The information asked in clause (a) can be gathered from the quarterly list of Officers in the ED-Dep^t, the latest issue of which has been corrected up to 1.4.21. In connection with a similar question for the next Council of Mr. Ramalinga Chetty it has been decided to reply "a quarterly list of Officers in the ED-Dep^t is placed in the Council Library for reference". The same reply may be given to clause (a).

As regards (b), we have no info. We may say we will call for it.

(a) The list required is attached. It contains 54 names and the whole of the information which it contains was not easily ascertained. The women's branch in my office has been busy over it, I understand, for the best part of two days. It is not easy to pick out the starting salary of a woman who was appointed 15 years ago. I doubt whether the Minister recognised that the list would be so large and its preparation ^{would} require so much work as my office informs me it did.

(b) The number of graduates was 6, of whom 1 was an Anglo-Indian, 3 were Indian Christians and 2 were Brahmins. 2 Indian Christians were transferred.
