sanction of Government the following proposals for attaching secondary training classes to the Government Secondary and Training School for mistresses, Rajahmundry and the Government Girls' High School, Cannanore, and for the revision of staff of the former with effect from the 1st July 1921.

2. The rapid expansion of girls' education in recent years has greatly increased the demand for secondary grade

women

women teachers, while the number of institutions training such teachers has remained stationary. For the successful working of the new secondary and training schools and for making further expansion possible, a large increase in the supply of secondary grade women teachers is essential and I ^{therefore} consider that secondary training classes should be opened at suitable centres to provide facilities for women who are desirous of being trained for the teaching profession.

3. Rajahmundry:- There is at present no training school of the secondary grade in the Telugu Districts and students desirous of undergoing such training have to seek admission in the Madras schools. Ten Telugu students are now undergoing training in the secondary grade junior class of the Government Secondary and Training School, Triplicane, and if facilities be provided nearer home, a larger number may seek admission for training. Provision may therefore be made for admitting 10 students every year. The Inspectress of Girls' Schools, Northern Circle reports that the proposed training class can be accommodated in the existing building. In the event of my proposal being sanctioned I intend to transfer the Telugu students from the Triplicane school to Rajahmundry for their 2nd year's course.

As regards staff, 2 trained graduates are necessary for the 2 divisions of the secondary grade class. As the two temporary posts on Rs.125 each per mensem sanctioned for the school in G.O.No.1403 Home (Education) dated 2nd December 1920, have remained vacant owing to the difficulty of securing the services of trained women graduates on the sanctioned pay, I recommend that the pay of the two teachers for the secondary training

training class be fixed at Rs.150 each per mensem exclusive of temporary additions to pay.

Provision will also have to be made for an expenditure of Rs.500 in 1921-22 for initial equipment.

4. Cannanore:- Malabar is one of the educationally forward districts with 6 secondary, 293 Elementary and 2 training schools, ^{but} neither of the two training schools at Calicut or Tellicherry trains teachers for the secondary grade. I therefore recommend that a secondary training class be attached to the Government Girls' High School, Cannanore. The Inspectress of Girls' Schools, Western Circle reports that 10 students, viz, 8 Secondary School Leaving Certificate ^{holders} and 2 Intermediates ^{students}, will seek admission and that the proposed class can be accommodated in the existing building. Provision may therefore be made for admitting 10 students every year. The lower classes and forms of the High School will form a suitable practising department for the students under training.

As regards staff two trained graduates are necessary and I recommend that two teachers on Rs.125 each per mensem exclusive of temporary additions to pay be sanctioned.

Provision will also have to be made for an expenditure of Rs.500 for initial equipment in 1921-22.

5. The extra recurring expenditure involved by these proposals amounts to Rs.13,800 as detailed hereunder:-

	Rs.
(a) 2 teachers on Rs.150 plus 30 each permensem	4,320
(b) 2 teachers on Rs.125 plus 25 each per mensem	3,600
(c) 40 stipends at Rs.14 per mensem (20 for 8 months and 20 for 13 months)	5,880
Total	13,800

The

Trained graduates are available at Cannanore for this amount, but not in Rajahmundry

It is presumed that they belong to the Telugu districts.

(2)

The extra expenditure in 1921-22 on account of the two secondary training classes amounts to Rs. 8,520 as shown hereunder:-

	Rs.
<u>Recurring</u>	
2 teachers on Rs.150 plus 30 each per mensem for 8 months	2,880
2 teachers on Rs.125 plus 25 each per mensem for 8 months	2,400
20 stipends at Rs.14 per mensem for 8 months	2,240
Total	7,520
<u>Non-recurring</u>	
Initial equipment	1,000
Total	8,520

6. There are now 150 girls in the secondary department of the Government Secondary and Training School, Rajahmundry distributed among the several classes as detailed in the

Form V	5	margin. It is proposed to open Form VI in July next,
Form IV	5	when the number of sections will be 12. The sanctioned
Form III	3	staff consists of only 9 teachers, 2(125) (temporary),
Form II	6	2(25-1-30), 3(20-1-25) and 2(15-1-20), excluding the
Form I	13	Superintendent and the teachers of technical subjects.
Class V	15	The appointment of 3 more teachers, viz., a trained
Class IV	20	graduate for Form VI and 2 secondary grade teachers
Class III	17	for the lower forms, is therefore necessary. I
Class II	23	accordingly recommend that a trained graduate on
Class I	43	Rs.150 per mensem and 2 teachers on Rs.40 each per mensem
Total	150	exclusive of temporary additions to pay, be sanctioned. I

further request that, for the reasons explained in para 3 supra, the pay of the 2 temporary posts on Rs.125 each per mensem.

sanctioned

sanctioned in G.O.No. 1403 Home (Education) dated 2nd December 1920 may be raised to Rs.150 each per mensem, exclusive of temporary additions to pay and be retained permanently so as to make it possible to appoint trained women graduates for Forms IV to VI.

The extra expenditure in 1921-22 involved by this revision amounts to Rs.2,752.

7. The total expenditure in 1921-22 on account of these proposals comes to Rs.11,272 which can be met from the lump provision of Rs. 1 lakh included under 31 D(b) - Education - Special - in the Budget Estimate for the current year for the opening of additional training schools for masters and mistresses.

8. I enclose herewith statements showing the scales of staff and pay sanctioned for the 2 schools.

I have the honour to be,

For graduates a pay of Rs.150 plus Rs.30 is

indispensable at Rajahmundry. An additional reason

for granting this pay is that it is almost impossi-

ble to secure accommodation in Rajahmundry except

by payment of an exceptionally high rent. If

Government fix the pay at Rs.125 plus Rs.25 the

posts will remain vacant. Government does not recog-

nise that transfers of women officers are not

easily made and that resignations consequent

transfers which are not appreciated by the women

transferred are not unknown.

2. I agree to the proposal fixing the pay of the

two secondary posts at Rs.45 inclusive of the tem-

porary increase provided that early orders will

issue fixing the pay at Rs.45-3-90/-.
