Station Madras, Dated the 25th September 1920.

From (Name) The Hon'ble Mr. R. G. Grieve, M.A.,

(Designation) Agt. Director of Public Instruction,

To The Secretary to the Government of Madras,

Home (Education) Department.
through the Accountant General, Madras.

Sir,

I have the honour to invite a reference to G.O. No.434 Educational, dated 21st May 1912, sanctioning conveyance allowances of Rs.50 and Rs.30 per mensem to the Inspectress of Girls' Schools, Central Circle and the Assistant Inspectress of Girls' Schools, Madras Girls' Range respectively.

2. When recommending these allowances, Sir Henry Stone in his letter R.C.No. 4052/11, dated 3rd August 1911, stated that the Inspectress and the Assistant Inspectress had inspection work in Madras which is their headquarters

Page 2 of 80
63-50, 2

(H)

headquarters for six months in the year and that they had consequently to incur considerable expense on conveyance while at headquarters. These conditions still exist and there has also been an increase in the number of schools in Madras since 1911 as will be seen from the figures given in the margin for

	1910-11	No. of schools 1919-20	1910-11 and 1919-20. The Inspectress has in addition to visit frequently the four hostels attached to the Triplicane and Hobart Training Schools.
Elementary	58	68	
Secondary	9	10	
Training	3	4	
Total	70	82	

3. The Inspectress and the Assistant Inspectress have now represented that they are unable to maintain conveyances with the sanctioned allowances owing to the abnormal rise in prices. The Accountant General however, has objected to their drawing conveyance allowances in the absence of a certificate to the effect that they not only maintained such conveyances but also used them. The Inspecting officers have accordingly requested that the rates of allowance may be increased to Rs.100 and Rs.60 per mensem respectively to enable them to maintain their own conveyances as required by the Accountant General.

4. In para 75 of their report, the Salaries Committee state that the amount of conveyance allowance must vary according to the local circumstances and status of the officer and that the rates of allowance laid down in 1888 should be doubled. It would distinctly promote the quick discharge of duty and effect considerable saving in time and energy, if the Inspectress and the Assistant Inspectress could afford to maintain their own conveyances. A Victoria or a Motor car would, I think, be a fit conveyance for the Inspectress, while for the Assistant Inspectress a small trap or Governess cart would be suitable. The cost of maintaining these conveyances will not be less than Rs.100 and Rs.60 per mensem respectively. I have therefore the honour to request that Government will be pleased to sanction conveyance

allowances

allowances to the Inspectress and the Assistant Inspectress at Rs.100 and Rs.60 per mensem respectively with effect from 1st October 1920. The grant of these allowances may be coupled with the condition that these officers should maintain the conveyances mentioned supra.

5. In G.O.No. 788 HOME (Education), dated 8th July 1920, a conveyance allowance of Rs.50 per mensem was sanctioned to the Superintendent of the Government Secondary and Training School for Mistresses, Triplicane. In view of the fact that it has only been recently sanctioned I consider, that no increase in the rate is now necessary. She, too, may be required to maintain a suitable conveyance.

6. The additional expenditure involved by the proposal can be met from the provision for travelling allowance under "22.B. Inspection."

I have the honour to be,

Sir,

Your most obedient servant,

Regr.

The Inspectress of Girls' Schools, Central Circle and the Asst. Inspectress, Madras Girls' Range are now drawing a conveyance allowance of Rs. 50 and Rs. 30 respectively. The grounds on which ~~the above~~ ^{conveyance} ~~allowances~~ were sanctioned to these two officers in 1912 were

Vide letter No. 64 EdC. (H)
25.1.12

- (1) That they had to remain in the city for about six months in the year and that they were prevented from maintaining any permanent conveyance,
- (2) That the number of girls' Schools requiring inspection in Madras were large and the distances were such that it was frequently necessary for these officers to travel more than five miles before they could commence

commence their day's work but that no travelling allowance was admissible for such journeys.

(3) that they had frequent occasions to hire conveyances and that the expenditure involved thereby was considerable and

(4) that to be stationed at Madras involved the Inspectress or the Asst. Inspectress in pecuniary loss which she would not have to incur if posted to a mufassal range.

2/ As regards the rates of the allowance sanctioned for the two officers, the main considerations which weighed with the Govt. were that the officers must travel in a respectable conveyance and that the cost of keeping a conveyance had increased considerably in recent years. It would, however, be seen that the rates were fixed with reference to Mefat that the ^{two} officers hired conveyances for six months in the year and ~~not maintained~~ did not maintain conveyances of their own.

3/2. The D.O. now proposes that the rates of conveyance allowance

Vide para 3, pages of notes

(H)

allowance sanctioned for these two officers should be doubled in view of the fact that they are unable to maintain conveyances of their own with the sanctioned allowance owing to the abnormal rise in prices, and that the A.G. objects to their drawing the allowance in the absence of a certificate to the effect that they not only maintain such conveyances but also use them. It is also proposed that the increased allowance may be sanctioned on condition that the Inspectress maintains a Victoria or a motor car and the Asst. Inspectress a ~~small~~ small trap or governess cart.

