Law (Education) Department.

Sir,

In continuation of my letter R.C.No.10334 of 1920 dated 21st July 1921 I have the honour to state that the Executive Engineer, South Presidency Division, now requests that a sum of Rs.8140/ may be transferred to the Public Works Department budget towards the construction of the building for the manual training class to be opened at the St.Patricks Orphanage, Adyar. The Executive Engineer reports that the tender of one P.Appavau Mudaliar for the above work has been accepted and that the Superintending Engineer, V Circle, has approved a worksip for Rs.8140/- I therefore request that you will be so good as to transfer to the Public Works Department budget a sum of Rs.8140/ instead of Rs.7800/ from the provision of Rs.130,000/- made for building grants under

To

The Secretary to the Madras Legislative Council.

Dated the 26 - 8 - 1921.

Sir,

I hereby give you notice of my intention to move the
following resolution at the meeting of the Legislative Council
of September 1921:-

Resolution -

I beg to move that an additional Sum of
Rs8,140 be granted under "41 Civil Works - Provincial"
for 1921-22 towards the construction of a building for
the manual training class to be opened at the Saint
Patrick's Orphanage at Adyar.

I have the honour to be,

Sir,

Your most obedient servant,

Note regarding supplementary
grant under 41 - civil works for
construction of a building for the
manual training class to be
opened at the St. Patrick's orphanage
Adyar.

In G.O. 1312 Edn. of 29th

11.1-37 (E)

October 1919, the Govt. approved
the Director's proposal to construct
a building for St. Patrick's orphanage
at a cost not exceeding Rs. 5,300
and to lend it to the school for
a manual training class, subject
to the usual conditions for grants
under the Code of Regulations for
European schools. The estimate
was approved in G.O. 1661 W. of
8.12.19, which also directed
that the work ^{would} be carried
out by the P.W.D. In G.O. 1878 W.
of 3.12.20, an estimate of
Rs. 7,800 was approved in super-
session of the original estimate.
The Director now reports that the
S.E., V circle, has approved a
work-si

11.4-5 LF

11.1-37 (E)

(E)

(C)

11.4-2 LF

work-ship for Rs. 8,140 for the construction of the building and proposes the transfer to the P.W. budget of a sum of Rs. 8,140 from the provision of Rs. 1,30,000 made for building grants under 31(B)(a)

(1) - Edn. - secondary - Reserved ^{two} Direct grants to non- Govt. Sec. Schools - in the current year's budget. It has been held ^(by the Finance Deptt) that it is not open to the Executive to propose transfer of funds from one grant voted by the Leg. Council to another. (To get over this difficulty) it is proposed to allow Rs. 8,140 to lapse to Provincial balances from the provision of Rs. 1.30 lakhs above referred to and to move for a supplementary grant of Rs. 8,140 under 41-civil works from balances. It will be seen that the outlay will come really from savings in the Educl. budget, that there will be no draft from balances and that the motion is merely formal, made to get over a technical difficulty.

Note for the Hon'ble Sir Lionel Davidson

Resolution about funds for Manual Training School at St. Patrick's Orphanage, Adyar. The first estimate submitted for this manual Training School was an approximate one based on square foot area rates and it was prepared at the end of 1918. This approximate estimate was sanctioned in G.O.No.1661 W, dated 8th December 1919 and the Superintending Engineer was ~~directed~~ directed to arrange for the preparation and sanction of detailed plans and estimates for this work. These detailed plans and estimates were drawn up accordingly and the amount of the estimate was Rs.7,800 and this estimate was approved in G.O.No.1878 W, dated 3rd December 1920. When steps were taken to execute the work tenders were called for and the lowest tender received was Rs.340 above the estimate of Rs.7,800 making the actual cost of the Manual Training School Rs.8,140. Between the year 1918 and 1920 when detailed plans and estimates were prepared there was a rise in rates for building works and the difference between Rs.5,300 and Rs.7,800 is due to this increase in rates: *and the increase of Rs.340 to Rs.8140 is due to the acceptance of the lowest tender received for the work*

Demand 41—Civil works provincial.