4/ It is already stated in para 1 on page 2 ante, the allowances ~~sanctioned~~ sanctioned for these two officers were not fixed with reference to any type of conveyance to be maintained by them, ~~but only~~ and ~~into~~ they have not been required to maintain their own conveyances. In this respect the local Govt. have full discretion to decide in each case whether an officer should be required for audit purposes to give a certificate of possession of ~~a~~ means

- (S) M. 29 Feb, 15. 1. 20. and also India's
- (W) letter recorded in G.O. M. 30 Feb, 15. 1. 20.

It is not therefore clear why the A.G.
insists on the production of a certificate
in the case of the officers in question.

The remarks of the A.G. may be
invited up. in the matter ^{in the first instance} and he

may also be requested to ~~explain fully~~

I consider it advisable that the Inspectress and the Assistant Inspectress should maintain conveyances in the interests of their work, as they will then be in a position to pay surprise visits to schools and carry out their ordinary inspection duties in an expeditious manner. Visits to hostels and attendance at meetings and other functions can also be carried out more easily and inspections will be more thorough if the officers maintain their own conveyances; for they will not then be obliged to hurry over their work as would probably be the case if conveyances were hired by the hour.

It is therefore recommended that the rates be raised to the rates suggested in my R.C.No.1197/20 W.B dated 25-9-20, the officers being required to maintain

Please see the A.P.D.'s note ante.

He considers that the two officers in question should maintain conveyances of their own in the interest of their work. If this is accepted then the rates of conveyance allowances now drawn by the officers must be doubled as proposed by me A.P.D. The Inspectors will ~~not~~ get an allowance of Rs 100/- per mensem, and the Asst. Inspectors Rs. 60/- per mensem, instead of Rs. 50 and Rs 30 respectively now drawn by them, and they may be required to keep a Victoria or Motorcar and a small trap or Goveness cart respectively as suggested by me Director in para 4 of his letter.

2 The file may it is subd, be sent to the financial Dept. for acceptance of the proposal.

It is not necessary for the officers to engage conveyances by the Govt to maintain their own carriages. If carriages are engaged by the day for the days the

Officers are in the City, the existing rates
would appear to ~~be sufficient~~ need
enhancement by only about Rs. 10
in ~~the~~ ^{the} cases, especially as the officers
are likely to stay in the City only for
about six months in all in the year.

28.11.20

I accept the D.P.I.'s assertion that
the conveyances should be maintained
in the interests of work. So the
Inspectors may maintain
a motor or victoria & the Asst.
a trap or government car. If
they do so and furnish certificates
about ownership & use, they
should be given the normal
allowances that will be sanctioned
for the upkeep of these conveyances
which I believe will not be
less than the rates ~~recommended~~
by the D.P.I.

2. But considering that the
officers have to do a lot of town
work outside the City, I would
give them the option of not keeping
the conveyances. In which case,
the existing allowances may

The administrative department, it is submitted, does not make definite proposals as to whether higher rates of conveyance allowance recommended by the D.P.S. should be granted or whether the existing rates of allowance should be continued. From para 2 of the Home Secretary's note on page 8 above, it would seem that the intention is to consult the officers concerned, unless definite proposals are made this department cannot make any useful suggestions on them. But from a financial point of view it would be better to allow the officers in question the existing rates of allowance giving ^{them} the option of not keeping the conveyances.

2. This department may agree with the

Home Secretary's note in para 3 above.

^{PK}
212.20 As to my opinion half the month in

giving them Rs 100 and Rs 100 each a
conveyance allowance. The living
allowance would be better.

As $\frac{11}{3}$ in 20

I do not think that any conveyance
allowance is meant to cover the

There does not seem to be a case
for an increase

No. 134, dated 27 January, 1912.

The Government are pleased to sanction an increase in the rates of conveyance allowances now drawn by the Inspectress of Girls' schools, Central Circle, and the Assistant Inspectress of schools, Madras Girls' Range, from Rs. 50 and Rs. 30 to Rs. 75 and Rs. 50 per mensem respectively, with effect from the 1st April 1921, subject to the condition that the Inspectress maintains a Victoria or motor car and the Asst. Inspectress (a trap or Governess cart). The existing rates will be continued ~~the~~ ^{the meanwhile} without the requirement of a certificate as to the maintenance of conveyance and thereafter unless the prescribed conveyance is maintained.

2. The Government agree with the D.P.I. that no increase is necessary in the allowance drawn by the Supdt. of the Govt. Secondary and Training School for Mistresses, Triplicane. No certificate of maintenance of conveyance need be insisted on.