The Hon'ble Sir LIONEL DAVIDSON :—" Sir, the motion which stands in my name is in respect of a grant of an additional sum of Rs. 8,140 for the construction of a building for the manual training class to be opened at Saint Patrick's Orphanage, Adyar. Though this is in name an additional grant, Sir, the history of the case will show that that description is hardly accurate. It is in fact a transfer from the provision under the Educational grant to the provision under the Public Works grant. The reason is that the execution of the estimate for this building for the manual training class has to be carried out by the Public Works Department and not by the management of the school. The work itself is no new item. The proposal to construct the building was sanctioned by Government so long ago as October 1919, the Director of Public Instruction having expressly intimated, if I mistake not, that it would be necessary in that year to transfer money, as is now proposed, from the Educational grant to the Public Works grant because the management of the Orphanage could not command agencies suitable to carry out

1st September 1921] The Hon'ble Sir Lionel Davidson]

the construction of such works. The Director then formally proposed a transfer of Rs. 5,300. That, Sir, was in July 1919 when the sum in issue was Rs. 5,300. I have here a note by the Chief Engineer, Mr. Hutton, explaining the circumstance in which the estimate has since gone up to Rs. 8,140. He tells me that the first estimate was an approximate one based on square-foot-area rates prepared at the end of 1918. This was sanctioned in December 1919 and the Superintending Engineer was directed to prepare detailed plans and estimates. When he had carried out that instruction, the amount of the estimate according to the rates then prevailing was Rs. 7,800; and, an estimate to that amount was approved in a Public Works Department Order of the 3rd December 1920. The next stage was to call for tenders to carry out these works and the lowest tender was Rs. 340 above that amount, making the actual cost of the construction of the manual training school Rs. 8,140. When the Superintending Engineer applied for funds, the Director of Public Instruction put in an application to the Government in July last asking for the transfer to the Public Works Department budget of the sum in issue—Rs. 7,800 as it then was—from the amount of Rs. 1,30,000 provided under Detailed Account No. 31-B (a) (i)—Education—Secondary—Direct grants to non-Government secondary schools. But for the fact that the construction of the building has to be carried out by the Public Works Department, this allotment of Rs. 8,140 would have been directly debited to that grant. There was in fact budget provision available for this item. The Accountant-General naturally took, as he was bound to take, the technical objection that any transfer from the account head of Education to the account head of Public Works requires the sanction of the Legislative Council. We consulted the Financial Department of the Secretariat on the subject and are advised that the only procedure which would effectively meet this objection would be to allow Rs. 8,140 of the Educational grant of Rs. 1,30,000 to lapse and to re-allot that sum from the Provincial balance. Then, Sir, simultaneously there would be an allotment of this amount of Rs. 8,140 to the Public Works Department from the balance. That means that this is not an additional grant in substance but merely a saving of Rs. 8,140 from the budget provision of Rs. 1,30,000 under Education which will be absorbed into balance thus permitting a fresh allotment from balance of the same amount to Public Works. The transaction for which I ask the sanction of the Legislative Council, Sir, is therefore formal and relates to the carrying out of an estimate approved more than two years ago."

The DE-UTY-PRESIDENT (from the chair):—"The Hon'ble Sir Lionel Davidson has moved "That the Government be granted an additional sum of Rs. 8,140 under '41. Civil Works—Provincial' for 1921-22 towards the construction of a building for the manual training class to be opened at the St. Patrick's Orphanage at Adyar." I shall now put the motion to the House."

The motion was carried *nem con*.

Mr. T. Sivasankaram Pillai (rising to speak).

The DE-UTY-PRESIDENT (from the chair):—"I am afraid, the Honourable Member is too late. The motion has been carried, unanimously."
